- Somewhat confident
- Not very confident
- Not at all confident
- Don't know

**Q5. What priority should be given to funding the following proposed districtwide facility and site improvements?** Please rate each project using a scale from 1 (Low Priority) to 5 (High Priority).

	Low Priority	←————→			High Priority
a) Safety and security improvements, including updated access control systems, additional emergency alert systems, and related upgrades. . . . .	1	2	3	4	5
b) Updates to emergency exits, door hardware, and stairway railings. . . . .	1	2	3	4	5
c) Americans with Disabilities Act (ADA) upgrades, including ADA-compliant seating in auditoriums, stadiums, and gymnasiums; updated restrooms; and improvements to other interior spaces. . . . .	1	2	3	4	5
d) Replacement of outdated, inefficient plumbing, electrical, and mechanical/HVAC systems, and replacement of aging roofing. . . . .	1	2	3	4	5
e) Repair, renovation, and reconfiguration of Career and Technical Education (CTE) spaces serving programs like construction trades and automotive technology. . . . .	1	2	3	4	5
f) Replacement of outdated equipment and lighting in performing arts and athletic spaces. . . . .	1	2	3	4	5
g) Improvements to deteriorating outdoor athletic courts, tracks, and fields. . . . .	1	2	3	4	5

**Q6. How convincing do you find each statement supporting the possible bond referendum?** Please rate each statement using a scale from 1 (Not At All Convincing) to 5 (Very Convincing).

	Not At All Convincing	←————→			Very Convincing
a) With existing referendum debt being paid off soon, District 88 can address approximately \$118 million in high-priority facility and site improvements without a net tax rate increase. . . . .	1	2	3	4	5
b) Protecting the safety and security of students and staff is critical. . . . .	1	2	3	4	5
c) Replacing outdated electrical, plumbing, and mechanical/HVAC systems will extend the life of both high school buildings and reduce operating costs. . . . .	1	2	3	4	5
d) Funding ADA-compliant seating, restrooms, and related improvements is reasonable and appropriate. . . . .	1	2	3	4	5
e) Improved access to industry-aligned Career and Technical Education (CTE) spaces and equipment will help students develop technical skills, explore career pathways, and earn industry-recognized certifications. . . . .	1	2	3	4	5
f) Ensuring that schools are healthy, safe, and secure, and provide modern learning environments, is important in attracting and retaining quality teachers. . . . .	1	2	3	4	5
g) High-performing schools attract families and businesses to a community, helping to protect property values. . . . .	1	2	3	4	5

**Q7. How convincing do you find each statement opposing the possible bond referendum?** Please rate each statement using a scale from 1 (Not At All Convincing) to 5 (Very Convincing).

	Not At All Convincing	←————→			Very Convincing
a) The district should pay off its existing referendum debt and not pursue additional facility improvements, resulting in a lower debt service tax rate. . . . .	1	2	3	4	5
b) Even if the proposed bond measure can be done without a net tax rate increase, now is not the right time to pursue any type of funding proposal. . . . .	1	2	3	4	5
c) Many residents do not have school-age children and might not directly benefit from the proposed school building improvements. . . . .	1	2	3	4	5
d) Any additional voter-approved funding should go toward teachers and not facilities. . . . .	1	2	3	4	5
e) Improvements like updating lighting in performing arts spaces and the resurfacing of tennis courts seem like wants versus needs. . . . .	1	2	3	4	5

**Q8.** Because District 88 has debt that is expiring, approximately \$118 million of improvements to Addison Trail and Willowbrook high schools can be addressed without a net tax rate increase. How important is this fact when considering your level of support for the potential funding proposal?

- Very important
- Somewhat important
- Not very important
- Not at all important
- Don't know

**Q9. Potential Bond Referendum Question.** If a local election were held today, would you vote “yes” in favor of, or “no” to oppose, the following bond referendum question:

Shall the Board of Education of DuPage High School District Number 88, DuPage County, Illinois, improve the sites of, and alter, repair, and equip school buildings and facilities, including, but not limited to, installing safety and security improvements; increasing accessibility to comply with the Americans with Disabilities Act; updating roofing, mechanical, plumbing, electrical, heating and cooling systems; renovating career and technical education (CTE) spaces; and installing energy-efficiency improvements; and issue its bonds to the amount of \$118,000,000 for the purpose of paying the costs thereof?

- Definitely yes
- Probably yes
- Probably no
- Definitely no
- Don't know
