

How to Enter into the Noodle Tools

For The First Time User

1. Open the Noodle Tools from AT Media Center Webpage → Quick Start For Research
2. Click on **Create a Personal ID** This will direct you to create a login with your name for future use.
3. Select the option “**I am a student or library patron**”. Also provide your student ID as a **personal ID**, **password** and last four digits of your home phone# and then click **Register**

The screenshot shows the NoodleTools website's registration page. At the top, there is a navigation bar with links for Home, Software Tools, Blog, Teacher Resources, About Us, and Current Users: Sign In. The main heading is "New User Registration". Under "About You", there are two radio button options: "I am a student or library patron" (which is selected) and "I am a teacher or librarian". Below this is the "Choose a Personal ID" section, which explains that the personal ID and password are used for access and that the last four digits of the phone number are used for account identification. The form includes fields for Personal ID, Password, Retype password, and Phone (last 4 digits only). A "Check availability" button is next to the Personal ID field. A "Register" button is at the bottom of the form. A sidebar on the left lists "Access" options: Sign In, New User Registration (highlighted), Retrieve Lost Password, Account Administration, and Help. The footer contains copyright information and links for Privacy Policy, Terms of Service, and Legal.

For Returning User

1. Enter your **Personal ID** and **Password** then press **Sign In** to open your personal folder.

The screenshot shows the NoodleTools sign-in page for returning users. The heading is "Already Have a Personal ID?". Below this, it says: "If you are a returning user, enter your Personal ID and password to sign in to your NoodleTools account. If you are a new user, you should [choose a Personal ID](#) now." There are two input fields: "Personal ID:" and "Password:". A link for "I forgot my password" is below the password field. There is a checkbox for "Remember me (this is my personal computer)". A "Sign In" button is at the bottom of the form. The footer contains copyright information and links for Privacy Policy, Terms of Service, and Legal.

How to create a citation list using the Noodle Tools

1. After signing in click on **Create a New List** button.

2. Select the option for list style "**MLA Advance**". Don't forget to add **Description** of the project. Then click on **Create List** button.

3. Select the source that you want to cite from the **drop down list** and then click on **Create Citation**

Check for Errors

4. Provide the necessary information and hit **Check for Errors**
5. Missing or wrong information will be highlighted with red font. Do the correction if necessary and then click on **Generate Citation**
6. To add another citation again select the source from the drop down menu from the top bar and hit create citation.
7. Delete or edit the citations if required.
8. You can email, print, share or save your citation list to a word file by choosing the options on the top of the list.
9. Don't forget to click **Sign Out** from the top of the page, when you're done.
