

**TEAM SELF-EVALUATION**

For each of the categories below, rank each member (s) of your group, including yourself on the form provided.

Score	Attendance/work	Support of Group	Responsibility
9-10	Was always here and on task	Supported and encouraged the group, generated new ideas and sources for the group, build on others ideas.	Willingly shared responsibility for work and decision making within the group; accepted their fair share of responsibility.
7-8	Was always here and generally on task	Supported and encouraged the group, generated some new ideas or sources for the group, and occasionally built on the work of others.	Generally shared responsibility for work and decision making within the group; accepted their fair share of responsibility.
0-6	Missed research and work time, made little effort to make up work; often off task	Did little to support the group, and often was a roadblock to the groups success, generated few ideas or sources on their own, and did not build on ideas of others.	Did not share responsibility for work and decision making within the group, did not accept their fair share of the work
