

# BOARD-O-GRAM

Educational Focus Meeting of March 17, 2008

## *Board Honors "88's Best" for March*

The Board of Education recognizes students who excel at Addison Trail and Willowbrook High Schools through **88's Best**. They were pleased to honor the following students for their service accomplishments:

**Daniela Saporito** has demonstrated success in academics and service activities at **Addison Trail**. Her strong commitment to challenging herself has led her to take a rigorous academic schedule while giving her time to serve those in need.

Daniela has participated in many extracurricular organizations including the National Honor Society, Student Council, Key Club and Orchesis. While at Addison Trail, she has been involved with the CROP walk, Humanitarian Service Project food drive, the senior luncheon and Toys for Tots. Outside of school, Daniela has volunteered her time for many service organizations including NEDSRA, Special Olympics, March of Dimes, Cystic Fibrosis, Relay for Life, Addison Kiwanis, Habit for Humanity and the Chicago Food Depository.

Daniela will be attending the University of Illinois. She has plans for a career in architecture.

**Christopher Grazian** has excelled in service activities at **Willowbrook High School**. Chris has immersed himself into the learning environment and dedicated his time and service to the Industry and Technology department.

While at Willowbrook, Chris has volunteered his time in the auto shop. He has rescued many teachers and staff with automotive problems. He has taken care of problems from dead batteries to oil changes and tune-ups. Chris has stepped into a leadership role among his peers in SkillsUSA. He placed first in the written test and is headed to the State competition in April. In addition, he dedicates his time as a student assistant to the Auto 10 class. Outside of school, Chris finds the time to be a volunteer at his church and Lions Club. He also works part time at Staples.

Chris plans to attend Wyoming Technical University. He plans to become a technician at a BMW or Mercedes dealership in the future.

## **BUILDING THE FUTURE IN DISTRICT 88:**

- **Dr. Steve Humphrey** updated the Board that **construction will begin this summer**. The most recent schematic designs are available for viewing on the district website at: [www.dupage88.net](http://www.dupage88.net). In addition to hosting Lunch & Learn sessions for the staff, the administration and architects have been **making public presentations to communicate** the construction plans and timeline. More details will be announced regarding a groundbreaking ceremony to be hosted in late May/early June. The extensive planning and design work will be **released for bid in April 2008 with work to being in June 2008**.
