By requesting a copy of the RFP and subsequent submission of a Proposal, the Offeror agrees that during the period following issuance of the Proposal and prior to notification of intent and/or award of the awarded contract, Offeror will not discuss this procurement with any party except the designated contact person identified in this RFP. The SFA reserves the right to reject any and all Proposals and to cancel this RFP when there are sound documented reasons to do so. The SFA shall not be held responsible for any expenses incurred in the preparation or subsequent presentation of the Offeror's response to this RFP.

The SFA reserves the right, at any time after opening and prior to award, to request from any Offeror clarification, address technical questions, make site visits, review past performance, or seek or provide other information regarding Offeror's Proposal. This process may be used for such purposes as providing an opportunity for Offeror to clarify the Proposal in order to assure mutual understanding and/or aid in determinations of responsiveness or responsibility of Offeror. The SFA will not consider information received if the information materially alters the content of the Proposal or alters the type of goods and services Offeror is proposing to the SFA. An individual authorized to legally bind Offeror shall sign responses to any request for clarification.

The SFA reserves the right to contact provided references and other references to assist in Proposal evaluation, to verify information contained in the Proposal, and to discuss Offeror's qualifications including capabilities and performance under other contracts.

Issuance of this RFP in no way constitutes a commitment by the SFA to award any contract or agreement. This RFP is designed to provide Offeror with the information necessary to prepare a competitive Proposal. It is not intended to be comprehensive, and each Offeror is responsible for determining all factors necessary for submission of a comprehensive Proposal. An RFP may be rejected for various reasons, including but not limited to any one of the following reasons:

- Offeror fails to deliver the Proposal by the due date and time.
- Offeror fails to respond to the SFA's request for information, documents, or references within the time specified.
- Offeror's response limits the rights of the SFA.
- Offeror's response materially changes a product or service requirement.
- Offeror fails to include information necessary to substantiate that it will be able to meet a product or service requirement. A response of "will comply" or merely repeating the requirement is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the requirement are not sufficient.
- Offeror provides misleading or inaccurate responses.
- Offeror initiates unauthorized contact regarding the RFP with the SFA or employees/agents of the SFA.
- Offeror presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.
- Offeror fails to include any signature, certification, authorization, stipulation, disclosure, guarantee or other item requested in this RFP.

1.9 **Negotiations**

Negotiations are conducted with offerors whose proposals receive evaluation scores that exceed a numerical value (i.e., cut-off score) established in advance by the SFA evaluation panel. This "cut-off" score is determined prior to opening any of the proposals. After the evaluations have been completed and all proposals are ranked, those proposals that meet or exceed the pre-established cut-off score are forwarded to the SFA individual or team responsible for negotiating with the offerors. Negotiations related to USDA foods terms is not permitted.

The SFA will engage in negotiations.

If applicable: Contract negotiations will be conducted in a fair and equitable manner. As with all aspects of procurement, the negotiators must be well prepared. The SFA individual(s) evaluating the proposals will not be the same SFA individuals who conduct negotiations with offerors whose proposals receive scores above the prescribed cut-off. The SFA negotiators will inform all offerors of the terms and conditions of the negotiation, including which elements will not be negotiable and which elements can be negotiated.

If applicable: It is expected that the negotiation process will result in the selection of the successful offeror. However, if after negotiations, two or more offerors are still under consideration, the SFA will make a final selection, using an unbiased method; by asking the offerors to submit a Best and Final price. The Best and Final price is due by 5:00 PM CST on 5/13/2024 to Olga Davis via odavis@dupage88.net.

If applicable: The SFA will provide written notification to the successful offeror which clearly states that while the offeror has been successful, the proposed contract is subject to review by the State Agency (ISBE). This notice will also inform the successful offeror that if non-substantive changes are needed as a result of the State Agency (ISBE) review, an opportunity will be provided to amend the proposal.

If applicable: After negotiations are completed, any negotiated provision(s) that change the scope or require an amendment of terms to the proposed contract must be reviewed by the State Agency. These provision(s) may require revision before the contract is final. This can create situations where the offeror withdraws or modifies a final offer. In these cases, the SFA may need to reopen negotiations. In cases where the State Agency did not review the non-negotiable provisions of the contract, the entire contract should be reviewed and could be open for revision.

1.10 **Fair and Open Competition**

This RFP is intended to promote fair and open competition. If the language, specifications, terms, and conditions or any combination thereof restricts or limits the requirements in this RFP to a single source, it is the responsibility of the interested Offeror to notify the contact person identified in this RFP, in writing, so as to be received within five (5) business days after the date the RFP is issued by the SFA. The RFP may or may not be changed, but a review of such notification will be made prior to the award of Contract.

1.11 **Overly Responsive Proposal**

To ensure maximum open and free competition Offeror's Proposal must not be overly responsive. If Offeror's Proposal is deemed to be overly responsive, the Proposal may not be considered for evaluation for the Awarded Contract. When responding to this RFP, Offeror must confine its proposal to the requirements of this RFP.

Examples of overly responsive Proposals:

- Respondent offers a guarantee which was not requested in the original RFP,

- Respondent offers incentives over and beyond those required by the RFP document (such as scholarships or “free” equipment) to entice a SFA to select its Proposal for the Awarded Contract, or
- Respondent offers to provide discounts or supplement funding for Point of Sale (POS) equipment when POS equipment was not sought in the original RFP document. If such items were not required in the RFP document, then the offer would be considered overly responsive.

The Awarded Contract will be made to the highest-scoring, responsible Offeror that is both capable of providing the products and services described in this RFP and submits a responsive Proposal that can meet all specifications of the entire RFP. Goods, products, or services offered in a Proposal above and beyond what is requested in this RFP shall not be factored into the scoring evaluation. The Award Contract decision will be based on the criteria outlined in this RFP and not on any additional factors the respondent has chosen to add.

1.12 **Method of Award**

Proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with the evaluation criteria set forth in this RFP. The SFA scoring committee will review the Proposals using the evaluation criteria found in this RFP. In addition, the scoring committee will conduct a pre-award audit and check references.

The SFA will award each Proposal independent of other Proposals. As part of the evaluation process, the SFA may request samples of meals or other products and services.

1.13 **RFP Estimations**

Quantities reflected in this RFP are estimates based on the SFA’s combined claims for the 2022-2023 School Year and projected increases or decreases based on the federal guidelines and anticipated student participation in the SFA’s food service. These quantities are the best estimate of anticipated needs available at the time of publication of this RFP, but the accuracy of this estimate may be affected by numerous factors including but not limited to, budgetary adjustments, meal pricing, availability of federal funds or other subsidies, changing market forces, or unintentional errors or omissions. Actual needs may be greater or less than the estimated quantities provided.

SECTION 2: TERMS AND CONDITIONS

2.1 **Awarding the Contract**

To be considered, Offeror must submit a complete response to this RFP *using the format provided*. Proposals determined to be overly responsive may be returned to Offeror and not considered for the Awarded Contract. Offerors should limit Proposal responses to what is required and requested in this RFP. No other documents submitted with the Proposal will affect the contract provisions contained herein, and there may be no modification to the contract language.

Award shall be made to the qualified and responsible Offeror who submits a timely and responsive Proposal to this RFP. A responsible Offeror shall have financial, technical, and other resources which indicate an ability to provide products and perform the services required by this RFP.

Offeror and/or their authorized representatives are expected to fully read this RFP and be fully acquainted with all the terms and conditions, requirements, and specifications before submitting a Proposal; failure to do so will be at the Offeror's own risk. Failure or omission of Offeror to be familiar with existing conditions shall in no way relieve the company of obligation with respect to this RFP. The SFA is not liable for any cost incurred by the Offeror prior to the signing of the awarded contract by all parties. Paying the Selected FSMC from the Child Nutrition Program (CNP) funds is prohibited until the Awarded Contract is signed.

If additional information is required, contact Olga Davis at odavis@dupage88.net.

2.2 **Awarded Contract**

This Awarded Contract is effective for a one-year period beginning July 1, 2024 and ending on June 30, 2025 (the "Term"), with up to four (4) one- (1)-year renewals with mutual agreement between the SFA and the Selected FSMC.

The Awarded Contract between the SFA and the Selected FSMC shall be a combination of the specification, terms and conditions of the RFP; Selected FSMC Proposal, attachments to the Proposal and any written clarifications or changes made by SFA and in accordance with the provisions herein; see section *Exception and Deviations* for additional details.

Exceptions should be explicitly noted in Offeror's Proposal. Lack of exceptions listed on an Offeror's Proposal will be considered as acceptance of all of the specifications including terms and conditions and other requirements as presented in this RFP.

Any exceptions noted in Proposal will be evaluated after the due date and Proposal opening. No exceptions, addendums, amendments, or other changes will be allowed thereafter unless required by federal, state, or local regulations or needed to allow for program performance under the Awarded Contract. The only planned amendments will be the amendment to renew the Awarded Contract. This amendment will be presented to the contractor by the SFA at the time of renewal. Renewal of Awarded Contract does not constitute an offer by SFA for additional amendments of terms and conditions over and beyond the fees listed in the renewal amendment.

Any proposed terms and conditions listed in Offeror's Proposal may be considered by SFA. However, such proposed terms and conditions may render Proposal non-responsive and ineligible for evaluation of the Awarded Contract. Furthermore, any accepted proposed terms and conditions related to costs will be added to the overall costs proposed in Offeror's Proposal. This is the only way to fairly evaluate

and compare exceptions to SFA's terms and conditions by an Offeror and another Offeror which accepted SFA's terms and conditions without exceptions.

In the event of an amendment to the Awarded Contract, both parties must mutually accept and sign the amendment, which will then be reviewed by ISBE before becoming effective. SFA must be the originator of the amendment. **Amendment(s) presented by Selected FSMC will be denied.** Awarded Contract, addendums, or amendments is limited to assuring compliance with federal and state procurement requirements

2.3 **Termination**

SFA or Selected FSMC may terminate the whole or any part of the Awarded Contract, by written notice from the other party, in any one of the following circumstances:

- a. **Termination without cause:** Either the SFA or FSMC can terminate the Awarded Contract *without cause* with a sixty- (60) day written notification mailed certified or personally delivered to the other party.
- b. **Termination with cause:** Either party may terminate the Awarded Contract for cause upon sixty (60) days written notice mailed or personally delivered to the other party (Reference [7 CFR 210.16\(d\)](#)) except for the conditions for cause as follows:
 - If Selected FSMC fails to perform any duties or obligations within the time specified herein or any written extension thereof granted by SFA.
 - If Selected FSMC fails to make progress as to endanger performance of the Awarded Contract in accordance with its terms.
 - If either party fails to comply with any of the material terms and conditions of the Awarded Contract. Such termination shall become effective if notified party does not cure such failure within a period of ten (10) days after written notice of default.
 - If either party is declared insolvent or bankrupt.
 - Notwithstanding the provisions listed above, the SFA may immediately terminate the Awarded Contract with written notice to Selected FSMC for breach/neglect as determined by the SFA when considering such items as:
 1. failure to maintain and enforce required standards of sanitation,
 2. failure to maintain proper insurance coverage as outlined by the Awarded Contract,
 3. failure to provide required periodic information/statements, or
 4. failure to maintain quality of service at a level satisfactory to the SFA.

Upon termination, SFA may procure, upon such terms as it shall deem appropriate, services similar to those terminated. Selected FSMC shall continue performance of the Awarded Contract to the extent not terminated.

Notwithstanding any provision to the contrary in this Contract, obligations of the SFA will cease immediately without penalty of further payment being required if sufficient funds for this Agreement are not appropriated by the Illinois General Assembly or a federal funding source, or such funds are otherwise not made available to the SFA for payments in accordance with this Contract.

Notwithstanding the notice period above, the SFA may immediately terminate the Contract, in whole or in part, upon notice to the FSMC if the SFA determines that the actions, or failure to act, of the

FSMC, its agents, employees or subcontractors have caused, or reasonably could cause jeopardy to health, safety, or property; or if the SFA determines that the FSMC lacks the financial resources to perform under the Contract.

Neither the FSMC nor SFA shall be responsible for any losses resulting if the fulfillment of the terms of the Contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or any other acts which could not have been prevented by the exercise of due diligence (“Act of God”) provided that the delayed party: (i) gives the other party prompt notice of such cause and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance. The SFA may cancel the Contract without penalty if the FSMC’s performance does not resume within 30 days of the FSMC’s interruption of services due to an Act of God.

2.4 Nonperformance by Awarded FSMC

If the FSMC fails to perform to the SFA’s satisfaction any material requirement of this Contract or is in violation of a material provision of this Contract, the SFA shall provide written notice to the FSMC requesting that the breach of noncompliance be remedied within sixty- (60) days. If the breach or noncompliance is not remedied by the specified period of time, the SFA may either: (a) immediately terminate the Contract without additional written notice or, (b) enforce the terms and conditions of the Contract, and in either event seek any available legal or equitable remedies and damages. The SFA may finish the services by whatever method the SFA may deem expedient. Any damages incurred by the SFA as a result of any Contractor default shall be borne by the Contractor at its sole cost and expense, shall not be payable as part of the Contract amount, and shall be reimbursed to the SFA by the Contractor upon demand.

2.5 Exceptions and Deviations

The terms and conditions contained in this RFP will be included in the resulting Awarded Contract. SFA does not intend to make changes to those terms and conditions, unless necessary to clarify the scope of work and/or technical requirements. Failure to accept the terms and conditions may result in Offeror’s Proposal being deemed to be nonresponsive. Nonetheless, if an Offeror must take exception(s) to a specific term or condition, the Offeror shall provide the requested information for each exception in the following format and attaching it to the Offeror’s Proposal and labeling it as “*Offeror’s Exceptions and Deviations*”.

All exceptions must be approved by the SFA and reviewed and approved by ISBE prior to acceptance by the SFA. All exception(s) must be included with Offeror’s Proposal.

No exceptions or deviations will be considered after the due date of the Proposals unless allowable as described in the RFP. This includes amendments and addendums typically requested by FSMCs after the awarding of the contract which includes additional fee structures, clarifications, and FSMC’s terms and conditions. Only exceptions listed in Offeror’s Proposal will be considered for inclusion in the Awarded Contract

Format for submitting exceptions and deviations:

Offeror’s Exceptions and Deviations: Name of FSMC

No.	Section, Subsection, Exhibit, or other	Exception Taken	Reason for Exception	Proposed Language	Impact on Proposal Cost and/or Risk

Name of Offeror <i>First & Last</i>			Title of Offeror		
Authorized Signature ➤				Date Signed <i>Mo./Day/Yr.</i>	

2.6 Renewal of Awarded Contract- Fixed Price Per Meal Rate(s)

The only rates and fees that may be adjusted in subsequent Contract Terms are the fixed rates and fixed fees contained herein. Before any fixed rate or fee adjustments can be implemented as part of a Contract renewal agreement, the FSMC shall document to the SFA, through a written financial analysis, the need for such adjustments. Adjustment of all individual per meal fixed rates and applicable fees in subsequent Contract Terms must not exceed The Consumer Price Index for Urban Consumers—Food Away from Home annual rate for December of the current school year, not to exceed 4%. Percentage increases cannot be applied to any previous Contract Term’s total estimated or actual Contract cost. The calculation method regarding the determination of a la carte meal equivalents is outlined in the *Fees* section of this Contract.

2.7 Material Change(s)/ Contract Amendment(s)

A material change is defined as a change that, had other bidders/proposers known of the change at the time of they submitted their responses, would have caused them to bid/propose differently. [2 CFR 200.324](#) identifies that when a contract modification changes the scope of a contract or increases the contract amount by more than the Simplified Acquisition Threshold (currently set at \$250,000), the SFA must make available upon request for review, procurement documents such as requests for proposals or invitations for bids, and/or independent cost estimates. The State Agency (ISBE) must then determine if the amendment is approved for a one-year renewal, or if a re-solicitation is required at the end of the current contract period. State or local acquisition thresholds may be more restrictive, and that the most restrictive threshold applies.

All amendments must be documented, reviewed, and approved by the State agency (ISBE) **prior to execution** ([7 CFR 210.16\(a\)\(10\)](#)) ensuring that the SFA has not made a material change to the contract and has incorporated all State agency required changes into the amendment. No modification or amendment to this contract shall become valid unless it is made in writing, signed by all parties, and receives **prior** approval by the State agency (ISBE). Regulations governing procurement in the NSLP, SBP, and SMP, require State agencies to review contracts (and supporting documentation) prior to the execution (i.e. prior to signature) of the contract to ensure that contracts containing unallowable terms and conditions and amendments that may be material in nature are removed prior to the contract being executed. Unallowable costs shall not be paid from the nonprofit food service account.

Some amendments to contracts that may be considered material and thus require a re-solicitation include:

- Adding other SFAs, or unaffiliated schools (to include new schools to be constructed within the SFA during the contract duration and potential contract renewals) not included in the original solicitation.
- Adding more Child Nutrition Programs not included in the original solicitation and contract.
- Changing a fixed price/meal fee for management and/or administration, or a fixed price/meal fee tied to a standard index, such as the Consumer Price index, without a price adjustment clause.

- Adding the requirement for the FSMC to cover the cost of labor, or to transition the cost of labor from the SFA to the FSMC without a provision in the original solicitation and contract that includes the labor transition with specifics for how this will occur.
- Adding requirements for the FSMC to purchase/invest in equipment, point of service system, or remodel/renovate facilities for the SFA that were not planned, specified, or included in the original solicitation and contract.
- Changing the value of a guaranteed return, or failure to achieve a breakeven status, or qualifying these by limits in relation to the value of the administrative/management fee(s).
 - Any guaranteed return promised by the FSMC must remain in the nonprofit food service account. If the contract contains such guarantees, the contract must also contain language that ensures that the FSMC bears responsibility for failure to meet those goals. Returns cannot be contingent upon multi-year contracts as FSMC contracts are for one year with the option for up to four one-year renewals. If the option for renewal is to be considered each year, the best practice is to specify in the original solicitation the SFAs expectations of the guarantee for each renewal year option, if changes in the guarantee will be allowed.

While this list is not exclusive of changes SFAs and FSMCs often consider during a contract renewal option, these changes are amendments to the contract, not a contract renewal. Therefore, State agency (ISBE) and SFA staff must take great caution not to approve contract amendments when these changes should be re-solicited. Contract renewals are extensions of the original contract based on the terms and conditions of the original solicitation; contract amendments that change the scope of the contract or exceed the value of the Simplified Acquisition Threshold (valued at \$250,000), are subject to approval by the State agency (ISBE) or FNS (USDA).

FSMC developed contracts and/or amendments are never allowed.

3.1 ISBE Legal Disclaimer

ISBE does not review or judge the fairness, advisability, or efficiency of fiscal implications of the contract. ISBE is not a party to any contractual relationship between the SFA and Selected FSMC. ISBE is not obligated, liable or responsible for any action or inaction taken by the SFA or Selected FSMC based on this template contract and subsequent changes and/or amendments to this RFP or subsequent Awarded Contract.

3.2 No relief for errors or omissions

All proposals shall be submitted with each space properly completed. The special attention of Bidders is directed to the policy that no claim for relief because of errors or omissions in bidding will be considered and Bidders will be held strictly to the proposals as submitted. All bidders must satisfy themselves as to the intent of these specifications. Should a Bidder find any discrepancies in, or omissions from, any of the documents, or be in doubt as to their meaning, he shall advise the Director of Business Services who will issue the necessary clarifications to all prospective Bidders by means of addenda. Should the bidder find any discrepancies in, or omission from, any of the documents or be in doubt as to their meaning, he shall advise the Board of Education who will issue necessary clarifications to all prospective bidders by means of addenda as may be appropriate.

3.3 Fully informed

Submission of a proposal by a FSMC will be construed as an indication the FSMC is fully informed of and can offer the services satisfactorily in compliance with the specifications and conditions contained herein.

3.4 Solicitation withdrawal or changes

All proposals shall be deemed final, conclusive and irrevocable, for at least 60 days after the date of the proposal opening. Proposals may be withdrawn in person, or by letter, facsimile transmission, and electronic mail or similar means, provided that the withdrawal is actually received by the party to whom proposals are to be submitted prior to the time for the opening of proposals. No proposal shall be withdrawn after the scheduled closing time for the submission of proposals without the consent of the Board.

3.5 Code of Conduct/ Ethics Procedures

DuPage High School District 88 officers, employees or agents shall neither solicit or accept gratuities, favors, or anything of monetary value from contractors or potential contractors. To the extent permissible under State law, rules or regulations, such standard shall provide for appropriate penalties, sanctions or other disciplinary actions to be applied for violation of such standards.

3.6 Protest Procedures

Any serious protest to the Request for Proposal will follow the following steps within five (5) calendar days of the contract award: 1) Include the name, address, and telephone and facsimile numbers for the protester; 2) Be endorsed by the protester or its representative; 3) Clearly entitle your protest as "Protest to RFP – Food Service Management Company (FSMC)-Fixed Price Meals"; 4) Set forth a detailed statement of the legal and factual grounds of protest including copies of relevant documents; 5) Specifically request a ruling by the SFA within ten (10) calendar days from the contract award; 6) Deliver protest packet to Olga Davis, Director of Business Services, DuPage High School District 88, 2 Friendship Plaza, Addison, IL 60101. The Director of Business Services will provide a formal response to the FSMC within 15 calendar days. A FSMC not satisfied with that response may appeal the decision to the Superintendent or designee, provided such appeal is received within 15 calendar days after the response

from the Director of Business Services. If the appeal is not filed within that period, no other SFA redress will be required. All protests will be disclosed to the Illinois State Board of Education Nutrition Programs Division.

- 3.7 The SFA reserves the right to investigate each proposer's ability to fulfill the terms of the contract.
- 3.8 All solicitations shall remain valid and subject to acceptance for a period of ninety (90) days after the solicitation opening date. Award of the Contract shall be made to the lowest responsive, responsible proposer as determined by the SFA, based on the criteria and specifications outlined in the RFP and further set forth in the Contract.
- 3.9 The meal rates and fees solicitation must be calculated based on the included sample menu(s) and on the projected annual units provided on the *Proposed Fixed Rates* form, both attached herein. Rates must be provided per unit. All other estimated line-item totals shall be computed by multiplying the projected annual units by the rate proposed per unit. Estimated totals **must** be carried out to the second decimal place and must not be rounded. In any case of errors in the extension of the estimated total(s), the actual unit rates shall govern.
- 3.10 All prospective proposers must completely inspect the facilities and equipment prior to the solicitation due date and prior to submitting a proposal, if pre-solicitation meeting/ facility tour is scheduled as per above. Failure to do so will not relieve the successful proposer from the necessity of furnishing and installing any material and equipment, performing any labor, or making any structural changes, without additional cost to the SFA, that may be required to carry out the intent of the resulting Contract.
- 3.11 No proposal will be accepted from, or contract awarded to, any person, firm, or corporation that is in arrears or is in default to the SFA upon any debt or contract, or is a defaulter, as surety or otherwise, upon any obligation to said SFA, or has failed to perform faithfully any previous contract with the SFA.
- 3.12 All completed solicitations and supporting documentation submitted shall be the property of the SFA.
- 3.13 Until a Contract is awarded, no proposer, prospective or otherwise, shall be provided access to any supporting solicitation documents received by the SFA. All supporting solicitation documents shall be held strictly confidential and shall be reviewed and evaluated solely by SFA employees. Such documents shall not be released for distribution under the Freedom of Information Act until the Contract has been awarded. Violation of this clause by any proposer, prospective or otherwise, shall result in automatic disqualification of the proposer from being awarded the Contract. Violation of this clause by an SFA may result in (1) temporary withholding of cash payments pending correction of the deficiency by the SFA or other more severe enforcement action; (2) disallowing of both, use of funds and matching credit for all or part of the cost of the activity or action not in compliance; (3) whole or partial suspension or termination of the SFA's program; (4) withholding of further awards for the program; or (5) other remedies that may be legally available. Actions that result in the violation of law will be referred to the appropriate local, State or Federal authority having jurisdiction.

SECTION 4:**SCOPE OF SERVICES**

- 4.1 The Selected FSMC shall operate in conformance with the SFA's Permanent Agreement/Policy Statement with ISBE for the selected program(s) listed below. Selected FSMC shall provide services sufficient to operate these program(s) in accordance with CNP and as required by this RFP and subsequent Awarded Contract.

The programs listed below shall be the same as those listed in the attachment sections of this RFP, which is part of the Awarded Contract.

Additional program(s) may be considered in the future. The SFA will conduct a cost analysis and submit the request to ISBE, prior to implementation, to rule out the possibility of material changes to the Awarded Contract. If a material change is ruled out, the SFA will issue an addendum with proposed fixed meal price(s) for the new program for the Selected FSMC to either accept or reject. The Selected FSMC may negotiate a higher fixed meal price(s), but any accepted fixed meal price(s) by the SFA must be below the range used in the cost analysis to negate the possibility of a material change to the Awarded Contract. The final signed amendment will be submitted to ISBE.

Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336) added a provision, Section 12(n) to the National School Lunch Act (NSLA) (42 USC 1760(n)), requiring SFAs to purchase, to the maximum extent practicable, domestic commodities or products, including foods or food products. 7 CFR 250.17(e).

This Buy American provision supports the mission of the Child Nutrition Programs, which is to serve children nutritious meals and support American agriculture. The Buy American provision applies to SFAs located in the 48 contiguous United States and is one of the procurement standards these SFAs must comply with when purchasing commercial food products served in the school meals programs.

Section 12(n) of the NSLA defines:

“domestic commodity or product” as an agricultural commodity that is produced in the U.S. and a food product that is processed in the U.S. substantially using agricultural commodities produced in the U.S. Report language accompanying the legislation noted that

“substantially” means over 51% from American products. Therefore, over 51% of the final processed product (by weight or volume) must consist of agricultural commodities that were grown domestically.

Thus, for foods that are unprocessed, agricultural commodities must be domestic, and for foods that are processed, they must be processed domestically using domestic agricultural food components that are comprised of over 51% domestically grown items, by weight or volume as determined by the SFA.

For the purpose of the Awarded Contract the requirement means that applicable goods and services procured on behalf of or by SFAs for use in the Child Nutrition Programs using nonprofit food service account funds, the product’s food component is considered the agricultural commodity. FNS defines food component as one of the food groups, which comprises reimbursable meals.

The food components are meats/meat alternates, grains, vegetables, fruits, and fluid milk. Please refer to 7 CFR 210.2 for full definitions. Any product processed by a winning vendor must contain over 51% of the product’s food component, by weight or volume, from U.S. origin. This definition of domestic product serves both the needs of schools and American agriculture. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are considered domestic products under this provision as these products are from the territories of the U.S.

The Offeror by signing the Offeror’s Proposal is certifying meals sold through the SFA’s nutrition program are prepared and processed in the U.S. and contains over 51% of its agricultural food component, by weight or volume, from the U.S.

If requested by the SFA, state, or federal government, the Selected FSMC will supply evidence supporting compliance with the Buy American provision. Additional clarification regarding the Buy American Provision can be found in *USDA Memo Compliance with and Enforcement of the Buy American Provision in the National School Lunch Program SP 38-2017* dated 06/30/17.

In the event a domestic product is not available, the Selected FSMC must:

- Requests consideration from SFA (written documentation require) on the use of domestic alternative foods before approving an exception.
- Document the use of a non-domestic food exception when competition reveals the cost of domestic is significantly higher than non-domestic food.

- 8.6 The Selected FSMC shall purchase, to the maximum extent practicable, domestic commodities or products which are either an agricultural commodity produced in the United States, or a food product processed in the United States substantially using agricultural commodities produced in the United States (U.S.).

- 8.9 The SFA shall ensure commercially purchased foods used in place of USDA Foods received are of the same generic identity as the USDA Foods received, of U.S. origin, and of equal or better quality than the USDA Foods as determined by the SFA.

- 8.11 The Selected FSMC shall provide Nutrition Facts labels and any other documentation requested by the SFA to ensure compliance with U.S. content requirements.

All rates must be written in ink or typed in the blank space(s) provided and the estimated totals must be carried out to the second decimal place and must not be rounded.
- 13.2 The proposed rate(s) must be calculated net of applicable discounts, rebates, and credits received by the Selected FSMC and must not include the use of USDA Foods or any alternate pricing structure.
- 13.3 The Selected FSMC shall comply with the rules, regulations, policies, and instructions of the State of Illinois, ISBE and USDA and any additions or amendments thereto, including USDA regulations 7 CFR 210, 215 (SMP), 220 (SBP), 225 (SFSP), 226 (CACFP), 245, 250, and 2 CFR 200, as applicable.
- 13.4 The Selected FSMC shall invoice SFA at the end of each month. No advanced payments are allowed to be paid to the Selected FSMC.

- 13.7 Only fixed meal price(s) described in this RFP and resulting Awarded Contract will be paid.
- 13.8 All fixed meal price(s) invoiced to SFA shall contain sufficient details to ensure contract fixed meal price(s) are being adhered too. - 13.11 **A la Carte Equivalency Factor**
- a. For the purposes of this Contract, a la carte shall be inclusive of all foods and beverages sold to students that do not constitute a component of a reimbursable meal plus all foods and beverages sold to adults during any and all meal services provided within the scope of this Contract.

The a la carte equivalency factor to be utilized for the initial 2024–2025 Contract Term is \$4.755.
 - c. In Contract renewal Terms, the a la carte equivalency factor will be changed annually to reflect the change in the sum of the reimbursement rates and PAL as stated above. The rates used will be those established in July of the preceding fiscal year and be published annually by the Illinois State Board of Education Nutrition Department.

Prior to the expiration of each Contract Term, the SFA shall be credited in full for all USDA Foods received.

¹In the NSLP and SBP (grades K-12), at least eighty percent of the weekly grains offered must meet the whole grain-rich criteria and the remaining grain items offered must be made from whole-grain flour, whole-grain meal, corn masa, masa harina, hominy, enriched flour, enriched meal, bran, germ, or be an enriched product, such as enriched bread, or a fortified cereal. Please note: State agencies have the discretion to set stricter requirements than the minimum nutrition standards for school meals. For additional guidance, please contact your State agency. For all other Child Nutrition Programs, grains must be made from whole-grain flour, whole-grain meal, corn masa, masa harina, hominy, enriched flour, enriched meal, bran, germ, or be an enriched product, such as enriched bread, or a fortified cereal. Under the CACFP child and adult meal patterns, and in the NSLP/SBP preschool meals, at least one grains serving per day must meet whole grain-rich criteria.

²For the NSLP and SBP (grades K-12), grain quantities are determined using ounce equivalents (oz eq). All other Child Nutrition Programs determine grain quantities using grains/breads servings. Beginning Oct. 1, 2021, grain quantities in the CACFP and NSLP/SBP infant and preschool meals will be determined using oz eq. Some of the following grains may contain more sugar, salt, and/or fat than others. This should be a consideration when deciding how often to serve them.

³Allowed in NSLP (up to 2.0 oz eq grain-based dessert per week in grades K-12) as specified in §210.10 and at snack service in SFSP. Considered a grain-based dessert and cannot count towards the grain component in CACFP or NSLP/SBP preschool meals as specified in §§226.20(a)(4) and 210.10.

⁴Allowable in NSLP (up to 2.0 oz eq grain-based dessert per week for grades K-12) as specified in §210.10. May count towards the grain component in SBP (grades K-12) and at snack and breakfast meals in SFSP. Considered a grain-based dessert and cannot count towards the grain component in the CACFP and NSLP/SBP preschool meals as specified in §§226.20(a)(4) and 210.10.

⁵Allowed in NSLP (up to 2.0 oz eq grain-based dessert per week in grades K-12) as specified in §210.10. May count towards the grain component in SBP (grades K-12), CACFP, NSLP/SBP preschool meals, and SFSP.

⁶Refer to program regulations for the appropriate serving size for supplements served to children aged 1 through 5 in the NSLP; breakfast served in the SBP, and meals served to children ages 1 through 5 in the CACFP. Breakfast cereals are traditionally served as a breakfast menu item but may be served in meals other than breakfast.

⁷In the NSLP and SBP, cereals must list a whole grain as the first ingredient and be fortified, or if the cereal is 100 percent whole grain, fortification is not required. For CACFP and SFSP, cereals must be whole-grain, enriched, or fortified; cereals served in CACFP and NSLP/SBP preschool meals must contain no more than 6 grams of sugar per dry ounce.

In most cases, the serving sizes provided on the 21-day cycle menu(s) are based on the required minimum serving sizes stated in the USDA Meal Pattern. If the serving sizes for the food items indicated on the menu(s) do not meet the required average daily calorie range and nutrient standards as stated in the USDA Meal Patterns, the contractor awarded the contract is required to adjust serving sizes and/or provide additional food items as necessary to meet the calorie range and nutrient standards without significantly altering the 21-day cycle menu(s). Prior to submitting a bid/proposal, it is the contractor's responsibility to conduct a nutritional analysis of the menu(s) based on the products/brands to be served in order to determine if serving size adjustments and/or additional food items will be necessary. Exhibit C: Minimum Food Specifications

Section 210.16(c)(3) specifically addresses the SFA's development of specifications for each food component or menu item and requires these specifications to be included in the IFBs or RFPs. Specifications must cover items such as grade, purchase units, style, condition, weight, ingredients, formulations, and delivery time. In order to ensure objective contractor performance and eliminate unfair competitive advantage, a person that develops or drafts specifications, requirements, statements of work, invitations for bids, requests for proposals, contract terms and conditions or other documents for use by a grantee or sub-grantee in conducting a procurement under the USDA entitlement programs specified in 2 CFR 200.319(a) shall be excluded from competing for such procurements.

ISBE does not approve, evaluate or endorse minimum food specifications.

All USDA Foods offered to the SFA and made available to the FSMC are acceptable and should be utilized in as large a quantity as may be efficiently utilized.

For all other food components, specifications shall be as follows:

All breads, bread alternates, and grains must be whole grain rich. Any remaining grain products must be enriched. All breads and grains must be fresh (or frozen, if applicable) and must meet the minimum weight per serving as required and must adhere to the USDA *Nutrition Standards in the Child Nutrition Programs*, and/or other subsequent guidance issued by the USDA. If applicable, product should be in moisture-proof wrapping and pack-code date provided.

All meat and poultry must have been inspected by the United States Department of Agriculture (USDA) and must be free from off color or odor.

- Beef must be at least 70:30 lean to fat, preferably 80:20 lean to fat.
- Poultry should be U.S. Grade A when applicable and should meet the recommendations outlined in *Specifications for Poultry Products, A Guide for Food Service Operators* from the USDA.
- For breaded and battered items, all flours must be enriched for breads/grains credit and breading/batter must not exceed 30 percent of the weight of the finished product.
- For sausage patties, the maximum fat allowed is 50 percent by weight; industry standard of 38 to 42 percent fat preferred.

All cured processed meats (bologna, frankfurters, luncheon meat, salami, others) shall be made from beef and/or poultry. No variety meats, fillers, extenders, non-fat milk solids, or cereal will be allowed. Meats must not show evidence of greening, streaking, or other discoloration.

All cheese should be firm, compact and free from gas holes; free of mold; free of undesirable flavor and odors; pasteurized when applicable; and preferably reduced or low-fat. All cheese should also have a bright, uniform, and attractive appearance; have a pleasing flavor; demonstrate satisfactory meltability; and contain proper moisture and salt content.

All fish must have been inspected by the United States Department of Commerce (USDC) and meet minimum flesh and batter/breading requirements for USDC Grade A product or a product packed under federal inspection (PUFI) by the USDC. The Agriculture Improvement Act of 2018 requires:

- Farmed fish must be harvested within the United States or any territory or possession of the United States.
- Wild caught fish must be harvested within the Exclusive Economic Zone of the United States or by a United States flagged vessel.

All fresh fruits must be ripe and in good condition when delivered and must be ready for consumption per the USDA *Food Buying Guide*. At a minimum, fruits must meet the food distributors' second-quality level. Fruits should have

characteristic color and good flavor and be well shaped and free from scars and bruises. Size must produce a yield equal to or greater than the attached 21-day cycle menu requirements.

All fresh vegetables must be ripe and in good condition when delivered and must be ready for consumption per the USDA *Food Buying Guide*. At a minimum, vegetables must meet the food distributors' second quality level. Vegetables should have characteristic color and good flavor, be well-shaped, and be free from discoloration, blemishes, and decay. Size must produce a yield equal to or greater than the attached 21-day cycle menu requirements.

All canned vegetables must meet the food distributors' first-quality level (extra fancy and fancy) and canned fruits (standard) must meet the second-quality level. Vegetables should have characteristic color and good fresh flavor and be free from discoloration, blemishes, and decay. Fruits should be packed in 100% juice or water and should be free from High Fructose Corn Syrup.

Eggs must be inspected and passed by the state or federal Department of Agriculture and used within 30 days of date on carton. Eggs should be grade A, uniform in size, clean, sound-shelled, and free of foreign odors or flavors.

Sauces, such as gravy, spaghetti sauce, pizza sauce, etc., must be smooth and uniform in color with no foreign substance, flavor, odor, or off color.

If applicable, the food production facility, manufacturing plant, and products must meet all sanitary and other requirements of the Food, Drug, and Cosmetic Act and other regulations that support the wholesomeness of products.

Meals and food items must be stored and prepared under properly controlled temperatures and in accordance with all applicable health and sanitation regulations.

All fruit and vegetables juices must be pasteurized 100 percent fruit and/or vegetable juice.

When the specification calls for "Brand Name or Equivalent", the brand name product is acceptable. Other products may be considered with proof that such products meet stated specifications and are deemed equivalent to the brand products in terms of quality, performance, and desired characteristics, as determined by the SFA.

All food items must adhere to the sodium target levels in subsequent Contract Terms, if applicable, as required by the USDA *Final Rule: Child Nutrition Program Flexibilities for Milk, Whole Grains, and Sodium Requirements* and/or other subsequent guidance issued by the USDA.

Nutrition labels or manufacturer specifications must indicate zero grams of trans fat per serving for all foods.

Fluid milk must be low-fat (1 percent milk fat or less, unflavored only) or fat-free (unflavored or flavored). Two choices must be offered daily, one of which must be unflavored as required by the USDA.
