

**WHAT: Creating Trauma Informed Homes and Virtual Classrooms in Challenging Times**

Join us for this engaging webinar! Dr. Melissa Sadin will explain the impact of social distancing and social isolation on parents, teachers and students. She will provide an explanation of how our current climate is affecting those who might have already experienced some form of trauma and those who have not. Specific strategies for creating a trauma informed home and virtual classroom will be shared. Participants will leave the session filled with strategies and hope for the future!

**WHEN:** 3 and 7 p.m. on July 7
