This Addendum provides written answers to written questions received.

Q1. When choosing your device are you picking one option or would you by any chance split the devices in half or in 3rds since there are 3 devices?

A1. The district will be purchasing one option and will not split among the devices.

Q2. Are you purchasing both Lenovo and Dell Chromebook quotes for 1,200 units each or one brand depending on the price?

A2. The district plans to purchase 1,200 units of one brand depending on pricing.

This completes Addendum #1

Please include this acknowledgment with your proposal.
