RE: **Physical Education Uniforms Bid for FY25**

ADDENDUM #1

This Addendum provides written answers to written questions received.

Q1. Can you please provide the artwork for the shirts? What is the nameplate? Please send a photo of what the current shirts look like. What logo on the pants?

A1. See images on below pages.

Q2. On the Addison Trail items, some of the quantity pricing lines have “x’s”, just wondering if that is a typo?

A2. Yes, the 'x's are typos. If there is a quantity requested and you would like to price out that item please do.

Q3. On the Addison Trail specs for Item 1 (tees), it says Printing/Graphic on back but does not list amount of print colors. On Item 2 (the short) it does not say amount of print colors.

A3. There is one print color for shirts. There is one print color for shorts.

This completes Addendum #1
