EDUCATIONAL FOCUS ITEMS**English Department Common Core Standard Presentation**

The English teachers have worked to create a District 88 writing rubric that is aligned to the Common Core and is now being used across the English classes as well as the other content areas. All English classes 9-11 have been aligned to the Common Core English Language Arts standards and both buildings are using the same common assessments to ensure that all students are gaining the skills they need to be college and career ready. Writing is being incorporated throughout all content areas and with the use of Mastery Manager, longitudinal data is now being collected on D88 student progress towards the writing standards.
