COURSE LISTING GUIDE

Art teachers: Mrs. Piedra, Mr. Epple and Ms. McNamara

## Art Department Flow Chart of Class Sequences

### **Intro to Art 2-D:**

Drawing, Painting, Cartooning,  
Computer Art, Design  
1 semester – 1 credit

(This class OR Intro to 3-D must be  
taken before the following  
classes can be taken)

**Drawing 1 / Drawing 2**  
1 semester/1 credit each

**Painting 1 / Painting 2**  
1 semester/1 credit each

### **Intro to Art 3-D:**

Clay, Sculpture, Jewelry, Glass  
1 semester – 1 credit

(This class OR Intro to 2-D must be  
taken before the following  
classes can be taken)

**Clay 1 / Clay 2 / Clay 3**  
1 semester/1 credit each

**Jewelry / Sculpture**  
1 semester - 1 credit

## **Advanced Placement Studio Art**

**2 Semesters – 2 Honors Credits**

**Students select from AP Drawing Portfolio,  
AP 2D Portfolio or AP 3D Portfolio**

Courses below may be taken as a Freshman through Senior  
without a pre-requisite course required.

**Animation & Cartoon Drawing 1 & 2** - 1 semester each – (1 credit each)

**Advanced Animation** - 1 or 2 semesters – (1 credit each)

**Graphic Design 1 and 2** – 1 semester each – (1 credit each)

# INTRODUCTION to 2D

This is a general introductory art course which deals with the principles of two dimensional design and composition. Students will learn drawing, painting, cartooning and computer art completing still life drawings, portraits, digital drawing, design and cartoons. Significant 2-D art from the past and present will be explored.

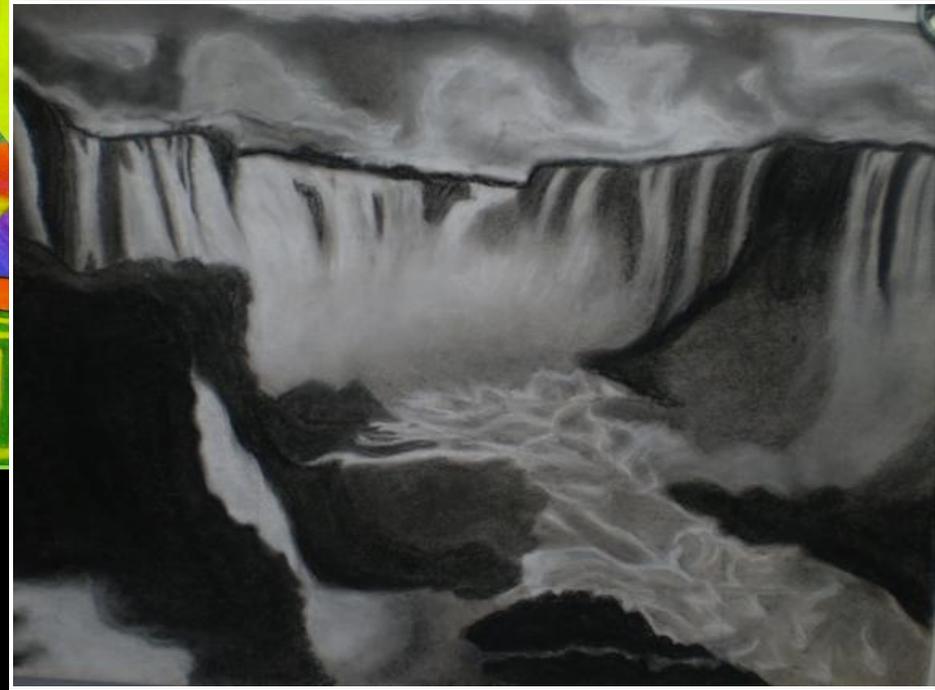

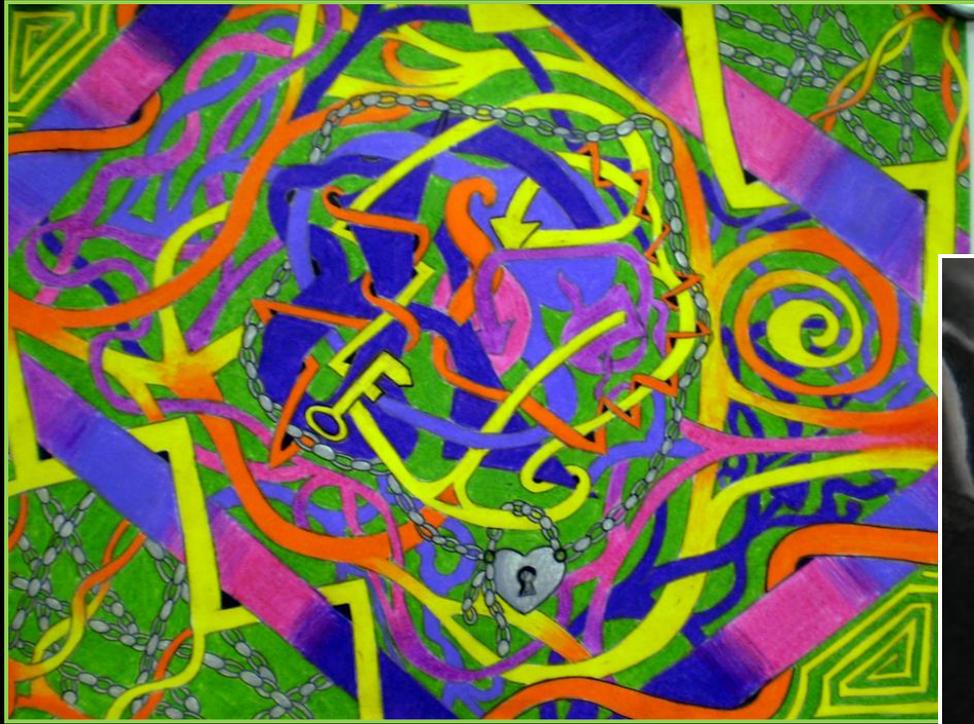

This course (or Intro to 3-D) is a prerequisite for drawing and painting classes. *Semesters: 1*

**No prerequisite – This class may be taken as a Freshman**

INTRODUCTION to 2D

# Intro - Graphic Design Unit

INTRODUCTION to 2D

# Intro – Drawing and Design

INTRODUCTION to 2D

# Intro – Watercolor Unit

INTRODUCTION to 2D

# Intro – Cartooning Unit

# INTRODUCTION to 3D

This is an introductory, **3**-dimensional art course designed to be welcoming for students of all artistic experience levels. Students will learn the elements of art and the principles of 3-dimensional design and composition through a variety of art projects in sculpture, pottery, and jewelry. Students will learn to work with clay, wire, glass, foam, and found objects.

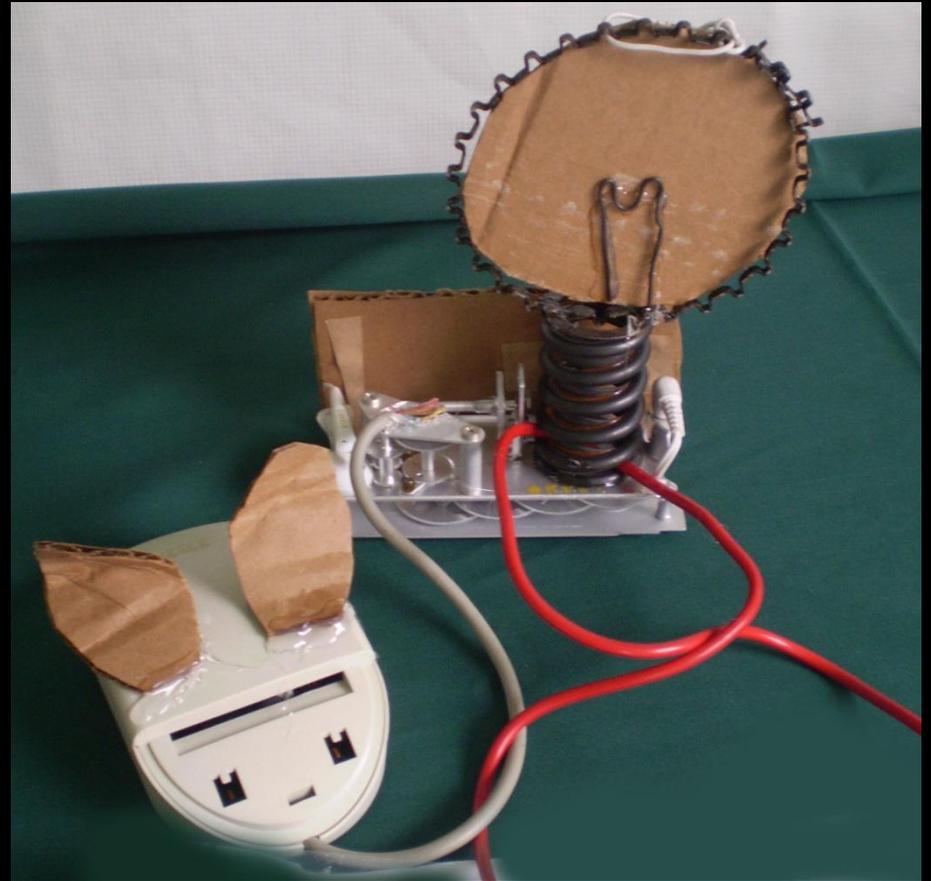

This course (or Intro to **2**-D) is a prerequisite for jewelry and clay classes. *Semesters: 1*

**No prerequisite – This class may be taken as a Freshman**

INTRODUCTION to 3D

# Ceramics and Glazing

INTRODUCTION to 3D

# Assemblage Sculpture

INTRODUCTION to 3D

# Hand Built Clay

INTRODUCTION to 3D

# Wire Sculpture

INTRODUCTION to 3D

# Fused Glass Jewelry

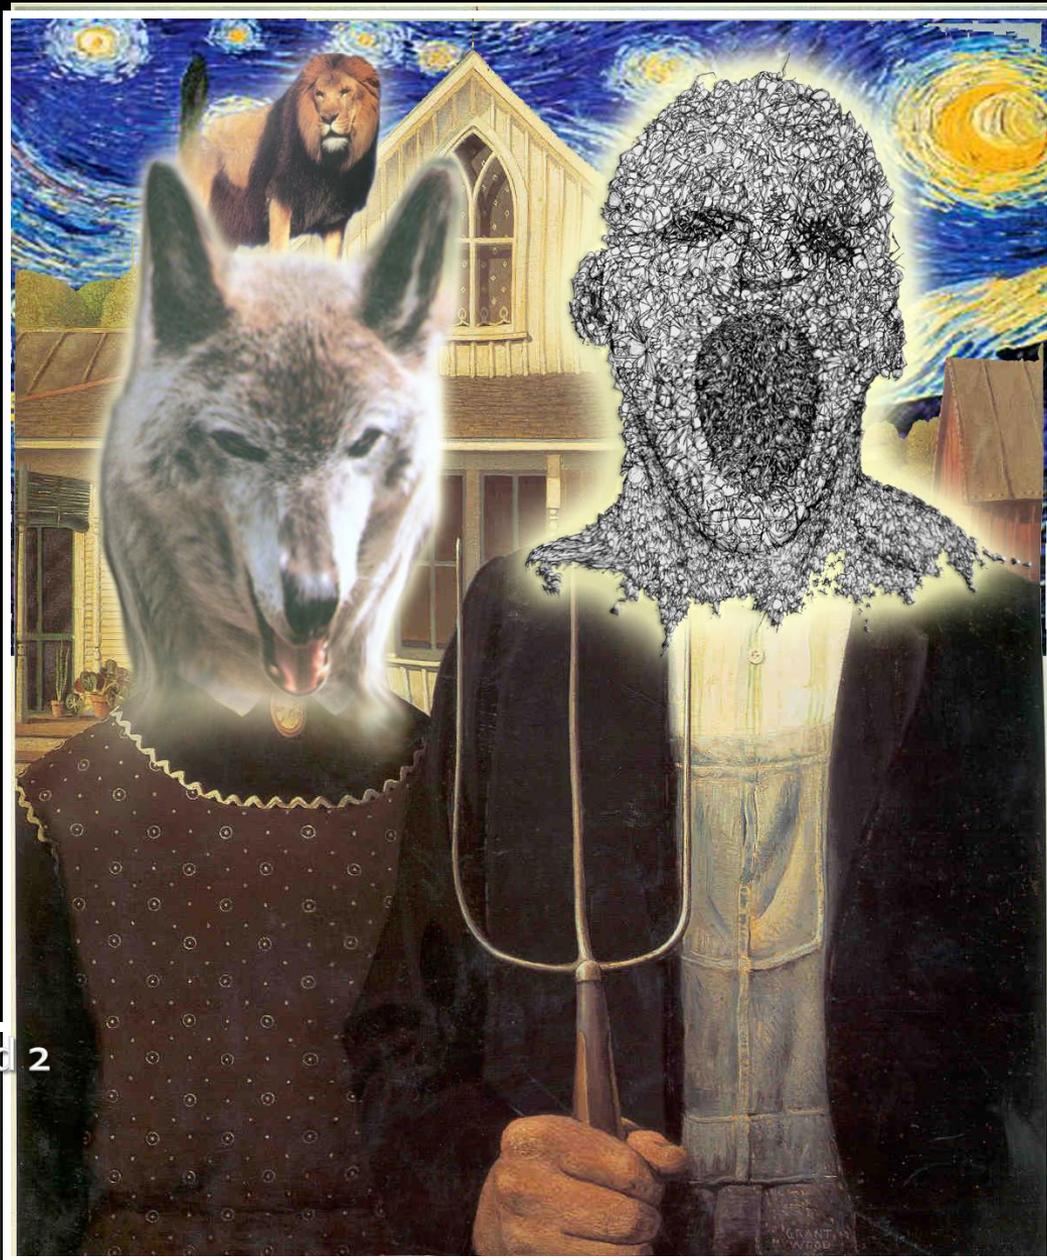

# GRAPHIC DESIGN

## 1 and 2

These courses explore the use of computer-generated art as an introduction to the computer as an artistic tool. Adobe Photoshop, Illustrator and InDesign are the software programs that will be used to alter and manipulate images and typography in order to create strong designs and compositions.

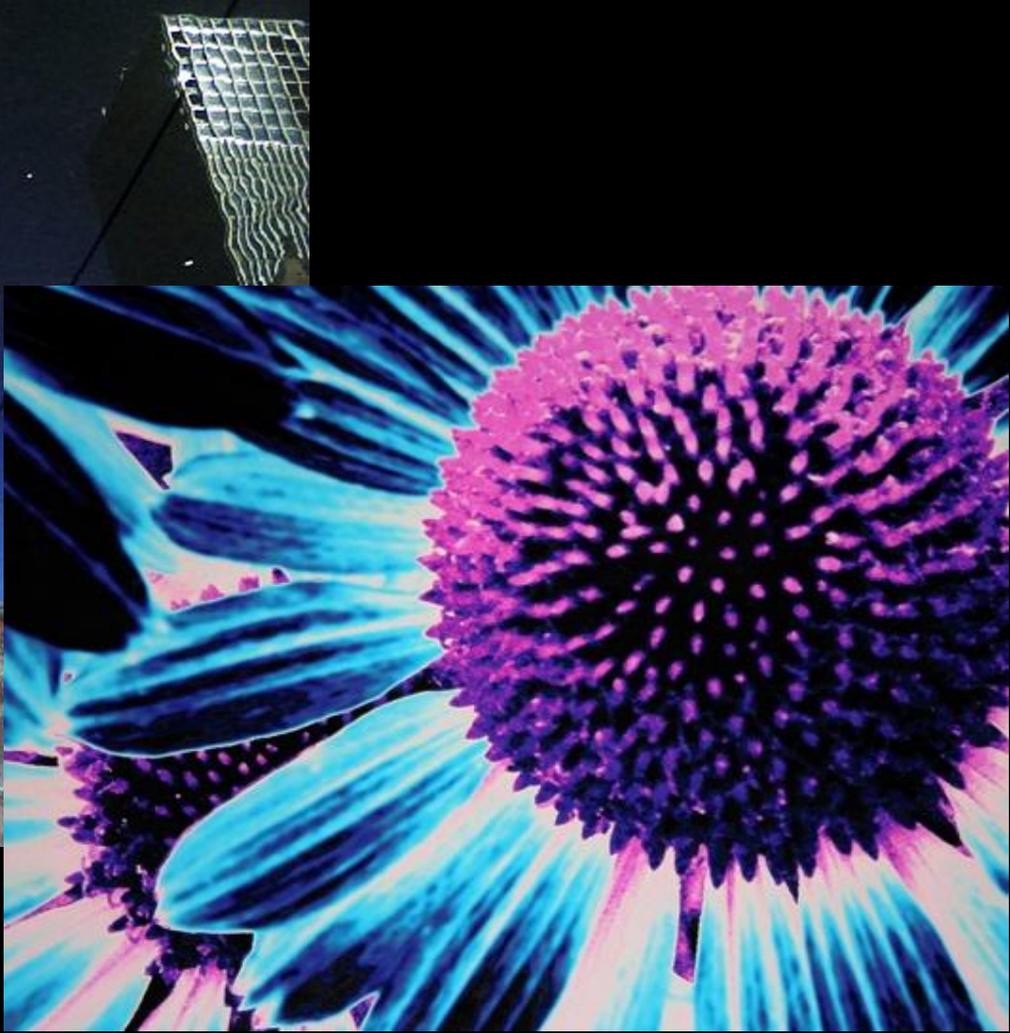

You will make CD packages, concert posters and tickets, portraits, photo collages, optical illusions, logo symbol design, letterhead mailers, magazine covers, restaurant menus, candy box designs and digital images. *Semesters: 1 each*

**No prerequisite – This class may be taken as a Freshman**

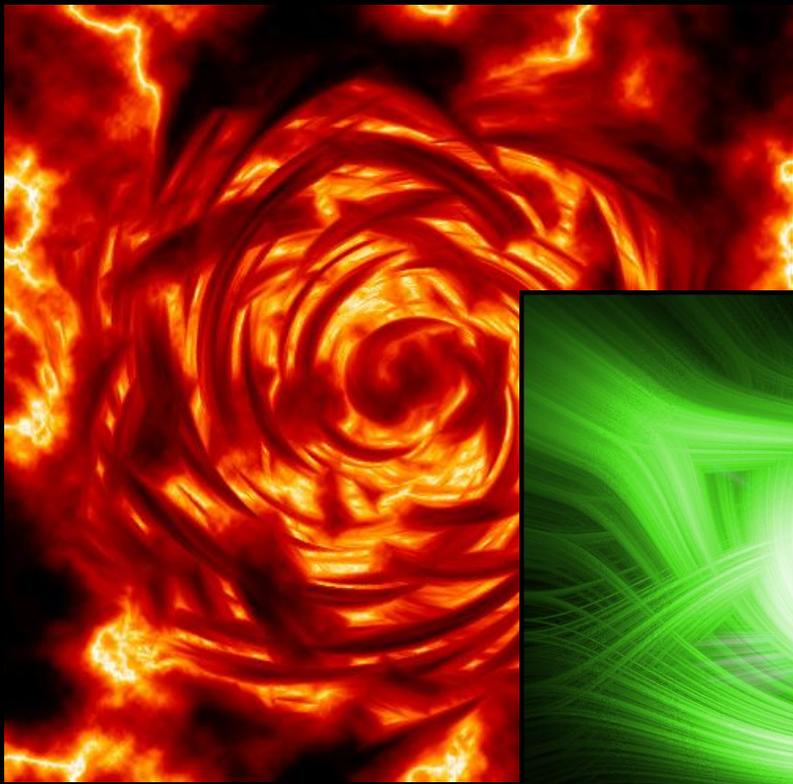

Graphic Design 1 and 2

# Image Manipulation

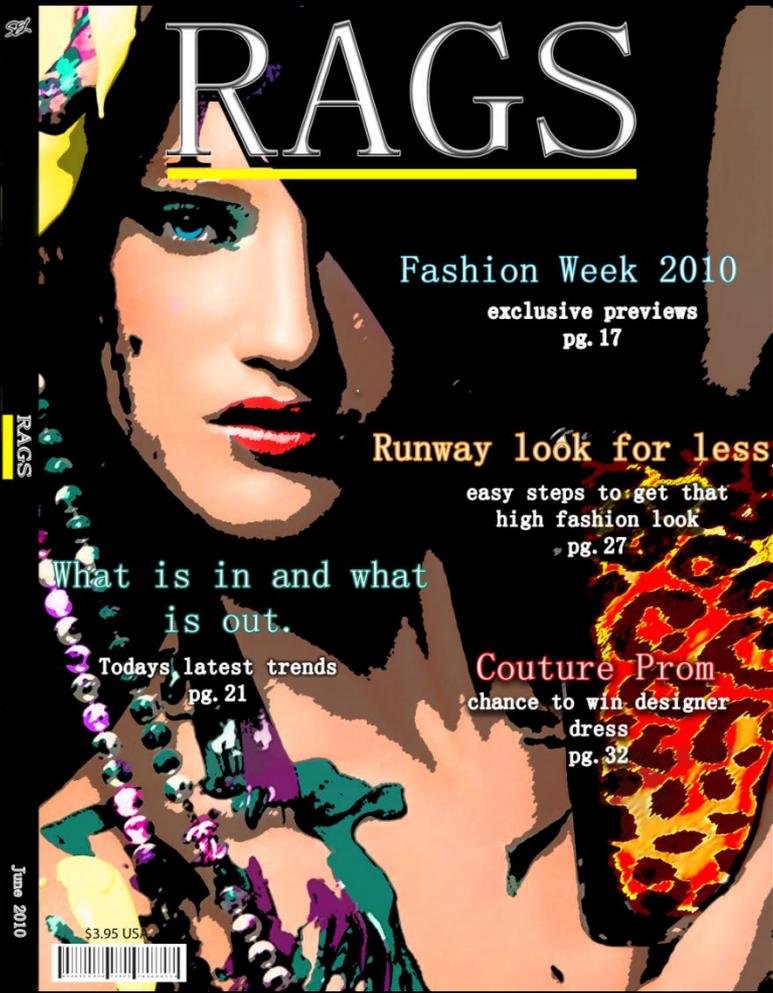

Graphic Design 1 and 2

# Digitally Enhanced Photographs

Graphic Design 1 and 2

# Photoshop Filter Techniques

Graphic Design 1 and 2

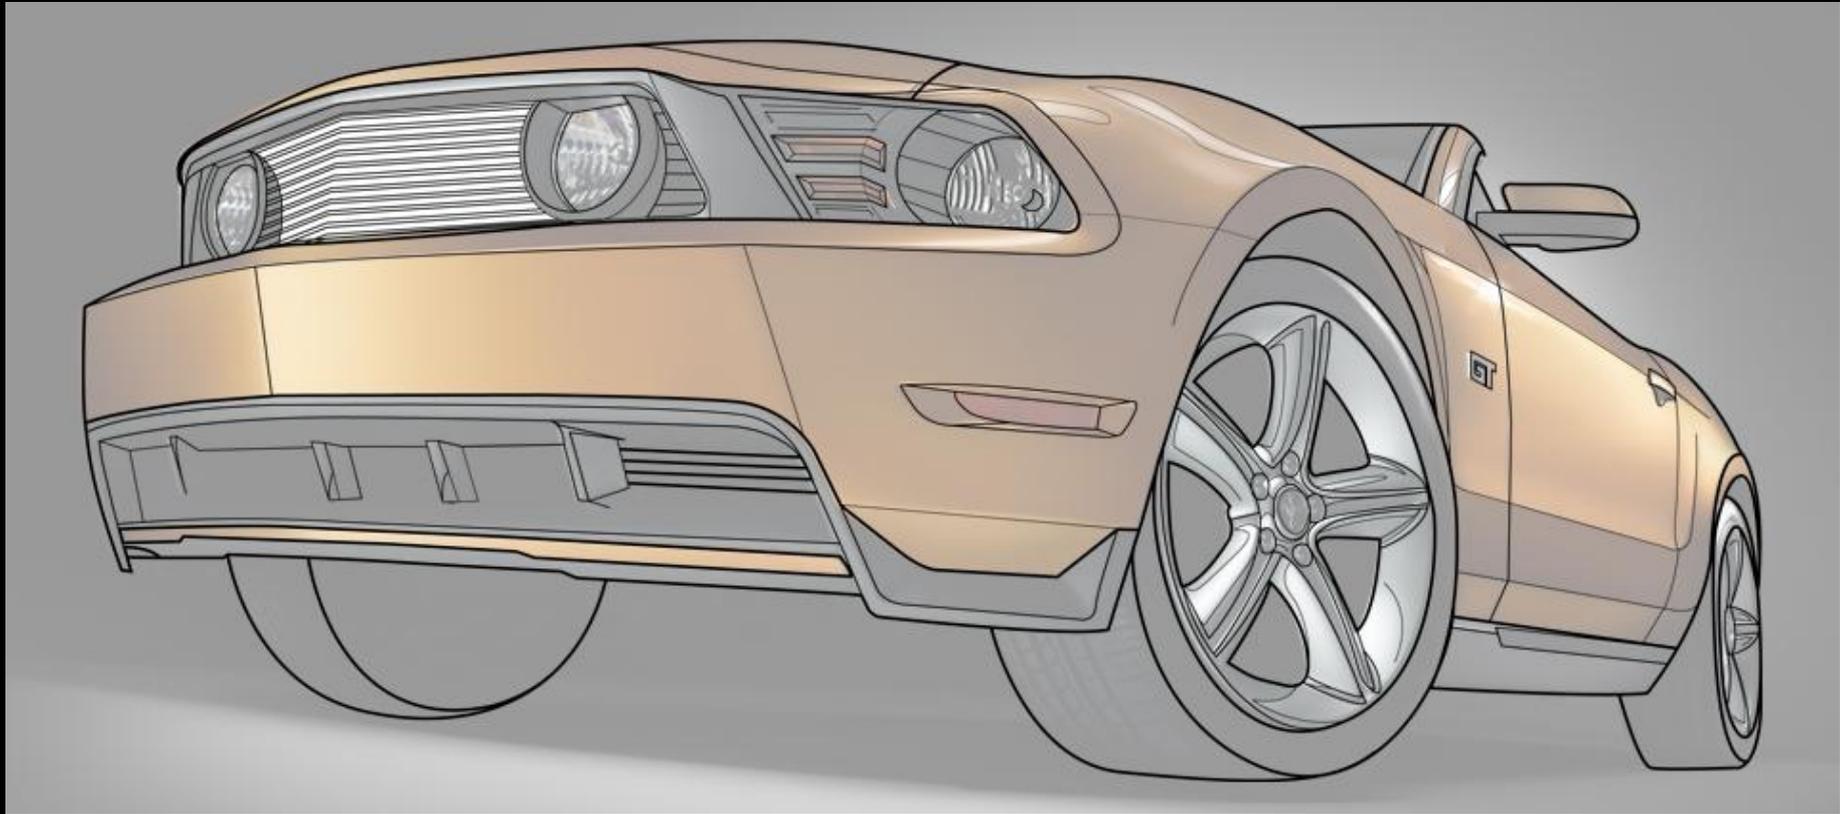

# Magazine Cover Design with Subscription Mailer

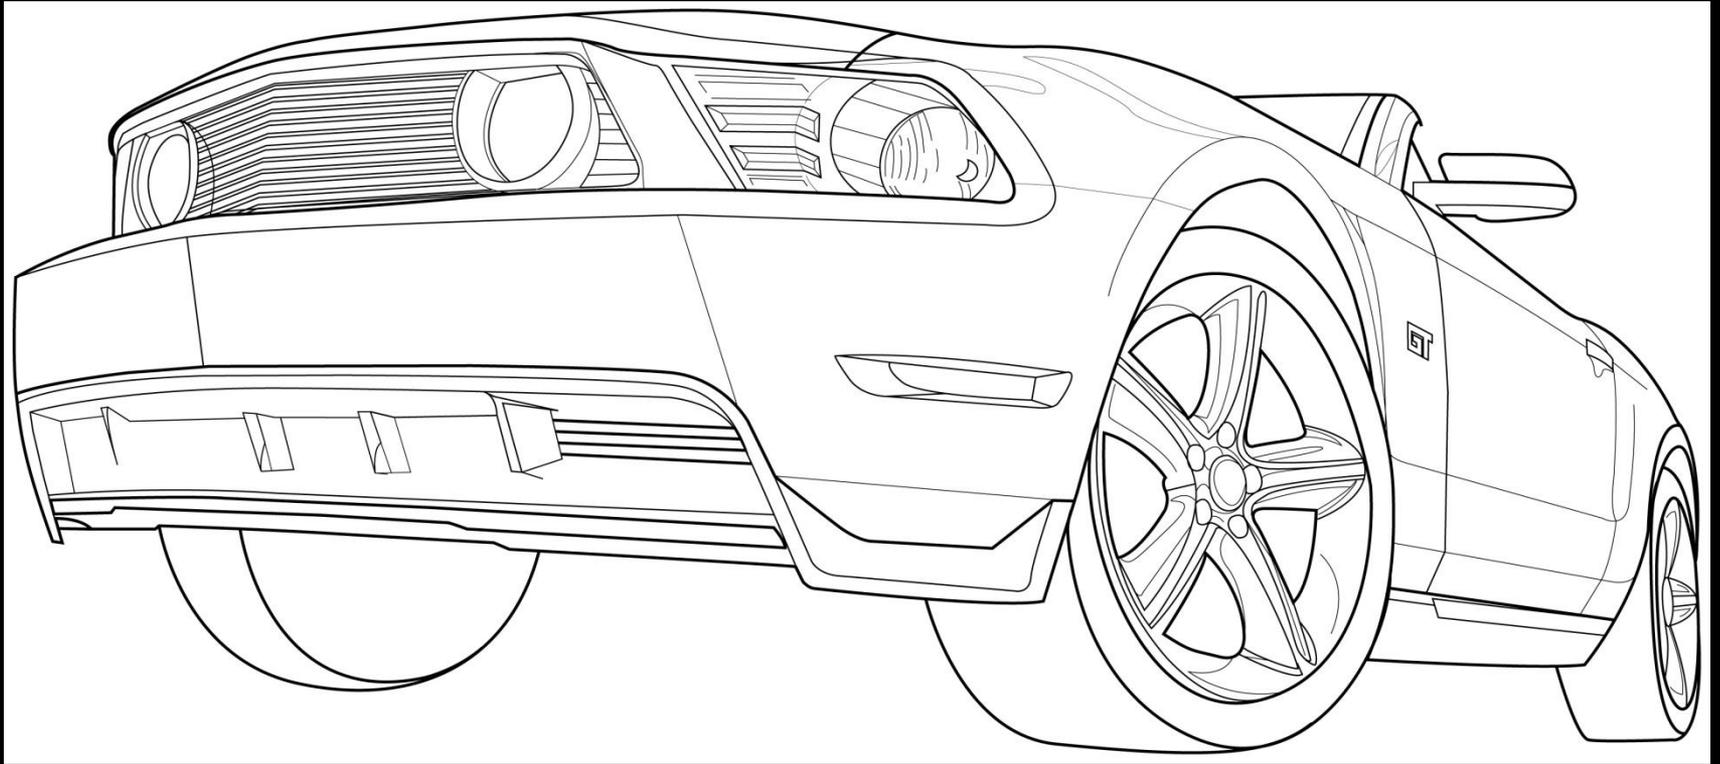

Graphic Design 1 and 2

# Adobe Illustrator and Photoshop

**Step 1: Outline photo in Adobe Illustrator**

**Step 2: Import into Photoshop and colorize**

Graphic Design 1 and 2

**Advertising Design – Product Illustration**

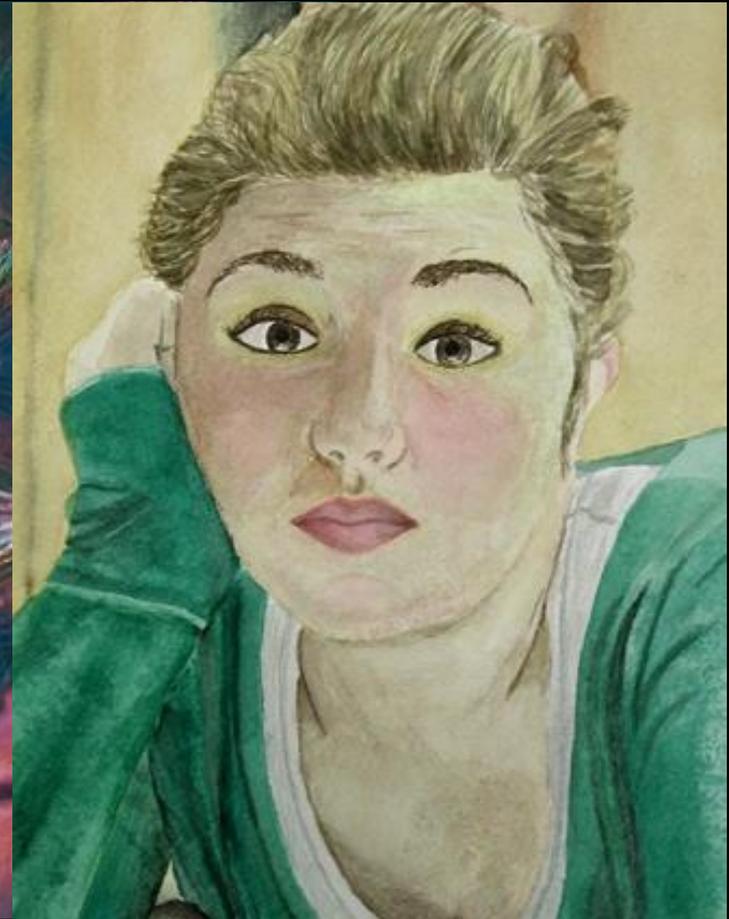

**Finished Photoshop Drawing**

# Painting 1 and 2

This is a class that will teach you the fundamentals of painting and color theory. **Oil, Acrylic, Ink** and **Watercolor** are the basic painting techniques that will be learned and you will complete landscapes, portraits, still lives, animal portraits, abstract and collage paintings. *Semesters: 1 each*

**Prerequisite – Intro to 2D**

*Prerequisite waived for seniors*

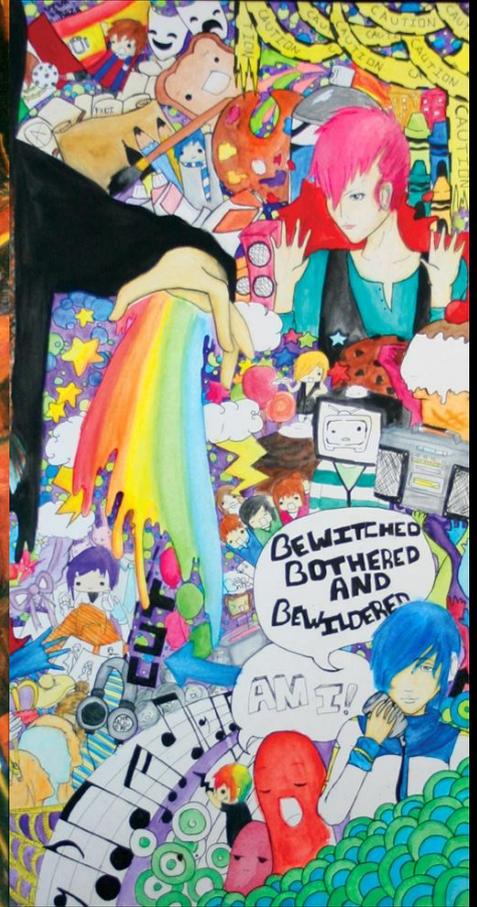

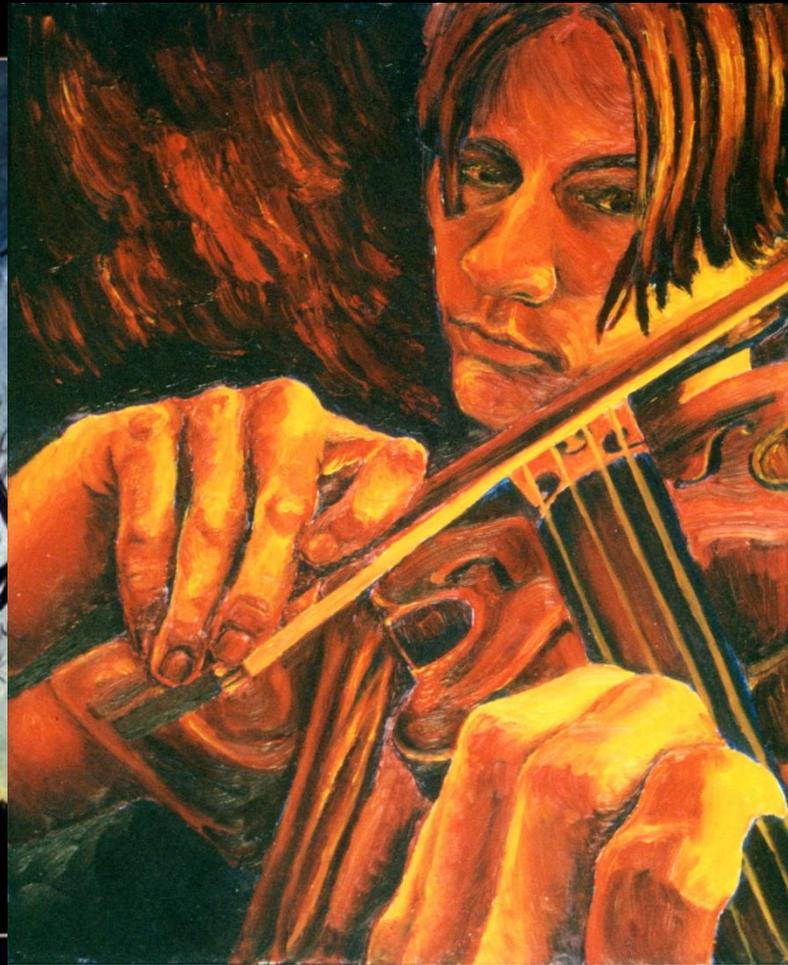

Painting 1 and 2

# WatercolorPortraits

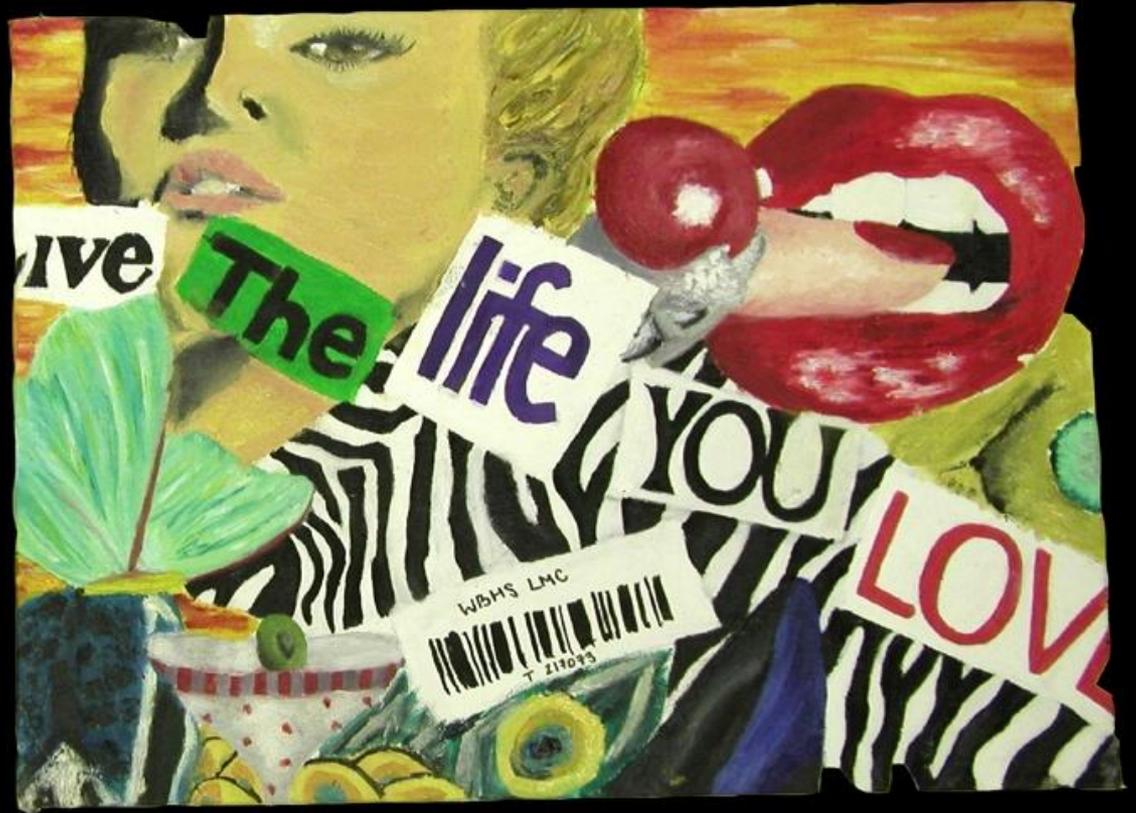

Painting 1 and 2

# Still Life Oil Painting

Painting 1 and 2

# Watercolor and Oil Painting

You make a collage from magazine pictures, crop it, enlarge it and paint it.

Painting 1 and 2

# Collage Oil Painting

# Drawing 1 and 2

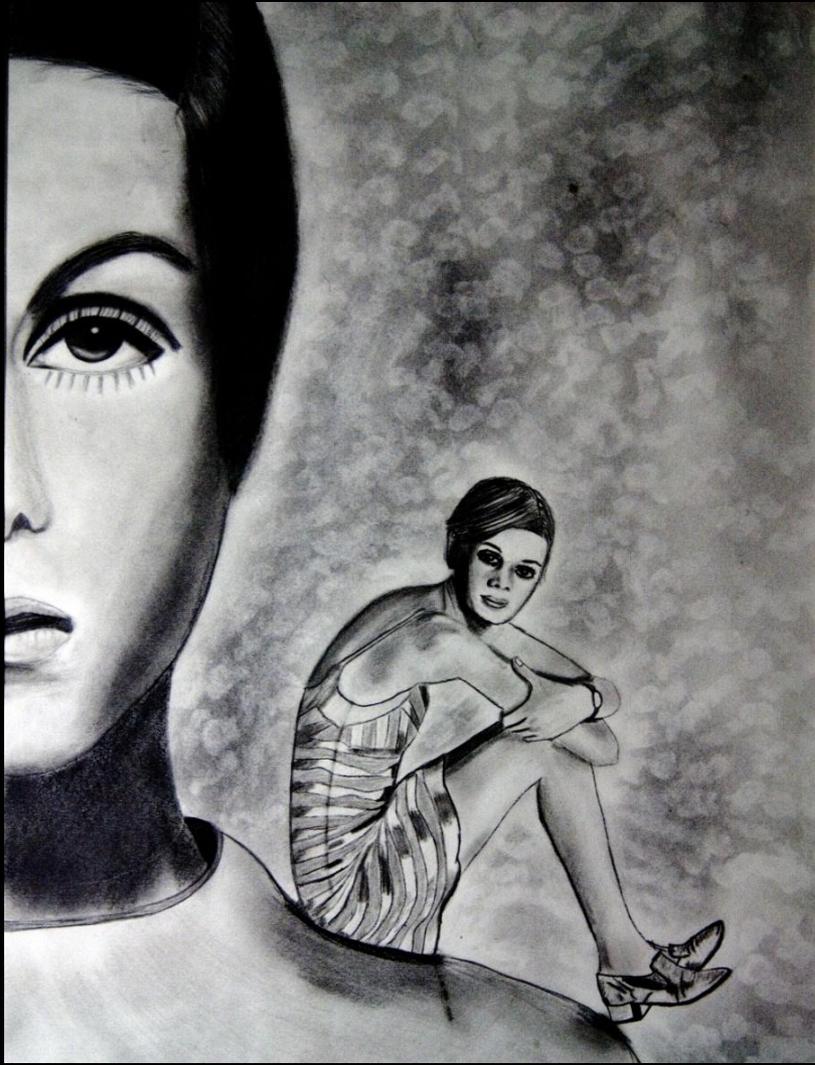

This is a course that explores both traditional and imaginative drawing techniques and materials. You will learn the fundamentals of sketching and drawing using a variety of media including pencil, pen and ink, pastels, colored pencils, markers, and charcoal. Projects include still lifes, landscapes, portraits, figure drawing, abstract designs and animal sketching. *Semesters: 1 each*

*Prerequisite: Intro to 2-D or 3-D. Prerequisite waived for seniors*

Drawing 1 and 2

# Graphite Pencil

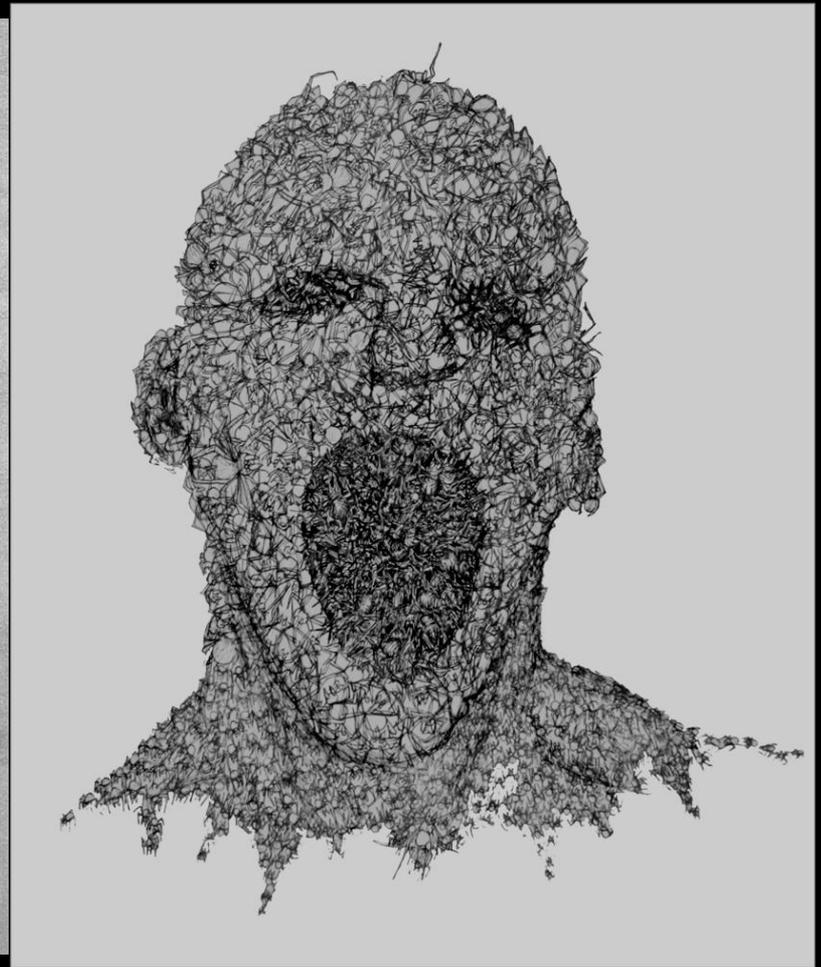

Drawing 1 and 2

# Micron Pen and Pencil

Drawing 1 and 2

# Ink and Brush

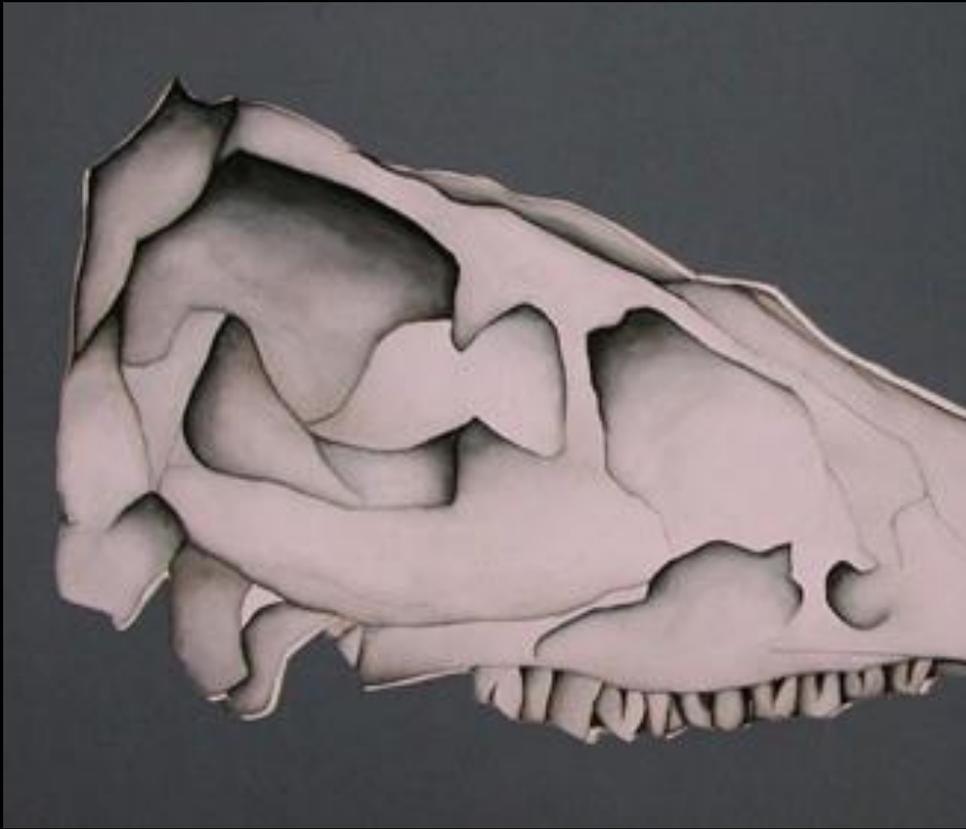

Drawing 1 and 2

# Pencil and Micron

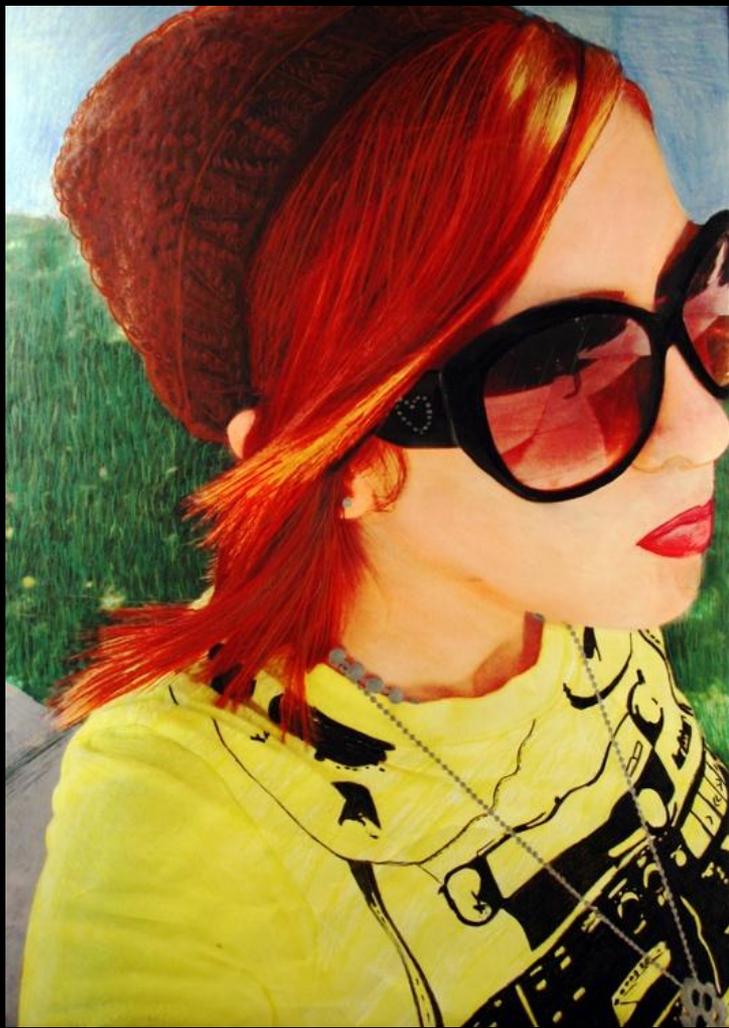

Drawing 1 and 2

# Colored Pencil

Drawing 1 and 2

# Charcoal

Drawing 1 and 2

# Pastel Chalks

Drawing 1 and 2

# India Ink and Marker

# Altered Book Arts

# Clay 1, 2 and 3

These courses teach you methods of working with clay. Emphasis is placed on quality, creativity and craftsmanship. *Semesters: 1 each*

You will learn hand building, sculpting, glazing techniques and throwing on the potter's wheel.

**Prerequisite: Intro to 3D for Clay 1**

*Prerequisite waived for seniors.*

Clay 1, 2 and 3

# Hand Built Clay

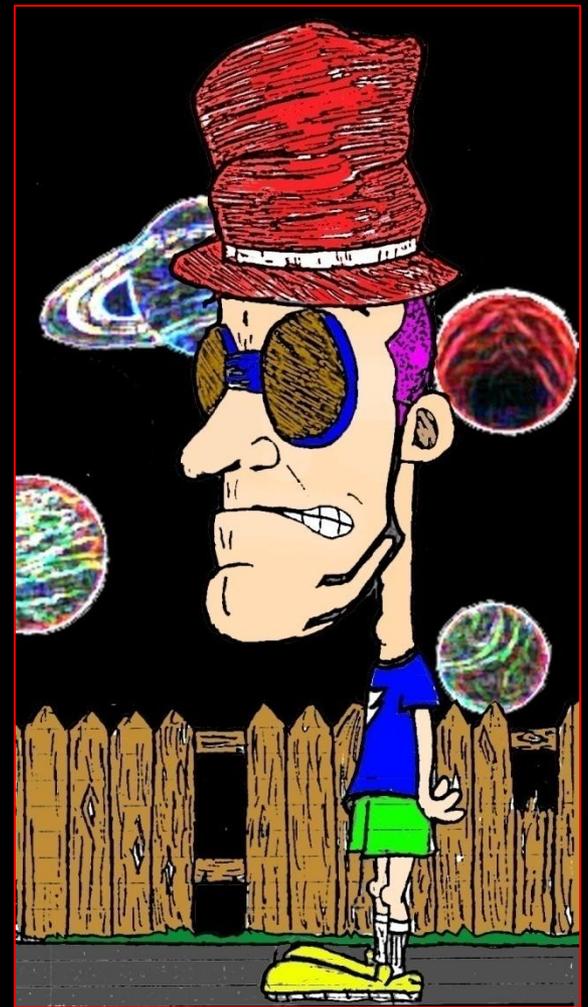

Clay 1, 2 and 3

# Wheel Thrown Pottery

# Animation and Cartoon Drawing 1 and 2

This course will introduce students to basic drawing techniques in the field of cartooning and animation. Single-panel cartoons, editorial cartoons, caricatures, original characters, comic strips, comic books/graphic novels will be learned. A drawn animation with storyboards will be filmed and edited using the computer. You will learn claymation, cut-paper animation, character development, storyboarding, publishing, filming and editing.

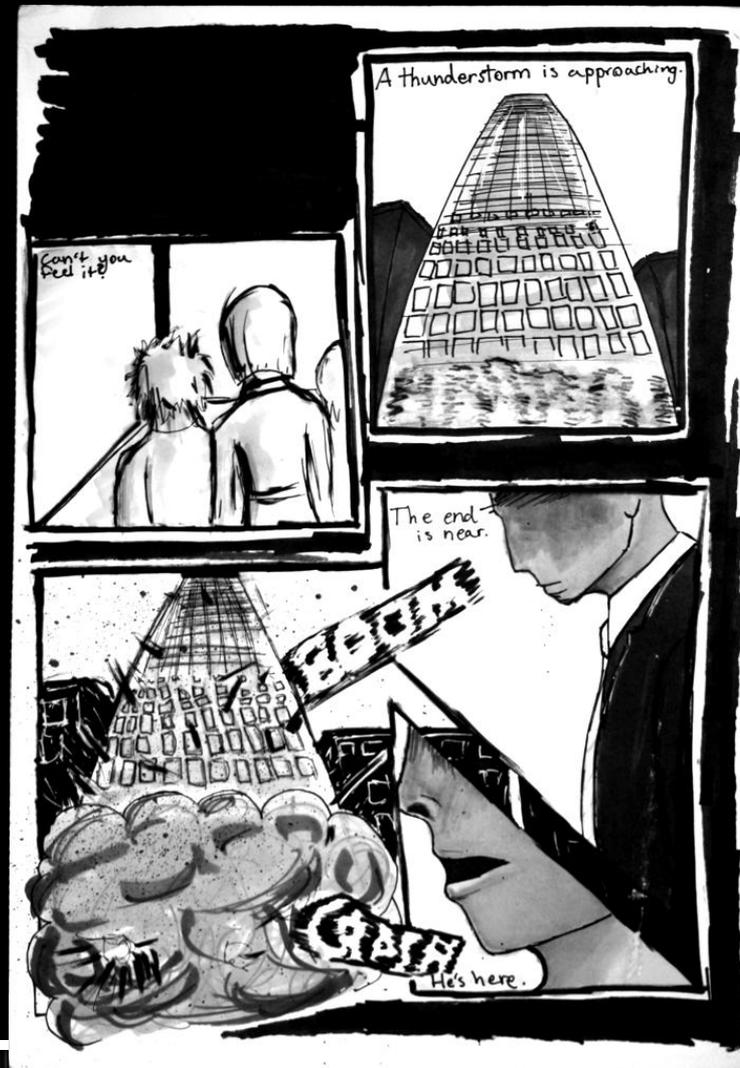

**No prerequisite – This class may be taken as a Freshman**

Animation and Cartoon Drawing 1 and 2

# Cartoon Model Characters

Can't you feel  
It?

A thunderstorm  
is approaching.

The end is near.

He's here.

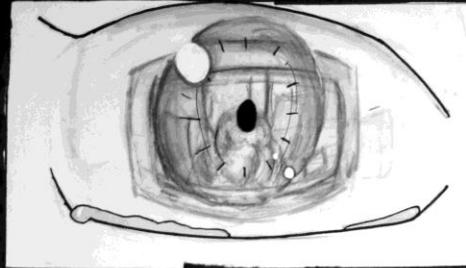

Animation and Cartoon Drawing 1 and 2

# Graphic Novel – Telling a story

## **Chapter 1.**

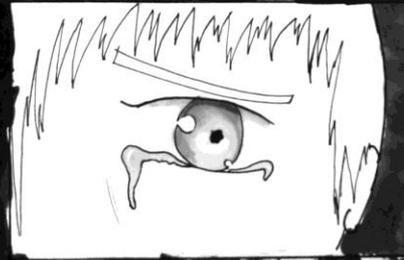

## **The Storm**

My mother  
died on

My mother  
died on

that dreadful  
day,

the day that  
I swore that  
I'd avenge her.

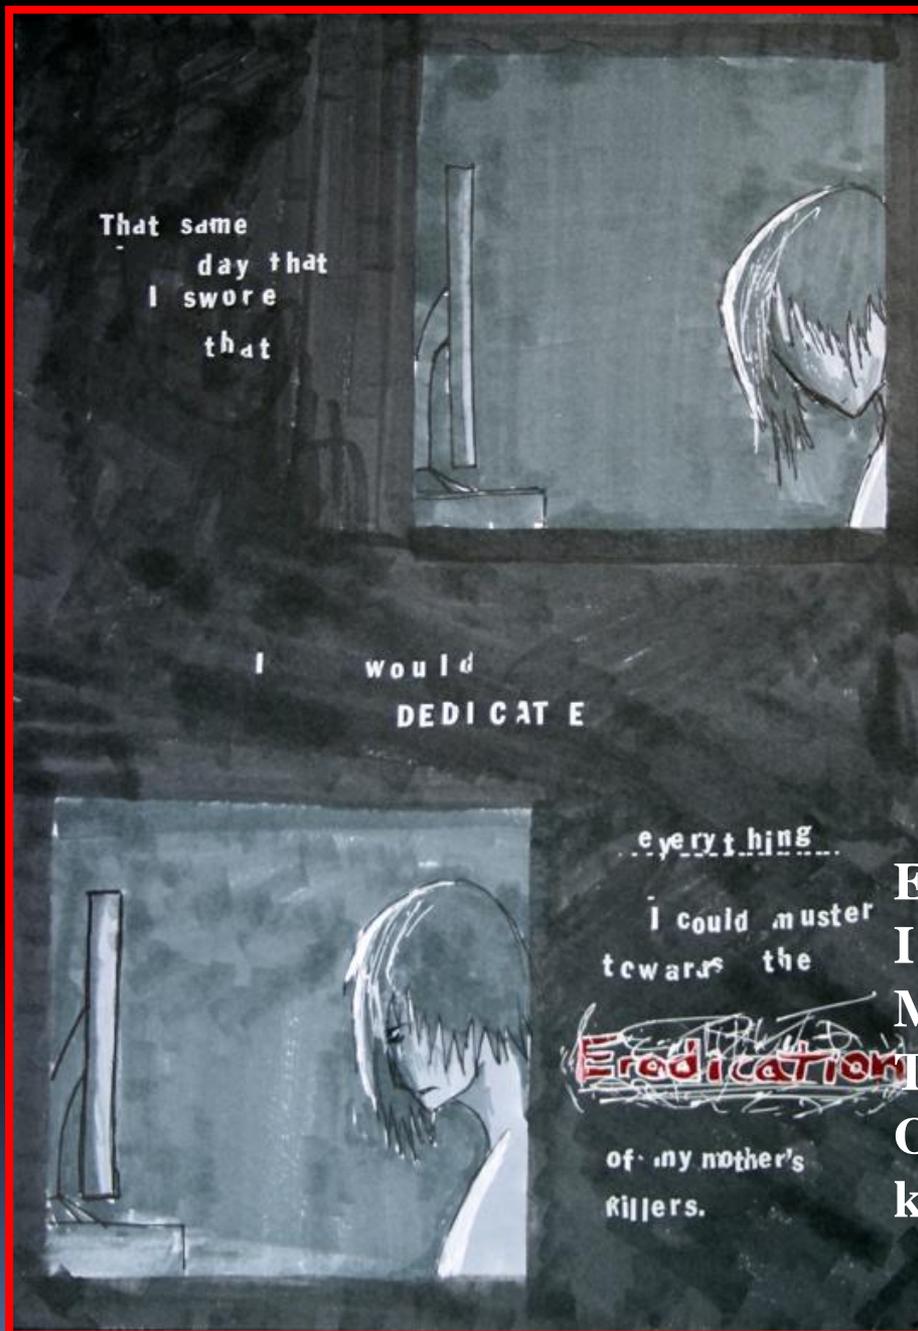

The day that  
I swore that  
I'd avenge her

that dreadful  
day,

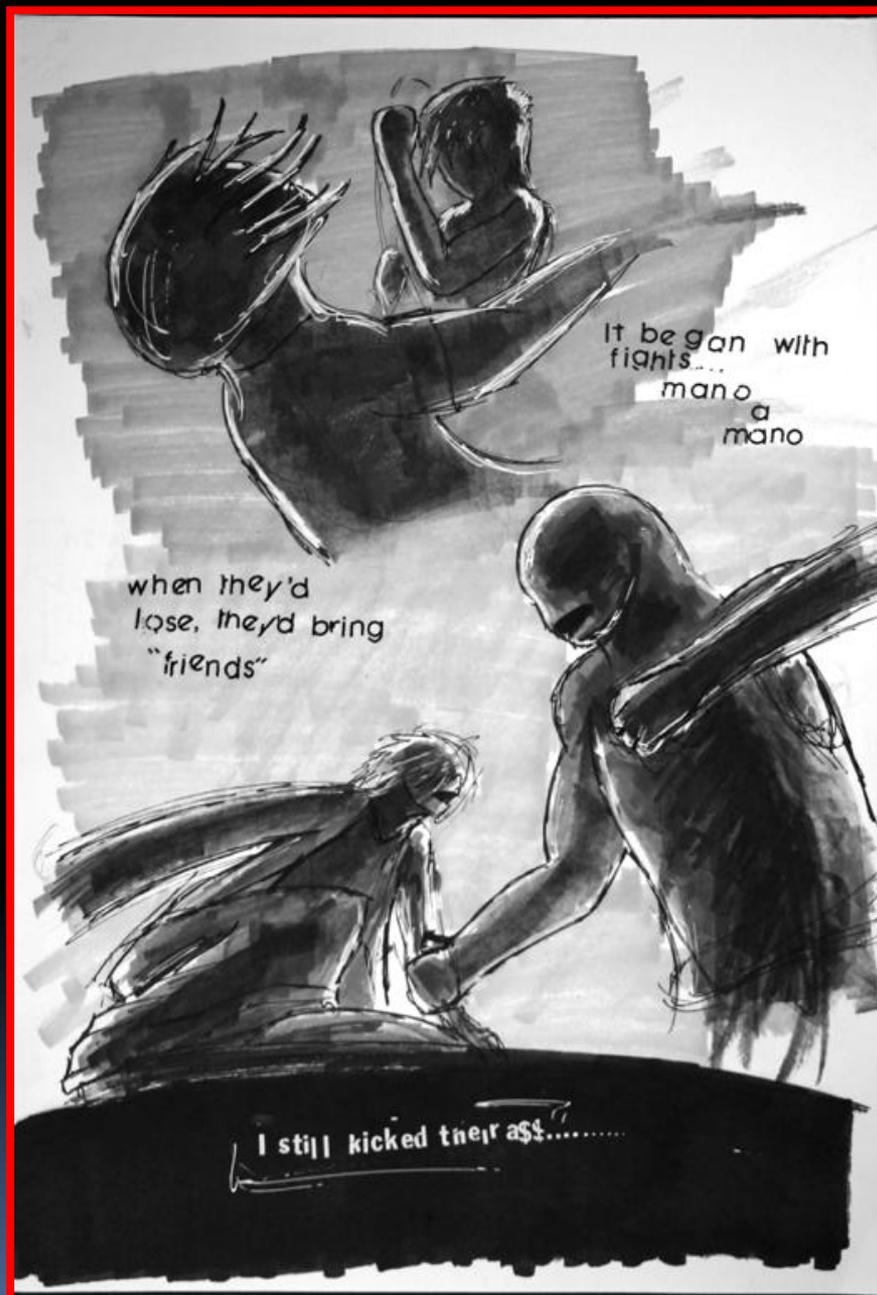

That same day  
That I swore  
That

I would  
DEDICATE

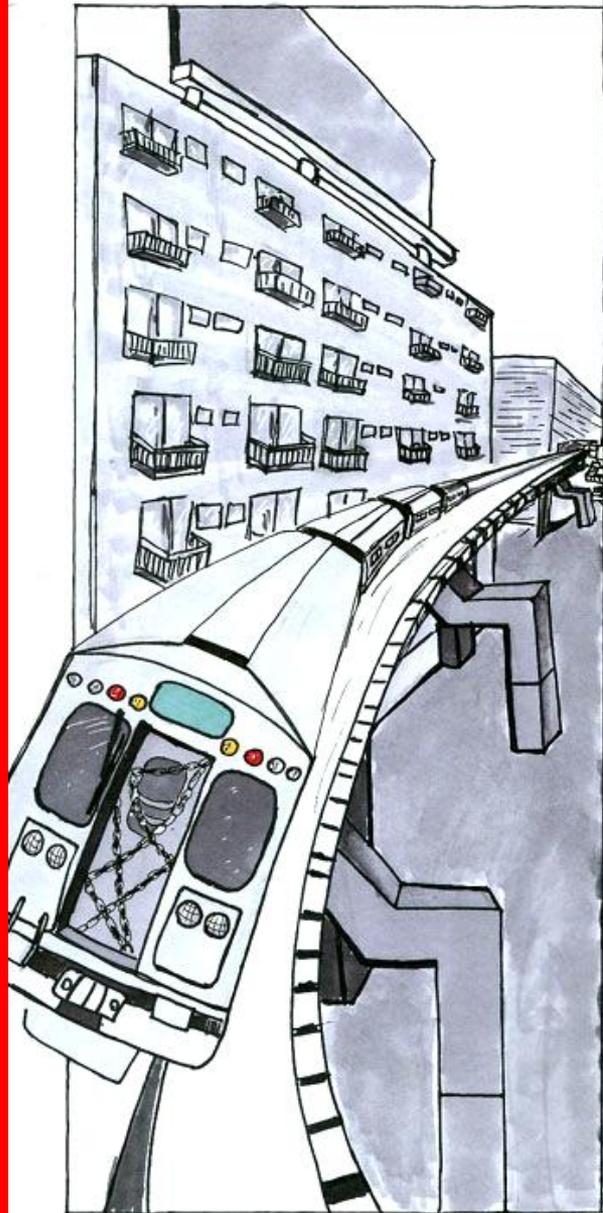

Everything  
I could  
Muster towards  
The eradication  
Of my mother's  
killers

**When they'd  
Lose, they'd  
Bring "friends"**

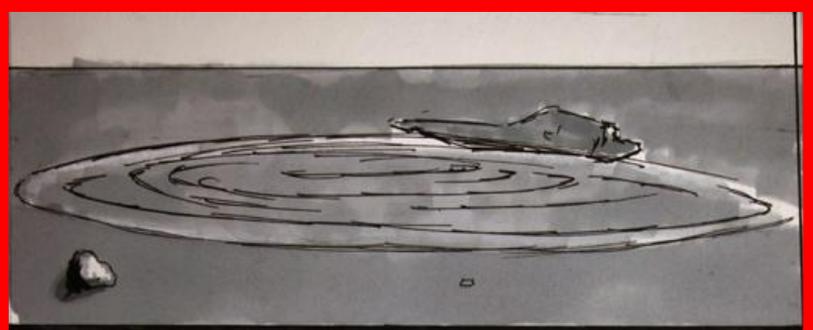

**It began with  
Fights...  
Mano a  
mano**

**I still kicked their ass.....**

Until I  
met  
The Legion

Until I  
Met  
The Legion

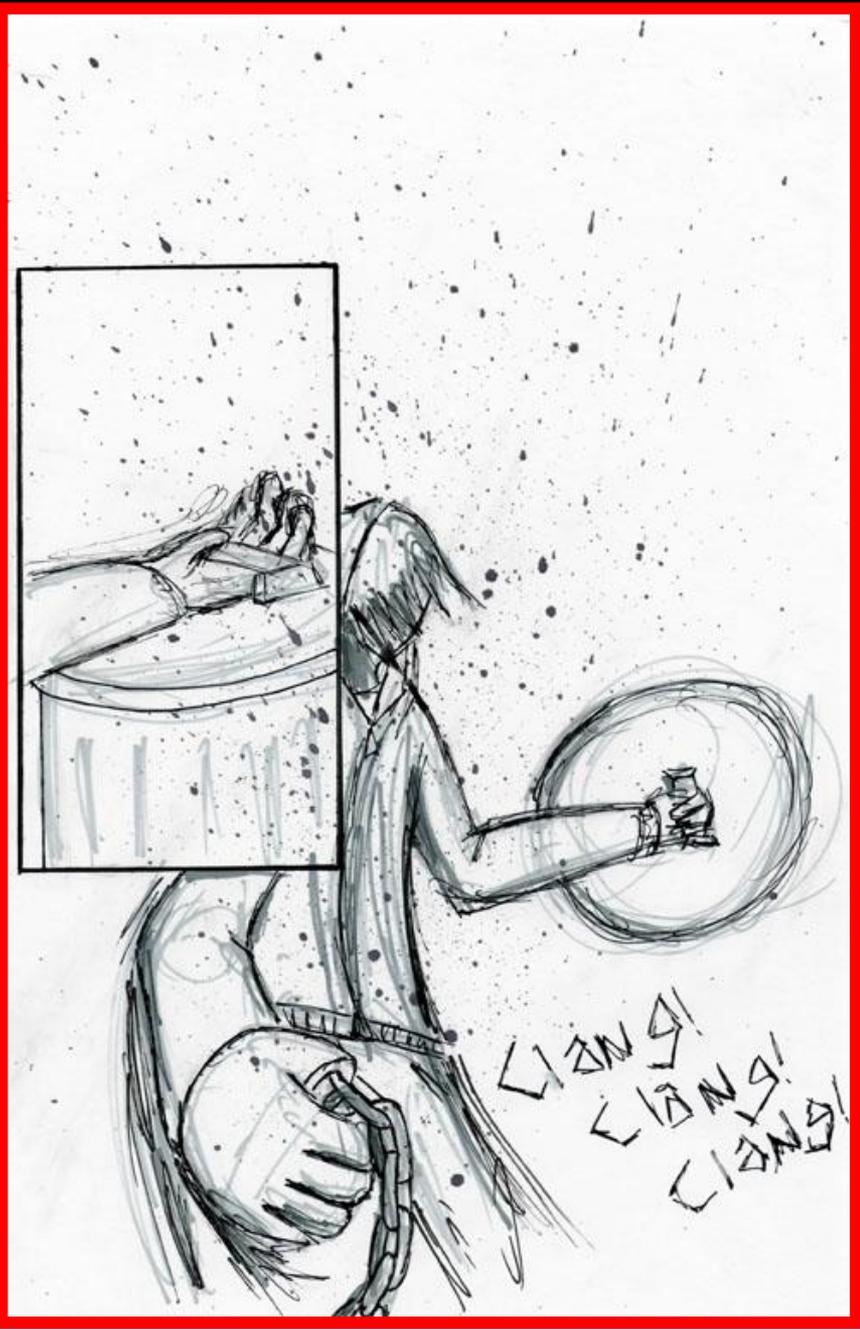

The real deal.

They bear  
the mark,  
Six  
Six  
six.  
I never thought  
I'd hate A  
number so  
much.

**Look what we  
Got here...**

Let the games  
begin.

Let the games  
Begin...

# ADVANCED ANIMATION

If you are interested in going into the growing field of animation you need to have a block of studio time to produce animations to be used for scholarship opportunities and admission into art schools. Advanced Animation allows you to have time to work on an in-depth semester long project. In addition to working in a more independent manner, you will learn new computer software that allows you to add special effects and sound layers to their animations.

Past student films created during this class have been featured in The Ottawa Animation Festival in Canada and Chicago Youth Film Festival.

**Prerequisite: Animation 1 / Animation 2 or instructor's permission.**

**Semesters: 1 (may also be taken for 2 semesters)**

# Jewelry and Sculpture

This course is designed for students to explore **3-Dimensional** art and design on both a small and large scale. Original art jewelry will be created in glass, copper, brass, silver, and semi-precious stone setting, and original sculpture will be explored in clay, wood, wire, glass, plaster, and found objects with an emphasis on creativity, composition, and craft. Both additive and subtractive jewelry and sculpture processes will be explored along with mold making processes.

**Prerequisite: Intro to Art 3-D or Intro to Art 2-D.**

*Prerequisite waived for seniors.*

**Semester: 1**

Jewelry and Sculpture

# Fused Glass Jewelry

Jewelry and Sculpture

# Cast Silver

Jewelry and Sculpture

# Cut and Pierced Silver

Jewelry and Sculpture

# Found Object Jewelry

Jewelry and Sculpture

# Etching

# ADVANCED PLACEMENT STUDIO ART

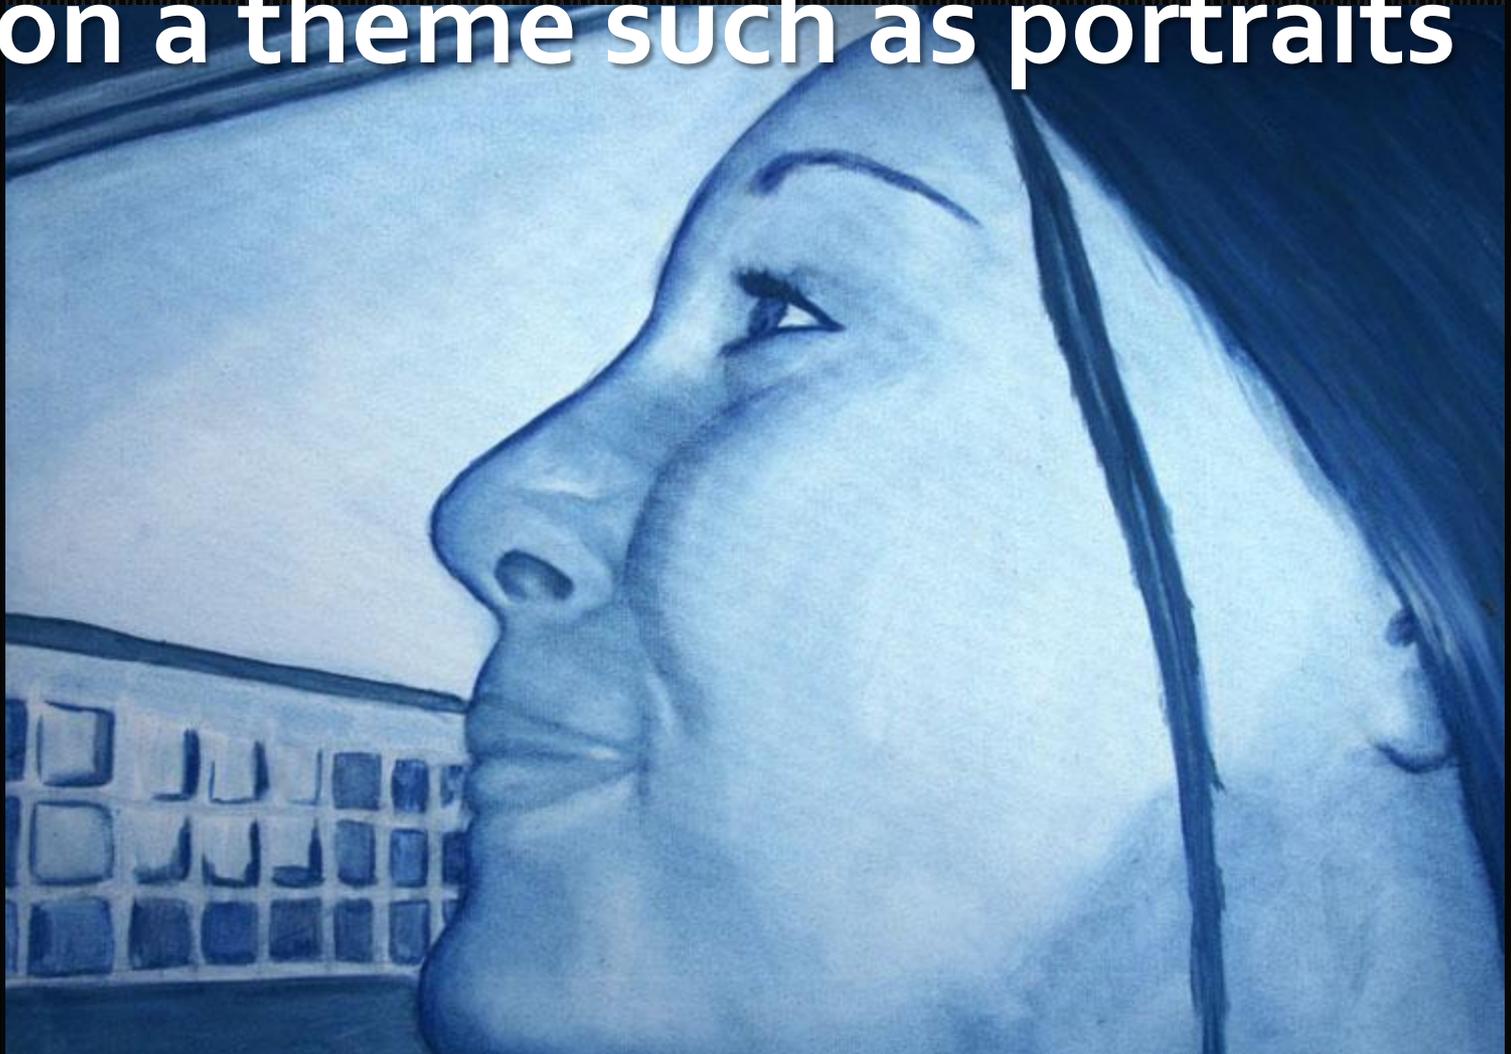

## 2 Honors Credits

The Advanced Placement Studio offers a choice of AP Drawing, AP **2-D** Design, and AP **3-D** Design. These classes are intended for independent art students who wish to develop individual skills, style, and technique along with a portfolio of work. This course is meant to provide students with an experience equivalent to a college level foundations class.

Students will work on self-directed as well as teacher-directed assignments and will learn how to shoot professional quality photographs of their work. The Advanced Placement Art Exam is offered in May at an additional cost.

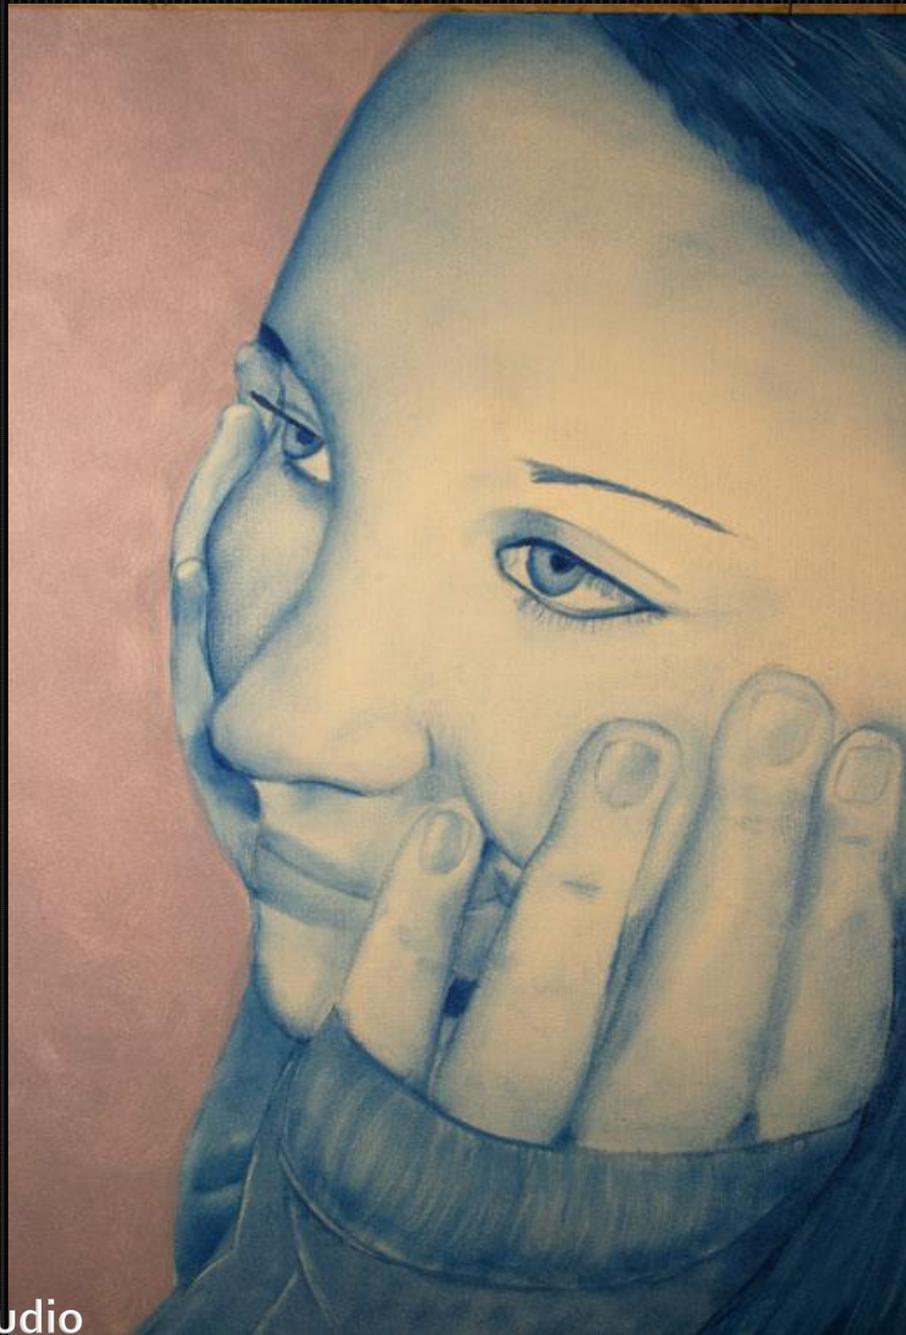

**Semesters: 2 – A year long class with Honors credit**

**In AP Studio you concentrate  
on a theme such as portraits**

**Monochromatic Oil Painted Portraits by Jamie Krueger**
