**Recognition of District 88 Successes**

Recognition- Class of 2020

Recognitions included:

Yard-sign distribution: Staff members, legislators, community members, local first responders, village leaders, and representatives from intergovernmental agencies volunteered to distribute signs to the members of the Addison Trail and Willowbrook class of 2020.

Graduation material pickup: Seniors were able to come to the schools (while staying in their cars and maintaining social distancing) to receive all applicable end-of-year items, including each student's graduation cap and gown, cords, diploma, recognition certificates, yearbook, banners for student-athletes and more.

Commencement ceremonies: ATHS graduated 430 seniors, and WBHS graduated 466 seniors during virtual commencement ceremonies on May 17, which was the original date scheduled for graduation. The ceremonies included messages from members of the class of 2020 and the District 88 Board of Education and administration, as well as the reading of graduate names by faculty. We are looking to host in-person ceremonies at a later date when determined we can safely gather for large events.
