Information/Discussion Items

Educational Focus Item

ESSA Update - College and Career Readiness - Advanced Placement, Career Certification and Dual-Credit Courses

Yvonne Tsagalis, Assistant Superintendent for Curriculum and Instruction, provided an update on the College and Career Indicator component of Every Student Succeeds Act (ESSA). The focus is to provide opportunities for all students to become college and career ready. Preparation activities include the offering of college level experiences during each student's high school years through dual credit and Advanced Placement courses. Mrs. Tsagalis noted, to support student career pathways, the district has expanded both workplace experiences and career credentialing opportunities.

Freedom of Information Requests

On August 28, 2020 DuPage High School District 88 received a request via email from Mr. Scott O'Connell for the following information through the Freedom of Information Act (FOIA):

FOIA #1 - Please provide the record (or records) which detail the anticipated school year attendance for certified staff and students for fiscal year/school year 2015, 2016, 2017, 2018, 2019, 2020 and the upcoming year 2021.

FOIA #2 - This request is similar to FOIA #1. The difference is that this request is not attendance days at school buildings but for the records which show the actual days and hours that the Administration Center for the district was open to the public for fiscal year/school year 2015, 2016, 2017, 2018, 2019, 2020 and school year 2021 until today (July 1st through August 28th).

FOIA #3 - This request is similar to FOIA #2, but it is prospective for the remaining part of school year 2021 (Monday, August 31 - June 30, 2021). Instead of historical data (FOIA#2), this request is for the record(s) which indicates when the Administrative Center is anticipated to be open to the public and the anticipated hours of public access for fiscal year/school year 2021. This requested data may already be in a calendar format.

FOIA request was sent to Mr. Scott O'Connell at mccxv@hush.com on September 3, 2020.

Illinois High School District Organization Membership

Dr. Helton provided details of the benefits to joining the Illinois High School District Organization for the 2020-2021 School Year. Dr. Helton stated that the Illinois High School District Organization (IHSDO) provides a forum for high school districts to communicate with one another. The IHSDO also provides an avenue for state agencies and legislators to hear the high school voice through experienced and effective advocacy.

Virtual Desktop Infrastructure

Dr. Aaron Lenaghan presented a technology update regarding Virtual Desktop Infrastructure. Dr. Lenaghan discussed the need for a virtual desktop environment with students having remote access to specialized software and files as well as ongoing support and service.

School Recognitions

Addison Trail- Mr. Bolden reported:

- Mr. Bolden thanked the staff for a successful virtual open house.
- The Student Council put together treat packages that included thank you posters for first responders in Addison in appreciation for all they do.
- The student group, YES, started casting their news channel video in ATR. First responders were interviewed in regards to 9/11.
- Senior students are registering for SAT testing.
- Plans are underway for virtual Parent/Teacher Conferences.
- Dylan Moran and Viviana Sanfilippo both took 1st place in the first Cross Country competitions of the season.

Willowbrook- Dr. Krause reported:

- Dr. Krause stated that it was exciting to get feedback on the virtual open house that was attended by parents and students.
- Senior Parent Night was held by the Guidance Department highlighting details of the SAT.
- Fall sports is underway with many competitions this week.
- Clubs and activities began to conduct their meetings virtually.

Action Necessitated by Closed Session

There was no action necessitated by closed session.
