SCHOLARSHIP INFORMATION

Protecting Yourself from Scholarship Scams

1. If you must pay money to get money, it might be a scam.
2. If it sounds too good to be true, it probably is.
3. Spend the time, not the money.
4. Never invest more than a postage stamp to get information about scholarships.
5. Legitimate scholarship foundations do not charge application fees.
6. If you're suspicious of an offer, it's usually with good reason. Don't be fooled by an official sounding name. Words like "National," "Foundations," or "Administration" in the title doesn't mean it is a legitimate operation.

A few tips regarding scholarship applications

As the student, it is your responsibility to READ and follow all Scholarship instructions, and request your official transcript from the registrar (Mrs. Tornabene) in person. Please complete a gold transcript request form for each official transcript requested. It is YOUR responsibility to pick up the requested transcript from the Registrar's Office and then.... for "In School" Scholarships submit the complete Scholarship Application to Mrs. Grady and make sure you meet your deadlines... 3:15 PM of deadline date!

Thanks and best of luck to you!
