Warriors taste post-season success

The Willowbrook football program earned its first post-season victory in 26 years with Saturday's 34-13 IHSA Class 7A playoff win at Quincy. The Warriors trailed the Blue Devils 13-6 in the fourth quarter before scoring four touchdowns in the last four min-

utes of the game. Willowbrook, which improved its overall season record to 7-3, will meet Glenbrook North in this week's second-round playoff battle in Villa Park. The Warriors haven't hosted a playoff game since 1994.

Participants in Saturday's Villa Park Trick or Trot 5K Run/Walk included Alisa Conboy of Villa Park (center), who ran the race with her daughters—Lily (age 8, left) and Harper (age 11, right).

The other children who took part in the Little Devil Dash included 2-year-old Quinn Andersen, who appropriately dressed as a little devil. He is pictured at the start of the dash. Villa Park brothers (left to right) Henry and Calvin Wolf, who both attend Ardmore Elementary School, both received awards for their costumes. The awards were given to a select few contestants in both the 5-kilometer and 1-kilometer events.

Zachary Boynton, a third-grader at Ardmore Elementary School, was the winner of the 1-kilometer Little Devil Dash. He is shown near the finish line of the children's event, which took place shortly after the 5-kilometer run.

Colorful contestants take part in annual Trick or Trot/Little Devil Dash

About 200 people participated in Saturday morning's Villa Park Trick or Trot 5K Run/Walk and 1K Little Devil Dash. Both races began and ended on the Illinois Prairie Path near the Rugaard Gazebo. Participants in both events were encouraged to wear Halloween costumes.

All of the proceeds from the event benefit the charities, organizations and families supported by the Villa Park Junior Women's Club. For more information about the club, visit its website at vpjwc.org.

Villa Park Village President Deborah Bullwinkel signaled

the start of the 5-kilometer (3.1-mile) run/walk, which took place in ideal weather conditions. She then participated in the event as a walker. Bullwinkel wasn't the only elected official to take part in the run/walk. Villa Park Trustee Robert Wagner, dressed in a unique purple costume, ran the 5-kilometer course.

Tim Murray of Goshen, Indiana, won the 5-kilometer race. He crossed the finish line in a winning time of just under 17 minutes. Villa Park's Liam Rieser, a 14-year-old freshman at Willowbrook High School, finished in second place. Rieser

is a member of Willowbrook's boys cross country and track teams.

Villa Park's Sarah Ball, who is a sixth-grader at Jackson Middle School, turned in the fastest finishing time among all females in the 5-kilometer event.

Several children participated in the 1-kilometer Little Devil Dash, which began about one hour after the start of the 5-kilometer run/walk. Villa Park resident Zachary Boynton, who is a third-grader at Ardmore Elementary School, ran to a first-place finish in the Little Devil Dash.

Ardmore students win award for library's reading program

Ardmore Elementary School is the first winner of the Villa Park Public Library's Summer Reading Program trophy. According to the library, the school had the highest percentage of students participating in the 2016 summer program; 171 Ardmore students took part in the program. The District 45 school has a total enrollment of just over 500 students. The trophy, which was recently presented to the students, will reside at Ardmore Elementary School for the remainder of the school year. The photo shows the Ardmore Summer Readers with their trophy. Pictured in the back row (left to right) are School District 45 Superintendent Anthony Palmisano, Villa Park Public Library head of circulation and outreach services Kandice Kretzler, the library's youth service manager—Jean Jansen—and the library's new school liaison librarian—Ruth Ebbinghaus.

Drop off Halloween pumpkins at Village Hall on Saturday

Villa Park residents are encouraged to drop off their Halloween pumpkins and jack-o-lanterns in the parking lot behind Villa Park Village Hall from 9 a.m. to noon on Saturday, Nov. 5. The village hall is located at 20 S. Ardmore Ave. All of the collected pumpkins will be transported to commercial composting facilities and turned into rich soil nutrients.

Candles and all decorations should be removed from pumpkins brought to the collection.

Glen, Ellyn-based School and Community Assistance for Recycling and Composting Education (SCARCE) will collect the pumpkins on Saturday. According to SCARCE, pumpkins are full of nutrients that are good for the soil.

SCARCE collected post-Halloween pumpkins at three locations in 2014 and report diverting over nine tons of pumpkins from landfills. The program expanded to 12 locations in 2015 and collected more than 26 tons of pumpkins.

For more information, call 630-545-9710, or visit the SCARCE website at scarce.org.

Villa Park's unlimited fall leaf disposal continues throughout November

The Village of Villa Park's fall leaf collection program allows residents to dispose an unlimited number of Kraft paper bags of leaves without affixing any yard waste disposal stickers. The program is in effect during a seven-week period that began in October and ends the week of Nov. 28 to Dec. 2.

Brush must be tied in bundles no longer than 4 feet, no larger than 18 inches in diameter and weighing no more than 50 pounds. No limbs over 4 inches in diameter will be accepted.

Yard waste is limited to what is generated at the residence being serviced and must be placed out for pickup by 6 a.m.

Yard waste stickers are not required for the disposal of brush bundles. Since all brush and yard waste are transported to a composting facility for processing, plastic bags should not be used. Residents should use only biodegradable twine or string to bind brush.

It is unlawful to deposit yard waste of any kind into public streets. For more information, call the village's public works department at 630-834-8505.

Murder mystery at the Villa Park Public Library begins on Friday

The Friends of the Villa Park Library will present their annual murder mystery play at the library on Friday, Nov. 4, Saturday, Nov. 5 and Sunday, Nov. 6. This year's presentation is entitled "Sam Club, Private Eye in: The Case of the Malted Falcon."

The presentations on Nov. 4 and Nov. 5 will begin at 7 p.m. The Nov. 6 event will start at 2 p.m. Dessert and coffee will be served during intermission of each performance. Tickets are \$12 in advance and \$15 at the door.

Advance tickets are available at the circulation desk of the library, which is located at 305 S. Ardmore Ave.

The family friendly play will feature Private Eye Sam Club, who finds trouble when the priceless edible chocolate sculpture he's guarding is stolen en route to the Gallery of Amazing Art in Villa Park. Who was the thief of the Malted Falcon? Was it Sam's secretary—Velma Vavoomsky? Was it television chef Rachael Raven? Could it have been

extreme bird activist Abigail Nightingale, or was it one of the other wacky characters?

At the end of the play, someone will be ruthlessly murdered, and it will be up to the audience to guess the culprit.

Audience members who correctly identify the murderer will be entered in a drawing to win prizes. For more information about the murder mystery, call the Villa Park Public Library at 630-834-1164.

Sen. Cullerton responds to College of DuPage audit

State Sen. Tom Cullerton (D-Villa Park) recently emphasized the importance of learning from past mistakes in regard to the results of the College of DuPage audit.

"Though I am not surprised by what the audit reveals in terms of past mistakes with regards to College of DuPage, I am hopeful that with the new leadership in place the community college will remain the top-tier educational institution it has always been," Tom Cullerton said. "We have implemented multiple reforms at the state level and President Rondeau and the current board of trustees have shown a commitment to reforming the failed practices of the past."

Cullerton sponsored legislation that would curb administrative bloat that led to scandals. The legislation included not allowing college administrators to abuse the pension system by claiming perks like a housing allowance as pensionable income.

"With the steps we took during the spring legislative session and the results of this audit, the College of DuPage can protect its students and the taxpayers from the past mistakes ever happening again," Cullerton said.

District 88 Interact Clubs deliver presentation to Rotary Club

Members of the Willowbrook and Addison Trail Interact Clubs gave a presentation to the Rotary Club of Villa Park last week. Speaking at the Oct. 25 Rotary Club meeting, the representatives of the Interact Clubs from District 88's two schools mentioned some of their community service contributions. Those activities include volunteering at the DuPage Pads homeless shelter at First Presbyterian Church in Itasca, Salvation Army bell ringing and taking part in the Salt Creek Cleanup. The Rotary Club of Villa Park, which sponsors the Interact Clubs of both schools, presented monetary donations to the two schools' clubs last week. Pictured left to right are Willowbrook seniors Valbona Shmeti and Allison Letson, Rotary Club Treasurer Jan Fiola (who is Villa Park's director of economic development), Rotary Club President Jay Tavian and Addison Trail seniors Leslie Tolentino and Diana Graciano.

Late flurry lifts Willowbrook to its first playoff win in 26 years

By Chris Fox
LOMBARDIAN-VILLA PARK REVIEW
STAFF REPORTER

Facing the end of its season and a five-hour ride back to Villa Park, the Willowbrook football team delivered a 28-point outburst in the closing minutes of the fourth quarter to overtake Quincy High School in Saturday's IHSA Class 7A first-round playoff game.

The scoring barrage carried Willowbrook to a 34-13 victory in Quincy. The come-from-behind win gave the Warriors their first post-season football victory since 1990, when they earned two wins (over Maine South and Highland Park) in the Class 5A level. Willowbrook, which improved its 2016 record to 7-3 with Saturday's triumph, will play its first home playoff game since 1994 (a 36-27 loss to St. Charles in a Class 6A battle) this week. The Warriors will meet Glenbrook North (9-1) in a second-round battle in Villa Park. The winner will advance to the Class 7A quarterfinals. The Spartans moved into the second round of the playoffs with a 17-7 win over Simeon.

The Warriors trailed the Blue Devils 13-6 with about four minutes remaining in the game. Willowbrook cut Quincy's lead to 13-12 when junior Jack Jessen broke a touchdown run of about 50 yards. The Warriors attempted and failed a two-point conversion try that would have given them the lead.

Willowbrook took the lead when it scored a defensive touchdown with just under two minutes to play. Jessen and senior Khalif Copeland converged on a Quincy ball carrier and forced a fumble. Junior Kevon Dobbins caught the loose ball out of the air and raced about 20 yards into the end zone for the go-ahead score. Willowbrook pushed its lead to 20-13 on a successful two-point conversion pass from senior quarterback M.J. Ranieri to senior Jonathan Kelso.

The Warriors piled on two more scores in the final two minutes. Moments after Quincy turned the ball over on downs, Jessen—who ran for about 150 yards in the game—turned

Willowbrook junior Jack Jessen (No. 24) runs for a gain during Saturday's playoff football game against Quincy. Jessen ran for a pair of fourth-quarter touchdowns to help the Warriors to a 34-13 win. In addition to running for two touchdowns and about 150 yards, Jessen contributed a key defensive play. The Warriors trailed Quincy 13-12 late in the fourth quarter when Jessen and senior Khalif Copeland combined to hit a Blue Devils ball carrier and force a fumble. Junior Kevon Dobbins recovered the loose ball and ran into the end zone for a go-ahead touchdown with less than two minutes to play. The Warriors added two more touchdowns—including a 10-yard scoring run by Jessen with about one minute left in the game. Jessen scored his first touchdown of the final period on a run of about 50 yards.

in a 10-yard touchdown run with about one minute to play. Junior Jacob Entwistle intercepted a Quincy pass at midfield and ran nearly 50 yards for a touchdown in the closing seconds to complete the Warriors' whirlwind rally. Junior kicker Betty-Ann Garrett made the extra-point attempts after each of Willowbrook's last two touchdowns.

"It was crazy, but we'll take it," said Willowbrook coach Nick Hildreth of

the Warriors' comeback. "We've been on the doorstep," added Hildreth, who has guided Willowbrook to three post-season appearances in the last five seasons. (The Warriors also qualified for the 2012 and 2013 playoffs.) "This means a lot. We're taking a step forward with the program."

Quincy, which ended the season with an 8-2 record, would have earned its school's first home playoff victory with a win over the Warriors. The Blue

Devils broke a 6-6 tie with a lengthy drive that ended with a short touchdown run with less than five minutes to play in the fourth quarter. The Blue Devils converted the extra-point kick to take a 13-6 lead.

"We struggled for awhile," said Hildreth of the Warriors, who missed a pair of field-goal kicks. A bad snap also led to Willowbrook missing the extra-point kick after its first touchdown. Kelso scored that touchdown

Senior Jonathan Kelso (No. 1) of the Willowbrook football team carries the ball during Saturday's IHSA Class 7A playoff game at Quincy High School. The Warriors scored 28 points in the game's final four minutes to earn a 34-13 victory. Kelso scored Willowbrook's first touchdown of the game on a 35-yard run in the second quarter. Kelso also caught a two-point conversion pass in the fourth quarter to give the Warriors a 20-13 lead. Saturday's win gave the Willowbrook program its first playoff victory since 1990. The Warriors will meet Glenbrook North in this week's second-round playoff game in Villa Park. The battle will mark Willowbrook's first home post-season football contest since 1994.

on a 35-yard run late in the second quarter to give the Warriors a 6-3 lead. Quincy tied the game at 6-6 when it made a field-goal kick early in the third quarter.

The Warriors traveled to Quincy on Friday. They stopped in Jacksonville on the way and held a practice at Illinois College before continuing another 75 miles or so to their hotel in Quincy. The team ate breakfast together on Saturday morning before heading to the stadium for their afternoon battle with the Blue Devils.

Broncos take care of business

(Above right) Junior running back Jake Karczewski (center) of the Montini football team carries the ball during Friday's IHSA Class 6A playoff game at St. Ignatius. Karczewski ran for three touchdowns to help the Broncos to a 41-8 victory in Chicago. Montini will meet Prairie Ridge in this week's Class 6A second-round battle in Lombard. The winner will advance to the state quarterfinal round.

(Above left) Longtime Montini football coach Chris Andriano addresses the team after Friday's 41-8 win at St. Ignatius in an IHSA Class 6A first-round playoff game. The victory marked Andriano's 300th coaching victory with the Broncos. He earned his first win in 1979, when Montini defeated Providence Catholic. Andriano has coached the Montini program to six IHSA state championships. His overall record with the Broncos stands at 300-127.

(Left) Montini senior lineman Joseph Spivak (No. 62) prepares to block on a pass play during Friday's playoff game against St. Ignatius. Junior quarterback Matt Morrissey (holding the football) is shown behind Spivak. The Broncos defeated the Wolfpack 41-8. See story on page 14.

Warriors, Broncos win first-round playoff games

Area boys and girls cross country teams race at sectionals

SUBURBAN LIFE MEDIA

Willowbrook's Kevon Dobbins recovered a fumble and returned it for a touchdown for the first of three scores in the final two minutes as the Warriors overcame a 13-12 deficit for a 34-13 win in a Class 7A first-round playoff game at Quincy on Oct. 29.

It was the Warriors' first playoff win since 1990.

Willowbrook (7-3) will host Glenbrook North at 1:30 p.m. Nov. 5 in its first home playoff game since 1990.

Jack Jessen had a 10-yard scoring run after Dobbins' TD, and Jacob Entwistle had a 47-yard interception return for a score late in the game.

Willowbrook's Jon Kelso scored on a 35-yard run in the second quarter, and Jessen scored on a 51-yard run to make it 13-12 with under four minutes left.

FOOTBALL

Montini

Jake Karczewski rushed for 109 yards and three touchdowns, Michael Cooney had a pair of field goals, and Mitch West (from Matt Morrissey) and Alex Luka (from Brad Norgle) had touchdown catches as the Broncos cruised

past host St. Ignatius 41-8 in a Class 6A first-round playoff game on Oct. 28.

Morrissey had 204 yards on 15-of-23 passing and West finished with 106 yards receiving as Montini improved to 7-3 on the season while giving head coach Chris Andriano his 300th career win.

The Broncos welcome Prairie Ridge for a 1 p.m. game on Nov. 5 in a rematch of a 2015 state semifinal.

BOYS CROSS COUNTRY

IC Catholic

Eric James (28th, 18:20) was the Knights' top finisher at the Class 1A Lisle sectional on Oct. 29.

Casey Kristie, Antonio Gaudio, Nico Gaudio, Dominic Gaudio and Fabian Perez also ran at the sectional as IC placed 17th.

Montini

The Broncos finished seventh at the Class 2A Wheaton Academy sectional on Oct. 29 and saw Jacob Mondschean (seventh overall, 16:05) advance to the state race on Nov. 5.

Timothy Christian

Strong pack running led the Trojans to fourth place as a team (138 points) at the Lisle sectional on Oct. 29 and earned them a spot at the Class 1A state race on Nov. 5.

William Terpstra (17th, 18:00) led the way, with Matt Fox (20th, 18:04) right behind. Clint Fincher (32nd, 18:30),

Xavier Ross (34th, 18:32) and Caleb Mitchell (35th, 18:40) were grouped together to round out the scoring.

Tommy Troxel (54th, 19:21) and Andy Mittlestaedt (57th, 19:22) also finished strong for the Trojans.

GIRLS CROSS COUNTRY

Glenbard East

The Rams placed 15th at the Class 3A Niles West sectional on Oct. 29. Lexi Weltin (52nd, 19:40) was the Rams' top finisher.

Timothy Christian

The Trojans' Hope Clark (20th, 21:25) came up just short of a state meet berth at the Class 1A Lisle sectional on Oct. 29.

Elise Terpstra, Jill Fognac, Olivia Reamer, Annika Ward, Elsa Johnson and Morgan Hoving also ran at the sectional for the Trojans, who finished seventh as a team (211 points).

GIRLS VOLLEYBALL

IC Catholic

The Knights defeated Westmont 25-11, 25-8 to win their own Class 2A regional championship match, then topped Woodlands Academy 25-15, 25-23 in a sectional semifinal at Latin on Nov. 1.

Timothy Christian

The Trojans fell 25-22, 17-25, 25-20 against Trinity in a regional final at Trinity on Oct. 27 to end the season with a 31-6 record.

ATHLETE OF THE WEEK

SEAN
MACGREGOR

YORK
Junior | Cross country

Why MacGregor was selected:

MacGregor notched a top-10, all-sectional finish at the Class 3A Niles West sectional race Oct. 29.

Finishing in the top 10 of any cross country race isn't easy, let alone when that race is a sectional where state meet berths are on the line. Sean MacGregor put together a solid race at Niles West and finished seventh with a time of 15:22.15 as he and the Dukes advanced to the state race Nov. 5. MacGregor will be running at state for the second time after placing 86th overall in 15:24 at the state meet in 2015. MacGregor, the Suburban Life Athlete of the Week sponsored by Gracik Makinney Real Estate Group, spoke with sports editor Jason Rossi about the sectional race and what he planned to do to make sure he was ready to run at state. Here's an edited transcript:

Rossi: What are your thoughts on the race?

MacGregor: I wasn't too happy with today. I think I went

out too slow. I definitely gave it my all, but I don't think I had the best strategy today.

Rossi: What was the plan coming in, and how much of that were you able to enact?

MacGregor: My plan was just to stick with Charlie [Kern] in the front group, and that's kind of what I did. I fell off around two miles, but I still finished strong.

Rossi: How does it feel to get to state as a team?

MacGregor: I'm so happy that we get another week to do what we do best.

Rossi: What are you going to do to make sure you are 100 percent ready to go at state?

MacGregor: I'm just going to take care of my body and take precautions with that because it's going to be a great week to rest up and build up some energy for state.

Breakthrough Science At Work... Clinical Results Show That After Just a Short Weeks - Men Over 50 Enjoy Sex Again Using Breakthrough New P

PHILADELPHIA — Many of the symptoms associated with 'growing old' are actually signs the body is running on empty.

For a man, the precipitous drop in the hormone testosterone can be life-changing; reducing the quality of erections, reducing sexual desire, and reducing stamina.

A Slow Leak in "T-Levels"

Low 'T-levels' can also trigger insomnia, premature aging of the skin, increased body fat, muscle loss, depression, and worrisome mind and memory problems. The good news is that restoring testosterone to optimal, youthful levels is a fairly easy process. The bad news is that it's painful and expensive. One has to endure repeated doctor visits, blood tests, painful injections deep into large muscles, or the daily application of ineffective, expensive adhesive patches or messy topical creams. Now, there's a better way, say doctors.

Sexual Powers and Youth Returns

In the quest to keep aging men young and vibrant, scientists looked beyond human testosterone to discover an ensemble of natural fire-starters and sexual enhancers that re-ignite a man's sexual powers by naturally elevating testosterone.

This can make any man a better, stronger lover, and also improve his overall well-being, and confidence when taken over 90 days.

The breakthrough is called Beyond Human

The result when taken over a period of more is markedly higher levels of testosterone in the body. ("")

When testosterone is replenished or physical state of health, any man's powerful sex drive, enhanced sexual energy levels, and a far more youthful experience.

BHT Clinically Tested Ingredients Prevent Man Bo

Increasing levels of testosterone is enough to fully restore waning sex drive. Dr. Klayman

With age and the natural upheaval of balance, some men, by no fault of their own, convert testosterone to... estrogen.

Ever seen a man with pronounced hair loss? This is often caused by this unwanted testosterone balance. The Beyond Human ingredients helps in preventing this of a remarkable phytonutrient called DIM. DIM helps safeguard and testosterone reserves and supports balance. Then we went a step further, "bullet" into the Beyond Human Testosterone.

A human clinical study in the Journal of Research ("") reported that the herbal boosted libido in 82% of men who consumed the supplement in the twelve-week study of the men taking the fenugreek extract. The quality of sexual performance indicated the herbal extract enhanced recovery time.

Lyric Opera returns to the neighborhood

Pictured is an actor performing on the stage of the Addison Trail auditorium, where the Addison Center for the Arts presented its 21st Lyric Opera in the Neighborhoods on Oct. 26 to approximately 2,000 students in two performances. School District 4 provided the bus-ing, ATHS provided the stage crew and a grant from the Illinois Arts Council Agency partially funded the event, along with the generous contribution by the Addison Center for the Arts. The production by Lyric Unlimited is dedicated to education, community engagement and new artistic initiatives to educate and entertain students with little or no experience with the operatic art form.

Women's Club says: Let's Get Pretty

On Thursday, Nov. 3 at 7 p.m., the Women's Club of Addison will meet at the Addison Village Hall, Room 1301-A, 1 Friendship Plaza in Addison. Stylists from Mario Tricoci of Bloomingdale (located in Stratford Square), will join us and show us some beauty tricks and tips for the holidays. There will also be an opportunity to sign up for a "evening of beauty" on a future date at the Salon in Bloomingdale.

The Women's Club of Addison is primarily a service organization that works to support worthwhile charitable causes, enhance our local community, and contribute to the personal growth of its members. Meetings of the Women's Club are held on the first Thursday of each month from September through May at 7 p.m. Guests are welcome. A special question-and-answer session was conducted with 7th grade students. Willis also sat in on a staff meeting.

The Independent newspapers' Election Guide

Reminder: Don't just follow the President's race

By Dee Longfellow
FOR THE INDEPENDENT

As the Nov. 8 Election draws closer and closer, the Independent hopes to share with its readers the information they need to know as our country, as well as our state and county, decide who will serve in the upcoming terms of office.

Early voting began October 24 and will continue to Nov. 5. If you'd rather miss the rush on Nov. 8 or if you plan to be out of town, there are several places to vote early. Check with the DuPage Election Commission at dupageco.org/election/ to find a place closest to you. You do NOT have to vote early in your own community, you may early vote anywhere it is being offered, regardless of your place of residence.

Don't forget to bring ID to the polling booth - early or day-of.

A reminder: It's easy to get caught up in the Presidential election, especially this year when there has been so much drama back and forth between the candidates. Just remember, there are people representing you at the State level and on the County Board and you'll want to pay just as much attention to those elections as the national. Look at your most recent property tax bill and you'll see where your local tax dollars are going.

If you wish to learn more about an individual candidate, do a Google search of that candidate's name, as most have their own web sites with information about their policies and priorities.

Election info:

Key: (R) = Republican, (D) = Democrat, (L) = Libertarian, (G) = Green Party; (I) represents the independent.

Alumnus, Trustee Weigand to give \$2.25 million to Center For Professional Excellence

Elmhurst College alumnus and longtime Trustee Russell Weigand (Class of 1964) and his wife, Joyce Slone Weigand, will give \$2.25 million to the College to continue and enhance the work of the Center for Professional Excellence.

Elmhurst College President Troy D. VanAken announced the major gift to the College, as well as commitments from two other trustees, during his inauguration ceremony on Saturday, Oct. 22.

"The College has no truer or more steadfast friends than Russ and Joyce Weigand, and their gift exemplifies philanthropy of the highest order because it shows their lasting commitment to our students and their success," VanAken said.

President VanAken announced additional gifts and commitments on October 22, including a \$150,000 pledge from alumnus and Trustee Edward Momkus (Class of 1974) and his wife, Betsy Goltermann; and a \$100,000 gift from Trustee Hugh McLean and his wife, Mary Beth. Both donations will support student scholarships.

"I am deeply grateful to Ed, Betsy, Hugh and Mary Beth for the dedication and generosity they have shown to Elmhurst College," VanAken added. "Their gifts will support our students' goals and dreams for years to come."

The \$2.25 million leadership commitment from the Weigands will create an endowment for the Center for Professional Excellence. In honor of their gift, the College will name the program the Russell G. Weigand Center for Professional Excellence.

The gift "is a real tribute to the faculty and staff, and the value that we

provide to students," said Lawrence Carroll, executive director of the Center for Professional Excellence and professor of business administration at the College.

"Russ understands that we're doing something here that serves all majors—that we're engaged to help all of our students, and alumni too," Carroll added.

Established in 1997, the Center for Professional Excellence helps students identify and explore careers, and connects them with mentors and internship and employment opportunities.

Orthodontic UPDATE

by Jeffrey T. Boland
Licensed Orthodontic Specialist

A CLEAR DIFFERENCE

Fixed orthodontic appliances ("braces") primarily consist of an arch wire that spans the dental arch and is affixed to a metal bracket on each tooth by means of either an elastic band or a small stainless steel wire. For patients who want a more minimalist approach to arch-wire attachment, there is the option of using clear Damon brackets. These self-ligating brackets are next to invisible compared with traditional steel brackets. In addition, Damon brackets use a clever slide mechanism to retain the arch wire in place. Because no rubber bands or attachment wires are needed, this sliding Damon bracket requires fewer adjustments. The Damon system is also more comfortable and more aesthetically pleasing, and it requires shorter treatment time.

If you have crooked teeth, a bad bite or other dental challenges, it can be difficult for you to find the success you want as a professional. And for your kids, the discomfort of traditional braces can add to an already stressful school experience. To schedule a free orthodontic consultation and learn more about Damon brackets, please call our office. Available by appointment, we honor all kinds of insurance and charge zero interest on our financing. Straighter Smiles Are Our Specialty!

P.S. Because the Damon system does not need elastic or wire ligatures to hold the arch wire in place, there is less chance for food to accumulate and plaque to form.

District 88 participates in Options Fair

On Oct. 18, Willowbrook and Addison Trail participated in an Options Fair, which was a free re-

gional post-secondary planning fair that provided information about services and resources available for

students with an IEP or a 504 Plan.

More than 500 people attended the event, and more than 30 universities and colleges, as well as multiple outside agencies, were on site to discuss post-high school and transitional options. Participants were able to hear presentations about the following topics.

- Transitioning from high school

to post-secondary: Tools for success

- Preserving your mental health in college: How to advocate for your mental health needs

- Navigating the college search process for students with learning challenges

- Student success programs at University of Wisconsin-Whitewater

- Mobile applications for education

Area high schools partnered to host the fair for students and parents. The event took place at Oak Park and River Forest High School, and the plan is to rotate the fair among the partnering schools each year.

The Willowbrook football team traveled to Quincy, Ill. on Saturday, Oct. 29 to face the Blue Devils in the first round of Class 7A state playoffs, and came back with a 32-13 come from behind victory. The Warriors hadn't won a playoff game since 1996.

Willowbrook football team wins first playoff game in 16 years

By Mike Miazga
CORRESPONDENT

The long road trip for the Willowbrook football team was well worth the effort.

The Warriors made the trek down to Quincy High School and came away with a come-from-behind 34-13 victory over the Blue Devils in the first round of the Class 7A state playoffs.

Willowbrook won the game when it scored 28 unanswered points in the fourth quarter. Kevon Dobbins erased a 13-12 deficit when he returned a fumble recovery for a touchdown. Jack Jessen followed with a rushing touchdown and Jacob Entwistle returned an interception for a touchdown. The game was 0-0 after the first quarter and Willowbrook took a 6-3 lead into halftime via a Jon Kelso touchdown. A Quincy field goal tied the game at 6-6 heading into the fourth quarter and Quincy went up 13-6 before Willowbrook mounted its comeback that started with the first of Jessen's two rushing touchdowns.

Willowbrook is the No. 23 seed in the 32-team 7A bracket, while Quincy was the No. 10 seed.

The win was Willowbrook's first in the playoffs since the 1990 season when it defeated Maine South in Class 5A action, snapping a string of 10 straight playoff appearances without a win. It's the sixth time in school history Willowbrook has won an opening-round playoff game.

The win against Quincy means Willowbrook will come home either Friday or Saturday to face No. 7 seed Glenbrook North (9-1). It's Willowbrook's first home playoff game since 1994.

Week 11 Preview
Glenbrook North (9-1) at Willowbrook (7-3)
What: Second round of the Class 7A state football playoffs

When: Friday or Saturday. Check IHSA.org for exact day and time

Where: Willowbrook High School, Villa Park
Seeds: Glenbrook North is the No. 7 seed in the 32-team 7A bracket; Willowbrook is the No. 23 seed

Last week: Glenbrook North 17, Chicago Simeon 7; Willowbrook 34, Quincy 13

Outlook: Willowbrook won its first playoff game in 26 years with a thrilling performance in Quincy. The Warriors trailed in the fourth quarter and scored the last 28 points of the game to earn the program's first home playoff game since 1994. The Warriors' opponent scored a 10-point win in its playoff opener. Glenbrook North, located in Northbrook, tied for the Central Suburban Conference North Division title at 4-1. The Spartans lone loss came in Week 8 to a 6-3 Vernon Hills team at home (26-25). Of the team's eight regular-season wins, only four came against teams with winning records (Wheeling at 5-4, Highland Park at 7-2, Deerfield at 5-4 and Vernon Hills at 6-3). It's other four wins were against teams with records of 2-7, 3-6, 1-8 and 4-5. Glenbrook North has scored 40 or more points in five games. The 17-point playoff output in the first round was its lowest of the season.

Up next: The winner of this game faces either No. 15 Glenbard North (8-2) or No. 2 East St. Louis Lincoln (10-0) in the state quarterfinals next week. If Willowbrook wins this game, it will either travel to Glenbard North (each team has hosted once and Glenbard North would be the higher seed) or host East St. Louis (which has hosted both of its games and Willowbrook will have hosted only once).

Addison Trail boys soccer team reaches sectional final

Blazers finish with 22 wins—best postseason finish in 16 years

By Mike Miazga
CORRESPONDENT

The Addison Trail boys soccer team saw its magical season come to a close after a tough 3-1 loss to Conant in the Class 3A Glenbard East sectional-championship game.

Addison Trail finished the season 22-2 and advanced to a sectional title game for the first time since 2000. The Blazers' earlier regional title was their first as well since 2000.

The Blazers and Conant played to a 0-0 stalemate until late in the first half when the Cougars went up 1-0.

"They scored in the last minute of the half," said Addison Trail coach Ryan Dini. "We had a mishap in the back and that led to a breakaway."

Conant quickly made it 2-0 early in the second half.

"They scored two minutes into the half. It was a tough couple minutes for us," said Dini. "We're down 2-0 and then we got down 3-0 with 30 minutes left. We put a lot of pressure on them in the second half, but we got going way too late."

Enrique Luna scored Addison Trail's lone goal. It was his 27th of the year. Luna earned all-state honors for his performance this season.

Dini pointed out Addison Trail encountered a Conant team firing on all cylinders. "Conant beat Wheaton

Fenton boys soccer team advances to sectional final

Bison receiving contributions throughout field

By Mike Miazga
CORRESPONDENT

The Fenton boys soccer team got itself on a postseason roll.

The Bison won a Class 2A regional title with a pair of wins and then won their sectional semifinal match to advance to a Class 2A sectional final.

In regional play, Fenton scored a 2-1 win over Wheaton St. Francis in the semifinals. Angel Barriga and Patryk Bryk each had a goal.

Fenton then scored a 1-0 win over Marmion on penalty kicks. The two

teams played to a 0-0 draw through two overtime periods. Fenton won the penalty-kick phase by a convincing 4-1 count.

Goalie Abel Carrere made two saves during the penalty-kick phrase.

"It's always special to advance in the state tournament," Fenton coach Jim Johns said late last week. "It's always a difficult task. Against Marmion both teams tried their best to score. It comes down to that in the state tournament. It becomes more of a defensive game. The games get more difficult. Everybody is hustling and giving it all they have. It's harder to break teams down in the playoffs. We're playing better defense and shooting a little better. We're passing well. We've made

overall improvement as a team."

Fenton then scored a 3-0 win over Hampshire in the sectional semifinal.

Bryk had two goals, while freshman Sebastian Palacios had the other. Bryk put one in off an assist from Barriga in the first three minutes of the contest.

"When you get that early of a goal you usually are going to be in good shape," said Johns.

"We scored three in the first 30 minutes and then tried to close the game out."

The win over Hampshire put Fenton at 9-10-3 overall.

"We are doing the best we can.

We're always improving," the coach said. "The kids are training hard. They're giving it everything they have. The kids put all their effort into it. They care and they are passionate about what they do. These kids are out there playing for the pure love of the sport. It's refreshing to see that type of amateurism."

IC Catholic Prep football team opens playoffs with blowout win

By Mike Miazga
CORRESPONDENT

The first round of the Class 3A state playoffs was no different than the previous nine games for the IC Catholic Prep football team.

The Knights registered a 49-8 victory over St. Joe-Ogden in a first-round 3A playoff matchup at Lewis Stadium in Elmhurst.

The win moved IC Catholic Prep to 10-0 overall. The top-seeded

Knights will host No. 8 seed Paxton-Buckley-Loda in a second-round game either Friday or Saturday. PBL (9-1) drubbed Aledo Mercer County 50-2 in first-round action.

Quarterback Luke Ricobene was 5 of 10 passing for 189 yards and two touchdowns. Ricobene also led the Knights in rushing with a single 79-yard touchdown run. Jordan Row-

Fenton boys cross-country team wins sectional, heads to state

Willowbrook boys and girls cross-country teams compete at Marist sectional

By Mike Miazga
CORRESPONDENT

It's back to Peoria for the Fenton boys cross-country team.

The Bison recently won their own Class 2A Fenton sectional and thus will compete in Saturday's

Class 2A state meet in Peoria at Detweiller Park.

Fenton won the meet with 77 points. St. Viator out of Arlington Heights was second with 88 points.

It's Fenton's first sectional team title since 2001 and the Bison's eighth state finals appearance as a team since 2000.

Senior Jose Vazquez-Perez led Fenton with an eighth-place time of 16:52. Cristian Sanchez, a junior was 12th with a time of 16:59.

Junior Alex Whyte was 18th in 17:11. Junior Jeremy Lodewyck was 19th in 17:13. Senior Anye

Whyte was 20th in 17:13, junior Michael Lieggi was 38th in 17:52 and junior Bryan Medina was 46th in 18:09.

Willowbrook boys cross country

The Willowbrook boys cross-country team finished 18th at the recent Class 3A Marist sectional held at Midlothian Meadows.

Sophomore Matt Caron led the Warriors. He took 67th with a time of 16:25.82.

Junior Michael Isaacson was 93rd in 16:57.04. Senior Casey King was 97th in 17:01.26. Senior Jacob Christiansen was 114th in

17:23.28 and junior Alec Gruchalski was 128th in 17:53.15.

Willowbrook girls cross country

The Willowbrook girls cross-country team placed 19th at the recent Class 3A Marist sectional in Midlothian.

Sophomore Victoria Palma was 73rd in a time of 20:11.14. Junior Lydia Bauernfreund was 122nd in 21:31.79.

Junior Angela Klingelhoff was 138th in 22:31.21. Senior Grace Guthrie was 144th in 24:23.91 and junior Jennifer Williams was 145th in 24:31.42.

Academy in the regional final and they only had one loss," he explained. "They beat St. Charles North, which had two losses and then they beat us and we had only one loss going into the game. They were the hot team. They were good and they played well. With our team our speed usually is very noticeable and our touch is very good. We were a bit off. We were a little shell-shocked there at the end of the first half and the start of the second half. It wasn't our night."

Addison Trail reached the sectional final after recording a 1-0 win over St. Charles East.

Jonathan Hernandez had the Blazers' only goal 22 minutes into the game off a Christian Santiago pass.

"Christian got it down to the top of the 18 box and crossed it. It hit

one time and Jonathan put it into the opposite corner and beat the goalie," said Dini.

Dini lauded his defense's play in the shutout win. "We played good team defense," he said. "St. Charles East had been shut out only one other time throughout the year. Our four guys in the back and our center-mids did a good job. We dropped back in coverages and played simple. We didn't let them get too deep into our end. We started out well the first 25 minutes of the game. We were in their end and had a lot of chances and nice opportunities and we were able to capitalize on one of them."

Dini said overall the season was a huge success for the Blazers. "We ended up going the farthest we have since 2000 when that team lost 1-0 to York in the sectional final," he said. "We won the Pepsi tourna-

ment, won the tournament we host and beat Willowbrook in the district game. We did a lot of good things this year. We finished second to Morton in conference and Morton (as of press time) is still playing and is favored by a lot of people to win

IC Catholic Prep touched the ball only eight times on the ground for 183 yards (22.9 yards per carry).

Khalil Saunders caught a 77-yard touchdown pass, while Eatman snared a 36-yard touchdown pass from Rico-bene. Khalil Sanders had two catches for 42 yards (including a 27-yard reception). Rowell caught a 34-yard

reception. Sanders, Eatman and Saunders are juniors or younger.

Kemon Reese, a sophomore, led the team in tackles with 23. Chris Johnson had 16 tackles and one tackle for loss.

Matt Sutton and Robert Vitek each had nine tackles. Matt Jordan registered two quarterback sacks. Reese had one quarterback sack.

Jordan and Saunders each recovered a fumble. Eatman caused a fumble, while Johnson and Rowell each had a pass deflection.

We recently celebrated National Hug a Sheep Day and National Bobblehead Day. I'm still shaking my head in disbelief about that one.

Upcoming in the next few weeks are Plan your Epitaph Day (otherwise known as National Preparedness Day or Dooms Day.) Coincidentally, National Cappuccino Day and Harvey Wallbanger Day fall within the same 24-hour period, so I guess we'll have to make a beverage choice. Either that or do a lot of drinking. Have a Bad Day Day is followed by Absurdity Day, which was created as a day to recall and note some of the totally and absolutely absurd things in history, in our country and in our lives. Given the current political climate, that shouldn't be too difficult.

Don't get me wrong. I love a good celebration. Party like it's National Carbonated Beverage with Caffeine Day, because it is! I can and will celebrate like it's National Square Dance Day or even National Waiting for the Barbarians Day. But I'll do so in moderation.

National Moderation Day - now there's an Event I could embrace. And I would. If it existed. It doesn't. At least not yet. Give it time. (National Patience Day will be here in about a week.)
