Willowbrook honors Outstanding Students

Ten Willowbrook High School students were recognized as Outstanding Students during a breakfast held in their honor on April 13. To be chosen for the school's Outstanding Students award, students must demonstrate extraordinary achievement, outstanding effort and commendable attitude and motivation. Those students must also show the ability to overcome obstacles and maintain a continuous exemplary performance. Willowbrook Principal Dan Krause joined Assistant Principal Doug Wildes in welcoming the honored students and their family members to the breakfast, which was held in the school cafeteria. Other guests included the staff members from the school's various departments who nominated the students for the awards. The honorees (pictured left to right) are: (front row) senior Hannah Hewitt (world languages), senior Makena Walsh (English), junior Shannon Frank (physical education) and freshman Grace Placek (science); (back row) senior Bryce Johnson (career and technical education), senior Nathan Sprovieri (learning services), senior Olivia Hartshorn (social studies), junior Jared Schneider (math), sophomore Sydney Wilson (art) and senior David Stoffle (music).

Outstanding Teacher award winner

In addition to recognizing the latest Outstanding Student award recipients at Willowbrook High School, last week's breakfast service included recognition of the school's Outstanding Teacher award winner. Physical education teacher Amy Stark (center) received the award at the April 13 breakfast. Seniors Casey King (left) and Calvin Linnig (right) presented the award. According to information provided by District 88, staff members who receive the award must treat teaching as a passion, not just a job. The honorees must also create a positive learning environment, use a variety of strategies to engage students, be willing to offer extra support, provide prompt and effective feedback to students and relate to and understand students' viewpoints and perspectives.

More work required

Villa Park Village Board members voted unanimously during their April 10 meeting to authorize the acceptance of a proposal from K-Five Construction Corporation of Westmont for corrective measures on Highbridge Road. The photo shows an eastward view of the road, which is located just north of Willowbrook High School. In 2016, K-Five completed the milling and resurfacing of Highbridge from Ardmore Avenue to the village's west limits. The project was completed in August, shortly before the start of Willowbrook's 2016-17 school year. The finished pavement reportedly does not provide a smooth ride for motorists. Villa Park Village Manager Rich Keehner and assistant village engineer Jeremie Lukowicz both stated that the roller used to roll the asphalt either malfunctioned or was not aligned properly. K-Five and the village will reportedly split the cost of corrective measures. That cost is estimated at about \$73,000. Lukowicz said during the April 10 meeting that K-Five will grind about 1.5 inches of asphalt from the road. Workers will then add new asphalt and roll the pavement. Keehner noted that last year's project to resurface Highbridge Road was let through the Illinois Department of Transportation (IDOT), not the village. Lukowicz said K-Five is anxious to begin the corrective measures on the road, and that work could begin before the end of April. He said the village is in talks with Willowbrook, and that K-Five will work around the school's schedule to minimize traffic disruptions. Willowbrook's Class of 2017 will hold its graduation ceremony in the school's main gymnasium on May 21.

Meet Lilac Princess Kyla Denwood

By Jane Charmelo
Lombard-Villa Park Review
STAFF REPORTER

This is the third in a series of five profiles of the 2017 Lilac Court. Two members of the court—Taylor Balsitis and Kyla Denwood—are students at Willowbrook High School. Another court member—Liana Pavese—graduated from Willowbrook in 2015. One of the five princesses will be crowned as the 2017 Lilac Queen on May 6 in Lombard's Lilacia Park.

For Kyla Alisha Denwood, working hard to get good grades is important, to which she explained, "I've always tried to do my best academically."

That effort has paid off, seeing as how the Willowbrook High School senior is an Illinois State Scholar, a Questbridge College Prep (scholarship program) Scholar, was named among District 88's Best, has been on the high school's honor roll all four years and earned an IHSA Scholastic Achievement Award.

In addition to focusing on her academic studies, the Lilac Princess is a member of the Tri-M Music Honor Society, has been on the speech team and student council; and has participated in track and field, and mock trial; and plays the flute and piccolo in the marching

band, pit orchestra and jazz combo.

Princess Kyla also has participated in T.A.L.E.N.T.E.D. and the Black Organization of Student Success, an after-school club she was asked to join as a mentor.

Relating to others through these organizations, she said, is "pretty fun...[I] meet new people...telling them about the experiences I've had."

Outside of school, the princess participated in the College of DuPage Afro-American Cultural, Technological and Scientific Olympics, where she earned first-place honors both for music composition and music instrumental/classical.

She volunteered at Elmhurst Hospital during her freshman and sophomore years in the reception area of the birthing unit, and also volunteered as an assistant with the Salvation Army's summer day camp, commenting how, until she volunteered, "I didn't know a lot about what they did there for the community."

Princess Kyla enjoys weight training and music composition, and she works as a cashier and cook at Freshii. She plans to attend either Tulane University or New York University to major in international relations, hoping to go into law or foreign service.

When asked why she wanted to become a

member of the 2017 Lilac Court, the princess responded that she wanted to challenge herself and to be a role model for others.

Unlike many of the princesses before her, Princess Kyla did not initially grow up in Lombard, but did find out about the Lilac Court during the Lilac Parade when she was in Jackson Middle School's marching band in eighth grade.

She also had a friend who was a Lilac Princess, and "I asked her what it's all about," Kyle said, adding, "It was kind of cool learning about it."

Now, as a member of the Lilac Court herself, the Lilac Princess said she will strive to be a role model for the younger children who look up to her, which she defines as "being that friendly face that people can go to."

Princess Kyla said she will encourage others to "take every opportunity there is possible... mostly doing it for yourself."

The princess also said she plans to encourage others to be "a part of the community."

When asked how she juggles academics, work, and volunteer and after-school activities, the Lilac Princess said with a chuckle, "a really, really big calendar."

Princess Kyla is the daughter of Catherine Douglas; and sister of Kayla, 20; and Kyle, 16.

Rams rebound from slow start by reeling off five straight wins

Hot streak includes Tomlinson's no-hitter against Morton

The Glenbard East baseball team improved its Upstate Eight Valley Conference record to 2-0 with Saturday's 6-5 win over Elgin in Lombard. The Rams held a 6-2 lead after six innings, but the visiting Maroons rallied for three runs in the top of the seventh inning. Elgin had the tying run at third base when Glenbard East senior pitcher Steve O'Brien recorded a strikeout to end the game. O'Brien took the mound in the seventh inning and notched the final three outs to earn a save.

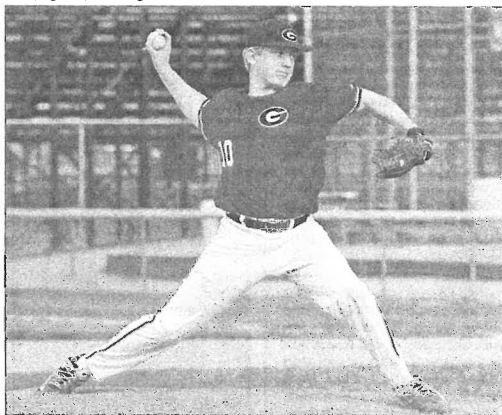

Saturday's victory gave the Rams a five-game winning streak and im-

proved the team's overall season record to 9-5.

"We didn't play clean baseball at the start of the season; that cost us some games," said Glenbard East coach Joel Pelland after the win over the Maroons. "When we play to our ability, we're tough."

Glenbard East's battle against Elgin was a crossover contest against one of the Upstate Eight Conference's River Division teams. The Rams, who play in the Valley Division, opened up their conference season with another crossover game—a 7-4, 11-inning triumph at Elgin-Larkin on April 8.

Senior Conner Grzenia pitched the first four innings against Elgin and earned the victory. Senior Austin Novak pitched the next two innings before O'Brien took the mound with two runners on base and no outs in the seventh inning.

Senior Steve O'Brien (No. 16), top left, took the mound during the seventh inning, when the visiting Maroons scored three runs. O'Brien recorded the final three outs to earn a save. He closed the game by striking out an Elgin batter with the tying run at third base. Also pictured is senior Brett Tomlinson (No. 10, file photo), above, who threw a no-hitter in the Rams' April 12 win at Morton. Tomlinson struck out 11 batters and gave up one walk in his team's 10-0, six-inning victory. O'Brien pitched six scoreless innings and earned the win in the Rams' 7-4, 11-inning win at Elgin-Larkin on April 8. That victory kicked off Glenbard East's five-game winning streak. Wilkans hit a sixth-inning solo home run at Elgin-Larkin to tie the game at 4-4. The game remained tied until the Rams scored three runs in the top of the 11th inning.

Junior Jack Oberli provided two hits and drove in two runs for the Rams. Sophomore Bret Bushka contributed a run-scoring double in the fifth inning, while senior Tommy Wilkans hit a sacrifice fly in the sixth inning. Senior Austin Grote and junior William Brown each drove in one run.

Senior Brandon Quigley went 2-for-3 and drove in two runs for the Rams. Brown and senior Nathan Bertuca each contributed one hit and two RBIs.

O'Brien entered the game in relief and fired six scoreless innings to earn the victory over the Royals. He gave up one hit and three walks after taking the mound in the sixth inning. O'Brien struck out six batters.

Two days after beating Elgin-Larkin, the Rams defeated Wheaton North 7-4. Glenbard East trailed the Falcons 4-1 before scoring five runs in the bottom of the fifth inning. Bushka highlighted the rally when he lined a bases-loaded double that drove in three runs and gave the Rams a 6-4 lead.

Bertuca pitched the first five innings and earned the victory for the Rams. Novak worked two scoreless innings to pick up a save.

One day after beating Wheaton North, the Rams traveled to Addison Trail and earned a 9-6 win over the Blazers. Glenbard East scored five runs in the second inning and four runs in the fourth inning. Junior Taylor Westerhoff went 2-for-5 and drove in three runs. Senior Billy Davis Mills turned in a 3-for-4 performance at the plate and drove in one run.

Senior Austin Grote pitched four innings to earn the win. Grote didn't give up any earned runs for the Rams, who committed three errors. Junior Jack Cracker worked the last three innings, allowing one run.

The Willowbrook softball team rebounded from an 0-4 start to its season by posting two straight victories. The Warriors picked up their first win of the season on April 7, when they defeated Wheeling 13-8 in Villa Park. Willowbrook secured another home win on April 11, beating Proviso West 12-0 in five innings.

The Warriors fell to 2-5 with a 12-3 loss at Glenbard South on April 12. The Raiders blew the game open with eight runs in the bottom of the fourth inning.

"This is a whole new team," said Willowbrook coach Rachel Karos after the loss to Glenbard South. "We're definitely young, and our two pitchers are varsity newcomers."

Senior pitcher Veronica Swan of the Warriors earned the win against Wheeling. Junior Madison Campbell allowed only one hit over five innings to pick up the win over Proviso West.

Senior Allison Letson connected for three hits and scored three runs against Wheeling, while sophomore Samantha Mishlove provided two hits.

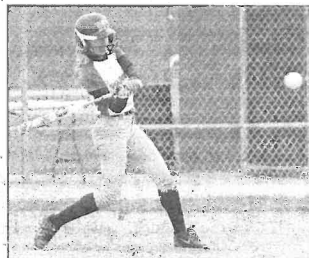

The Warriors scored seven first-inning runs in their win over Proviso West. Senior Megan Talan, junior Jiana Punteas, junior Katie Smith and sophomore Anna Carson contributed hits in the inning.

Mishlove launched a solo home run over the left-field fence in the fourth inning of the game at Glenbard South. Mishlove's homer cut the

Raiders' lead to 4-3. Glenbard South then piled up eight runs against Swan and the Warriors in the bottom of the fourth inning.

"Veronica pitched fine," said Karos of the Raiders' eight-run eruption. "We had a rough inning, and it snowballed. When you give teams extra outs, you're going to be in trouble."

The Warriors will open their West Suburban Gold Conference season with this week's games at Hinsdale South and Proviso East.

Pictured is Addison Trail senior Ambar Rivera, who has been named as the April recipient of 88's Best recognition. She's pictured with Principal Michael Bolden.

Ambar Rivera elected 88's Best for April at ATHS

Ambar Rivera has been named as Addison Trail's April recipient of 88's Best recognition for her outstanding academic accomplishments. Rivera, a senior, was recognized during the April 10 District 88 Board of Education meeting. To watch her 88's Best presentation, go to dupage88.net/site/page/6420.

Rivera has earned a grade of A in every class she has taken at Addison Trail. She has completed 11 Advanced Placement (AP)/college-level courses and nine Honors courses.

"It comes as no surprise to me that Rivera is being recognized for District 88's Best in the category of academics," said Aileen Sullivan, science teacher. "As a freshman taking biology honors, it was always clear how dedicated Rivera was to her studies. She had a self-motivation about her that was contagious. She made her successful grades look easy when, in reality, she worked very hard to earn her high grades. In addition, Rivera is humble when it comes to her academic excellence and is always willing to lend a helping hand. I am proud of her achievements and wish her the best with her future endeavors."

Social Studies Department Chair Brendan Lyons agreed.

"It was a pleasure teaching Rivera," he said. "She displayed all of the attributes we look for in a student in a social studies course. She was an active learner, dependable, conscientious and displayed respect for her teacher and her peers on a daily basis. She is truly a worthy recipient of the honor of being District 88's Best."

Rivera's academic achievements also include membership in the National Honor Society, being named as an Illinois State Scholar and making the Distinction Honor Roll all four years of her high school career. Beyond the classroom, Rivera has been a member of Student Council and Psychology Club,

"Rivera is a team player and steps up to lead and mentor the younger and more inexperienced girls. She has such a great attitude! She is very grounded and in tune with her own abilities. I wish I could clone her. She doesn't have a negative or selfish bone in her body!"

—Rivera's track coach, Ann Peters

she is a Blazer Ambassador and she has served her community in a variety of ways. However, most of her commitment to extracurricular activities is with track. Before high school, Rivera was never really involved in any sports or clubs — but she decided to join the Girls Track Team her freshman year, and she never looked back. Track has helped her to develop self-confidence and meet new friends. Rivera has served as a designated captain at times and has helped develop workouts for team members.

Rivera's track coach, Ann Peters, said Rivera's positive personality is what makes her stand out.

"Rivera is a team player and steps up to lead and mentor the younger and more inexperienced girls," Peters said. "She has such a great attitude! She is very grounded and in tune with her own abilities. I wish I could clone her. She doesn't have a negative or selfish bone in her body!"

Rivera plans to attend University of Illinois at Urbana-Champaign to study chemical engineering.

Addison Trail baseball team making its move

Blazers score wins against Downers Grove North and Hinsdale South

By Mike Miazga
CORRESPONDENT

The Addison Trail baseball team turned heartbreak into major progress recently.

The Blazers went through a recent rough stretch where it lost the completion of a suspended game against West Suburban Conference Gold Division foe Hinsdale South in 14 innings (3-2) and then lost the next day to York in eight innings in a WSC crossover game.

"That was a couple of tough games for us," said Addison Trail coach Mike Kennedy.

Instead of letting the slide continue though, the Blazers did the exact opposite and got momentum back on their side in a major way with victories against that same Hinsdale South team and Downers Grove North.

Addison Trail downed Hinsdale

South 1-0 in dramatic fashion and then defeated Downers North 6-3.

"The last two games against Hinsdale South and Downers North were outstanding," said Kennedy. "A couple of back-to-back wins really picked us up. We played some great baseball."

Addison Trail staff ace Nick Villaseñor picked up the win in the 1-0 Hinsdale South triumph.

Villaseñor walked his first batter of the year in the seventh inning of that game. After the Hinsdale South win, Villaseñor had 51 strikeouts, one walk and had allowed two earned runs in 28 innings of work. He fanned nine against Hinsdale South.

"Nick threw an outstanding game," said Kennedy.

Bobby Daniels drove in a pinch runner for AJ Parnell in the bottom of the seventh to give the Blazers

the win.

"AJ has been crushing the ball for us," said Kennedy. "He's hitting .490 right now. He also picked up the save against Downers Grove North."

In the Downers North win, Trevor Fulmer was the winning pitcher. He went six innings and allowed two runs.

"The first two batters of the game scored," said Kennedy. "They had back-to-back doubles and then a single. He settled down after that and was outstanding. He got stronger as the game went on. He threw 51 pitches the first two innings and then threw 50 pitches over the last four innings. He settled in and did a fantastic job for us. He also drove in two runs."

With Addison Trail up 3-2 in the fifth, Ricky Perez had a two-out double that drove in a pair of runs.

"That was huge," said Kennedy of Perez's hit. "That put us up by three and was a huge dagger at that point."

Kennedy was thrilled with how his team responded after the losses to Hinsdale South and York. "They showed resiliency," he said. "They played tough. They had every reason to bury their head in the sand. This puts us in a nice position now."

Kennedy pointed out four of Addison Trail's losses have come by one run. "In three of the games we had the lead in the sixth inning or later," he said. "We're a ball bouncing the other way here or there from being 7-2. We need to finish those types of games if we want to be a good team. The guys took that to heart and realized we have to finish those types of games if we are to be a good team."

Addison Trail has a busy conference week scheduled. The Blazers have a three-game series against Proviso East and were scheduled to play the makeup third game of the Hinsdale South series on Wednesday.

"If the first two games are any indication of what is going to happen in the third game, it's going to be another gut-it-out game," said Kennedy late last week. "It's going to be who makes the least amount of mistakes. In the two games between us, each game was separated by one run and the home team won each game. They were 8-0 when we beat them. For us to play Hinsdale South, the defending conference champion, that tough shows we belong up there."

Addison Trail is scheduled to wrap up the week with a WSC crossover game Saturday against Glenbard West.

Willowbrook baseball team wins pair of games

Warriors improve record to 9-1 overall

By Mike Miazga
CORRESPONDENT

The Willowbrook baseball team continued its winning ways last week with a pair of victories against Leyden and Hinsdale Central.

The Warriors downed Leyden 8-7 in a West Suburban Conference Gold Division game. The Warriors led 8-0 after four innings thanks in part to a five-run fourth inning and then held on after Leyden made a seven-run comeback attempt.

Ben Espinoza went 2-for-4 with two runs scored and an RBI. Jon Kelso was 3-for-3 with three runs scored and an RBI. Kyle Ferguson went 1-for-3 with an RBI. MJ Ranieri was 1-for-2 with an RBI. Trevor Jalszynski went 1-for-3 with a run scored and Ryan Mintz went 1-for-2 with a run scored and an RBI. Jalszynski, Ranieri and Espinoza each had a double, while Kelso tripled and stole two bases.

Alec Michaelson was the winning pitcher. He went four innings and allowed two hits, no earned runs and fanned nine. Vince Ruchala earned the save.

The Warriors then recorded a 10-5 WSC crossover win against Hinsdale Central in a game where they pounded out 11 hits.

Willowbrook led 3-2 heading into the bottom of the fourth and then scored seven runs over the fourth and fifth innings to take command.

Espinoza was 2-for-3 with a run scored and two RBIs. Kelso had a hit, two runs scored and an RBI. Kyle Ferguson was 3-for-4 with two RBIs. Jalszynski went 1-for-3 with a run scored. Michaelson was 1-for-2 with two runs scored. Mike Dembowski went 2-for-4 with

two runs scored and an RBI. Dan Gusel scored a run and drove in another. Michaelson and Espinoza each had doubles, while Jalszynski and Kelso each tripled.

Ferguson, Kelso and Espinoza each stole a base.

Jack Nilles was the winning pitcher in relief. He went 2 2/3 innings and allowed four hits. Mintz started, while Will Hines and Scott Kohrt also pitched. Kohrt had three strikeouts in two innings.

In the JV game against Hinsdale Central, Willowbrook won 4-3 after erasing a 3-0 deficit in this five-inning contest.

Mason Kamp and Mintz each had two hits. Mintz drove in the game-winning run in the bottom of the fifth. Jalszynski was the winning pitcher in relief. He struck out two in an inning of work. Eric Grunst and Brandon Shissler also pitched.

The two wins last week pushed Willowbrook to 9-1 overall.

Willowbrook coach Vice Wisner continues to see his team play well, dialing back to a previous WSC crossover 3-2 loss to Oak Park-River Forest to make a point.

"The Oak Park game was really well-played," he said. "They had five hits and we had seven. We hit the ball all over the place right at them. They made three or four phenomenal catches. The wind was blowing out. It was a 2-1 game at one point and we put some pressure on. We gave up a homer and then battled back. We had second and third the last two innings. Jon Kelso, who has been our best hitter, hit a line smash to a kid in center field in the seventh inning. We hit the ball well."

Wisner noted Willowbrook came close to invoking the 10-run rule in the conference win against Leyden.

"We had runners on second and third and a base hit would have made it 10-0," he pointed out. "We let up a little bit and Leyden didn't. Leyden inched back slowly. Vince Ruchala got a groundball double play and a strike out with the bases loaded in the seventh and got a high-pressure save. I thought we played very well, but Leyden doesn't give up. We took our foot off the gas a little and Leyden took advantage of that."

Wisner also has been pleased with the way his team is moving runners along on the base paths. "We are getting guys on and moving them over," he said. "We are hitting the ball and putting it in play and making the other team make a play. Plus, our pitching has been very good. Alec Michaelson has given up one earned run the entire year and is 3-0. He's pitched really well."

Willowbrook was scheduled to open a three-game WSC Gold series earlier in the week against Morton.

This year, the WSC has gone to having conference series played during the week and switching the WSC crossover games to Saturday with a JV game that follows.

"I like the switch, but it doesn't leave a lot of room for makeups if games get rained out," said Wisner. "If you do get rain, you are going to play a lot of games in a short amount of time. I think we have a stretch coming up where we play eight games in nine days. I also like that Saturday now includes a JV game. That means every week every kid is going to play seven innings somewhere."

Addison Trail boys volleyball team wins Rolling Meadows tournament

Blazers move to 2-0 in conference with victory against Proviso West

By Mike Miazga
CORRESPONDENT

The Addison Trail boys volleyball team won the recent Rolling Meadows tournament.

Addison Trail finished 4-1 in the tournament and won the head-to-head tiebreaker with Buffalo Grove to win the round-robin event.

Addison Trail scored a 26-24, 23-25, 15-10 win against Buffalo Grove to start the tournament. The Blazers then lost 10-25, 25-23, 15-8 to Rolling Meadows. Addison Trail capped the tournament with three victories in a row. The Blazers downed St. Viator (25-19, 25-14), Fremd (23-25, 25-15, 15-7) and the Rolling Meadows JV team (25-7, 25-11).

Earlier, the Blazers were 25-14, 25-11 winners against Proviso East in West Suburban Conference Gold Division play.

Arlind Rojba had nine assists, seven aces and one kill. Michael Pudlo added four kills and three aces, while Joe Mosny had two aces. The win moved the Blazers to 2-0 in WSC Gold action.

Willowbrook boys volleyball team surpasses seed at Warren invitational

Warriors go 5-3 through first eight contests

By Mike Miazga
CORRESPONDENT

The Willowbrook boys volleyball team recently took 13th place out of 24 teams at the Warren invitational. Willowbrook originally was seeded 21st.

In pool play, the Warriors lost 25-19, 25-13 to Deerfield and recorded a 22-25, 25-17, 16-14 come-from-behind win against Vernon Hills.

In Silver bracket play, Willowbrook lost 21-25, 25-19, 15-10 to Wheaton North, defeated Mundelein (25-22, 26-24) and Reavis.

Willowbrook was 5-3 overall through its first eight matches and 1-0 in West Suburban Conference Gold Division play.

Willowbrook coach Ryan Bazon noted the Warriors are having success with a relatively young roster. "This is a young team this year with a roster that has nine juniors—all of whom are competing at the varsity level for the first time," he said. "The team has done a good job of adjusting to the speed of the varsity game. We are learning every match. The thing we have improved the most on is communication on the court. The guys have done a better job recently of being vocal and taking leadership on the court."

Bazon has seen strides made on the offensive end after a slow start in the team's first match of the year. "We really struggled our first match

of the year with the hitter-setter connection and passing game," he said. "We have improved our timing and as a result have gotten better attacks. Also, I think our ball control is improving every match, which has been a big reason why our offense has been more efficient. Our serving has improved as well. We are making our serves and relying on our blocking/defense to keep us in matches."

Bazon also likes the team's make-up at the middle blocker position with seniors Pete Alessandri and Andy Shrekengost. "We also have a good middle presence at the net," he said. "Our defense has improved dramatically. The kids are starting to read hitters and get touches on al-

most anything."

Senior Calvin Linnig and junior Nick Cookingham are running Willowbrook's 6-2 offense. "Both players have stepped up at setter and are doing a nice job," said Bazon.

Willowbrook also has been bolstered by the likes of libero Buddy Martens, outside hitter Tim Keefe and defensive specialist JT Beausoleil. "Buddy is becoming a good, vocal leader on the court," said Bazon. "Tim has improved his overall game, especially on the defensive end. JT has stepped up huge on defense. He is the sparkplug of the team and is constantly giving 100 percent."

Bazon said the thing that has impressed him the most thus far is

the team's fight. "They fight hard," said Bazon. "Not much touches the ground without one of our players hitting the ground with it. I also love their ability to learn. With this being the first varsity experience for nine of our players. I think we have grown dramatically in the first eight matches of the year."

"I look forward to the rest of the season. I have enjoyed coaching these guys. They have improved greatly and always are ready to learn. They are beginning to gel as a team and I look forward to continued success. Overall, this is a great group of kids."

IC Catholic Prep girls soccer team defeats Evergreen Park

Hurt leading the team in goals

By Mike Miazga
Correspondent

After a couple of tough contests, the IC Catholic Prep girls soccer team got back in the win column with a 5-1 non-conference decision against Evergreen Park.

Tessa Langan, Grace Fuller, Olivia Hurt, Kaitlyn Grady and Sophie Zanoni each had a goal. Fuller had two assists, while Hurt and Grady each added an assist.

Earlier, the Knights dropped an 8-0 Metro Suburban Conference Blue Division game to defending Class 1A state-champion Wheaton Academy and also lost 3-2 to Riverside-Brookfield in another Blue Division game.

The win against Evergreen Park pushed IC Catholic Prep to 7-3 overall.

"Wheaton Academy always is a tough one," said IC Catholic Prep coach Tom Schergen. "They are very good and they are probably just as

good, if not better, than when they won the 1A title. Wheaton Academy is in 2A now so we don't have to see them again."

In the Riverside-Brookfield game, R-B led 1-0 before Hurt hit a free kick into the upper corner of the net from 25 yards out to tie the game.

"R-B put two away to make it 3-1 and then we scored with 20 minutes left. The last 20 minutes it was press, press, press," said Schergen. "We couldn't get that last goal. We had about a week-and-a-half off for spring break and I think that affected us a little bit."

Fuller had IC Catholic Prep's other goal against R-B with an assist coming from Demitra DelFiacco.

Through the R-B game, Hurt was leading the team in goals with 10, while Langan had nine.

"I definitely like our energy and intensity we bring every game," said Schergen. "Against Wheaton Academy it was 2-0 at halftime. We brought the intensity to the game in the first half. They were better-skilled than us, but we were able to hang with them there. We know that energy and intensity won't be missing. The girls will play hard. We're still working on fixing some small things, but I really

enjoy the intensity they bring."

Scherger also likes how the team's newer players have familiarized themselves with their teammates and the system. "We have some freshmen who are new to the team and they are becoming pretty acclimated and playing significant minutes," he said. "They have blended in well with the rest of the team."

Scherger said another bright spot on the team has been its goalkeeping with Gabby Smola and Rochelle Spizzirri splitting time at the position.

"Compared to last year it's been leaps and bounds," he said. "Both of them have helped solidify our back line. They have three shutouts in (10 games). They have done a nice job back there and deserve a lot of credit."

Scherger said the end game for the Knights is to be on the top of their game once the IHSA postseason hits.

"Our big goal and big picture is the postseason," he said. "We want to be playing at the top of our game at that point. We're going to use these next couple weeks to prepare for that and to prepare for the Adidas Tournament of Champions that we will play in out in Iowa. We want to be playing at

a high level and make sure we turn in a good performance there."

IC Catholic Prep heads to Iowa April 28-29 and then will host both regional and sectional tournaments.

"We're pretty excited about hosting," said Schergen. "We seem to play pretty well at home. We're excited about having home field and not having to travel to play in the playoffs."

Downers North shuts out York

By ORRIN SCHWARZ
oschwarz@dailyherald.com

Girls soccer

Downers Grove North coach Brian Papa likes to get his reserve players into the action. On Tuesday night at York, they rewarded him for it.

The Trojans collected an impressive 3-0 girls soccer victory sparked by bench players.

"I can go up to 12, 13 kids who could all be starting," Papa said. "Not everybody can start. But like I've been telling everybody, it's our level of play when we sub. We don't want to drop, and right now that's happening. We're very happy right now."

Junior Carli Nehls, healthy again after an ankle injury, came off the bench to collect

a perfectly weighted throw from Maggie Nevry for the Trojans first goal of the game, in the 27th minute.

"It was perfectly placed by Maggie. It was a great ball," Nehls said of her second goal of the season.

The Trojans made it 2-0 in the 50th minute starters Abby Swanson and Delaney Forst combined for a Swanson goal. Four minutes later Swanson provided the service to Carissa Mysliwiec for a 3-0 lead.

Each of the three goals came out of strong combination play.

"Every goal that we're getting is developed from the field of

play, the run of play," Papa said. "How many teams can say that? Usually you generate through restarts. We're good on restarts. We didn't today, but we're good at them. We're getting better at them. We're going to be a very hard team to beat."

The Trojans were very tough Tuesday. They sent 23 shots toward the York goal. The Dukes got off 5 shots, 4 of them in the second half.

Trojans goalkeeper Grace Stevenson made 4 saves, including a highlight-reel save in the 52nd minute to keep the shutout intact.

"If she doesn't come up big with that save it's (2-1), a whole different ballgame," Papa said.

The Trojans (10-1-1,

3-0 West Suburban Silver) impressed the Dukes (7-7, 2-2).

"They're probably the fastest, strongest team that we've seen all year," York coach Don Vana said. "And that's the second time we've played them. We have a little bit of injuries going through out team and have some girls that are out. So it's hard to come back with that."

The victory showed how well the Trojans are adjusting in their first year with the veteran Papa as coach.

"We're getting into the groove," Nehls said. "At the beginning of the season, it was a bit of a change from last year, but I think we're finally settling in. It's kind of a snowball effect."

Downers South defeats Addison Trail

By PHIL BROZYSKI
Daily Herald Correspondent

Boys volleyball

Downers Grove South's 6-foot-6 outside hitter Shawn Tischler was in the right place at the right time at the end of both games Tuesday against visiting Addison Trail, and he was nowhere near the volleyball net.

Tischler's powerful jump-serve forced Addison Trail to scramble to get the ball back at the end of Game 1, setting up teammate Adam Branch's game-winning kill. He then served out the final 5 points of Game 2 after tying the set with a block.

Downers Grove South (14-12) remained perfect through four West Suburban Gold matches with a 25-23, 25-20 victory over Addison Trail,

sending the Blazers to their second league loss in four tries.

Tischler, who is headed to Sacred Heart University in Fairfield, Connecticut, in the fall to play volleyball, finished with 6 kills, 3 blocks and no aces. But his strong serving was the difference in Tuesday's match nevertheless.

"Going on those runs really helped us," Downers South coach Kurt Steurer said. "Shawn's serve has really come along this season. He's been working on his control and he gets a lot of power behind it. It's tough to ball control. It was nice to see him get in a rhythm out there."

Tischler admitted he was

having trouble with his serve earlier in the season, but said his coaches encouraged him to trust his defense.

"Last year my serve was just a little roll shot," he said. "Then I came in this year thinking, 'I'm a senior. I can start hitting it hard.' But I was not serving very well in the beginning. Our coaches told me to just stick to my routine and put the ball in play. It may not be the hardest serve, but it's working."

Senior middle hitter Parker Connolly led the Mustangs with 7 kills and a block, and second middle Riley Dockendorff added 4 kills.

"I don't think there's a better middle combination in the state," Tischler said.

Setters Parker Smith and Joe Gall both had 10 assists for

Downers South, which travels to Frankfort this weekend for the perennially tough Lincoln-Way East invite.

"If we keep doing what we're doing, stay focused at practice and keep pushing hard, the sky's the limit for us," Tischler said.

Jacob Grygo led Addison Trail (12-9) with 16 assists, 4 kills and 2 blocks, and Michael Pudlo added 6 kills.

"I like the way we served against them and I thought we attacked the ball pretty effectively," said Addison Trail coach Chad Grant.
