Departmental Outstanding Students

Art Department

Jacob Leazott

The Art Department has selected Jacob Leazott as their Outstanding Senior. Jacob has taken seven art/honors courses including Graphic Design, Cartooning & Animation, Game Design, and Advanced Placement Studio 2-D Design. Jacob's work is always creative, ambitious, complex and highly refined. In addition to always being helpful in the classroom and assisting classmates, Jacob has made several generous and creative contributions to Willowbrook's art and design community. Jacob assists with art show setups, curriculum showcase demonstrations, student planner designs, school t-shirt designs, and Jacob has been the lead designer and editor of our *Mindprints* art and literary magazine for the past two years. As Jacob prepares to launch into the world of mechanical engineering and digital art/design, we can't think of a better person to convert S.T.E.M. to S.T.E.A.M! Congratulations and best wishes Jacob! We look forward to hearing about your future achievements!

Department Head: John Epple

Career & Technical Education Department

Lucas Olson

The Outstanding Senior representing CTE is Lucas Olson. Lucas has demonstrated excellence in a multitude of CTE courses, clubs, and activities, including: Autos 1 & 2, Woods 1 & 2, Culinary 1 & 2, and Consumer Management. Lucas is truly an exceptional student not only in CTE, but also as a Willowbrook Warrior. Lucas is committed to his academic and professional growth, is a role model for his peers, is consistently on task, polite and helpful, and is always ahead of deadlines for his academics. Lucas is extremely willing to step in when a staff, student, or other adult needs assistance and personally recognizes when a classmate is in need, even if it is just someone in need of a smile. Lucas' dedication, leadership, friendliness and overall attitude toward everyone makes him the perfect CTE candidate for this award. Lucas is mature, reliable, personable, respectful, thoughtful, kind, and a hard worker. He is responsible in all he does: academics, athletics, and extracurricular activities. Lucas is thoughtful, humble, and a true gentleman. We are extremely proud of Lucas as a student, an adult, and a future member of the armed services via the Army.

Department Head: Mary Barney

Departmental Outstanding Students

English Department

Owen Allen

The English Department has selected Owen Allen as their Outstanding Senior. Owen's 10 Honors teacher, Mrs. Regina Wathier, expressed that Owen "is mature, exceedingly articulate, and industrious, and he leads his crew quietly, thoughtfully, and with a wicked sense of humor." His AP Language teacher, Mrs. Terri Woebel echoed, "He was quiet and humble, yet I could always see that he was highly engaged and he cared about his growth as a writer." Owen's 9 Honors teacher, Mrs. Leslie Allenspach adds, "I could always count on him to have a plethora of background knowledge, and if he did not have the background knowledge, he would borrow books so he could learn." Owen has been an instrumental part of the Willowbrook community. His fondest moments at Willowbrook are comprised of being a member of the Theatre program's crew taking 3rd at State this year, Chess Club, NHS, NEHS, Civitas, Scholastic Bowl, Key Club, and Student Council. What he loves about Theatre is that "it incorporates technology and other components that I enjoy," and that Mrs. Wathier "helped push me out of my comfort zone," attributing to his success. He plans to attend SIU in the fall to receive a bachelor's in Aviation Management.

Department Head: Brett Blair

Learning Services

Katherine Haack

The Learning Services team is pleased to name Katherine Haack as the Outstanding Senior for the 2016-2017 school year. Katherine is a self-directed learner who is extremely devoted to her education. She not only sets high standards for excellence in her own work, but she is also a role model for other students. She is always willing to assist peers, and served as a senior assistant for both PE and Zoology. Although Katherine's academic focus is noteworthy, several teachers have witnessed that her compassion and sense of responsibility cause her to stand out from her peers. She has given up personal time to not only assist others academically, but also to process social issues, demonstrating a highly developed emotional maturity. At Willowbrook, Katherine has participated in choral music, in which she enjoyed concert performances, and in art classes, through which she submitted work for the *Mindprints* publication. She has found high school to be a thoroughly rewarding and fulfilling experience and counts making new friends among her favorite memories. Katherine has future plans to become an elementary or Special Education teacher. Her communication skills, empathy for others, and her work ethic will serve her well in this career. The Learning Services Department looks forward to Katherine's certain future success.

Department Head: Barbara Willson

Departmental Outstanding Students

Literacy Department

Lorena Medina

The Literacy Department has selected Lorna Medina as their Outstanding Senior for the Class of 2017. Lorna arrived to the United States during her junior year of high school. In just two years, she has developed her English language skills to a high level. Lorna has challenged herself by taking core courses in mathematics, science and social studies. Her English teacher, Mrs. Gozzetti, shared that, "Lorna is a wonderful young woman who is extremely dedicated to her education. She continues to challenge herself everyday which is demonstrated through her excellent grades." Mrs. Lipowski, Lorna's Reading teacher, stated that she "is impressed with Lorna's work ethic on a daily basis. She is not afraid of hard work and does not settle for average. Lorna walks into class each day with a smile on her face, ready to learn. For this reason, she has accomplished so much in her short time in this country. She is a gentle soul with a kind smile, and makes her classmates feel comfortable to ask for help when needed." Lorna is a member of the Hispanic Leadership Club and is in AP Native Spanish. Congratulations Lorna!

Department Head: Jamie Gourley

Mathematics Department

Rachel Wiedman

Rachel Wiedman has stood out as an outstanding student in Mathematics all four years at Willowbrook High School. Rachel has chosen to take the most challenging math courses available at Willowbrook including AP Calculus BC and AP Computer Science during her senior year. Rachel demonstrates great mathematical insight and knowledge and uses them to contribute to classroom discussions on a high intellectual level. Rachel is persistent in her search for solutions to complex problems and is able to grasp mathematical concepts and strategies quickly and with great retention across all topics in mathematics. Never settling for just knowing an answer, she delves deeper into the topic to make sure she truly understands it. She helps her classmates and engages the class with insightful questions. Rachel has also been an outstanding, contributing member of the Willowbrook Math Team and helped lead the team to win the Illinois Regional Competition for the first time in school history. We wish Rachel the best of luck in all her future endeavors. Her teachers are excited and proud to have had the opportunity to work with such a mathematically talented young woman.

Department Head: Brian Chelmecki

Departmental Outstanding Students

Music Department

Matthew Sulla

Matthew Sulla is the Outstanding Music Student of the Music Department. Matt's auditions qualified him for ILMEA District IX All-District Orchestra and the All-State Orchestra. As a section leader in the WBHS Orchestra, Matt is a mentor to his peers. A soloist with the orchestra, he promotes private lessons within his section and participation in extracurricular ensembles. Matt has performed at various events at school and outside of school including breakfasts, open houses, award ceremonies, and more. Matt has played a tremendous role in the band program as well. He participated in marching band as a member of the drumline on bass drum. Matt has been one of the leaders of the Percussion Methods class, and has played bass in Jazz Ensemble I and Wind Ensemble, and filled in on percussion for Freshman Band. As a non-wind instrument player, Matt has found a way to participate in all facets of the band program. Matt has also played in the orchestra pit for our school musicals, in the combo for CenterStage, and is the rock band leader. Most importantly, Matt's positive attitude, hard work, and dedication have served as an outstanding example to the other students in the music program.

Department Head: Karyn Wolcott

Physical Education Department

Ali Mirza

The Physical Education Department is proud to choose Ali Mirza as our Co-Outstanding Senior for the 2016-2017. Ali exemplifies what we want from our Physical Education students. Ali is a tireless worker, has scored at the top of his class every year in our fitness tests and has earned the President's Fitness Challenge Award multiple time. This year, Ali also has scored at or near the top of his class in all of the new FitnessGram Assessments. Ali has spent his time at Willowbrook being involved in other physical fitness activities such as Football and Gymnastics. He has been involved in many clubs and service organizations as well. Ali's gift for helping others has spilled over from the Physical Education Leader program into other programs such as New Beginnings and the Mentors Program. Next year, Ali takes his can-do attitude and work ethic to the University of Illinois in Champaign-Urbana where he will study Political Science. Students like Ali are what make Willowbrook what it is, great!

Department Head: Michael Haussmann

Departmental Outstanding Students

Physical Education Department

Valentina Poggi

The Physical Education Department is proud to choose Valentina Poggi as our Co-Outstanding Senior for the 2016-2107 school year. Valentina is a tremendously hard working student who constantly challenges herself to be her best and to continue to improve. Valentina has been very successful in every Physical Education class that she has enrolled in during her time at Willowbrook. She has been tops in her class in the online class and is finishing her career at Willowbrook by giving back and serving as a Student Leader. Valentina's passion for physical fitness and being active crosses over to the soccer field. There she has been a 4 year Varsity player and a key member of that program. Next year, Valentina is going to continue her soccer and educational career at Elmhurst College. There she is planning on majoring in Biology. She intends to use this degree to pursue her dream to become a veterinarian. The Physical Education, Health, and Driver Education Department is very proud to have a student-athlete like Valentina representing our department!

Department Head: Michael Haussmann

Science Department

Jonathon Staunton

The Science Department is pleased to announce Jonathon Staunton as its Outstanding Senior for the 2016-2017 school year. When nominees for this award are considered, there are a number of requirements candidates must possess: a sincere passion for the sciences, perseverance, and the drive to do their personal best in every undertaking. Jonathon is very highly regarded in the Science Department and he exemplifies the qualities of an Outstanding Student. AP Physics 1 teacher Mr. Tiu says, "Jonathon has matured a lot over the past four years. He has a passion for learning that has gone past just getting a good grade. He affirmed his passion for science while attending a Symposium on Technology and Advanced Robotics last spring." James Kedvesh, AP Physics 2 teacher echoes those sentiments, "Jonathon always asks the extension questions in class. He grasps material quickly and then is interested and confident enough to ask independent questions that benefit all in the class. Also he has a great sense of humor with impeccable timing." Jonathon will be attending Loyola University beginning in the fall, where he will study Biophysics with the hopes of going into Medicine. We wish Jonathon the best of luck and look forward to hearing about his accomplishments in the future.

Department Head: Yvonne Tsagalis

Departmental Outstanding Students

Social Studies Department

Makena Walsh

The Social Studies Department is proud to announce the selection of Makena Walsh as our Outstanding Senior for the 2016-2017 school year. Makena credits her Social Studies teachers for instilling in her a love of learning about people, the positive impacts we can have on each other, and how we can work to improve other people's lives. Her participation in Civitas and other Social Studies co-curricular activities has provided her with an outlet to explore social interactions and serve others. Makena has particularly enjoyed the biology and interpersonal aspects of Psychology, and will take that learning forward next year as she begins her studies of nursing at Marquette University. Congratulations and best wishes, Makena!

Department Head: Peter Montgomery

World Language Department

Hannah Hewitt

The World Language Department *está orgulloso* to announce Hannah Hewitt as our Outstanding Senior. Hannah is the only native English speaker that has taken both AP Spanish Language and AP Spanish Literature. According to teacher, Valeria Carrillo, "There has not been a more inquisitive young lady that I had the honor to know. Her thirst for knowledge and the love for learning for learning's sake is what always made her stand out while in AP Spanish as a junior. She is a very passionate person that is also always willing to help anyone who needed help." Her AP Spanish Literature teacher, Miguel Molina says, "Hannah is the first student I have had taught that has become fully bilingual in four high school years. Hannah's ability to critically read and interpret challenging poetry, sonnets, stories, and plays shows just how hard she works in order to succeed and have fun in a challenging class like mine. Also, Hannah stands out due to her scholastic ability, meaning she is taking five AP courses and is here at Willowbrook by 6:30 AM every day." Hannah will be attending The University of Minnesota this fall, where she will study linguistics with the goal of becoming a linguistics researcher/professor.

Department Head: Katherine Strand-Carroll

The Warrior Award

The Warrior Award

Isis Perez

Each and every day at Willowbrook High School, there are countless acts of humility, kindness, bravery, and courage that go unnoticed. There are many among us who silently conquer adversity and defy the odds that have been placed against them...without calling attention to themselves...and while maintaining a positive attitude no matter how unfair or difficult their circumstances appear to be. The Warrior Award hopes to shed light on these exceptional individuals....individuals who prove that heroism is not a trait only reserved for Hollywood superheroes or famous athletes.....but that the real heroes often walk amongst us. It is the distinct honor of the Warrior Wall Project to recognize an individual who has embodied courage, bravery, and a spirit of resiliency during her life and high school career: **Ms. Isis Perez.**

Erik Engel, School Social Worker

Willowbrook Fight Song

*Fight, Roman Warriors,
for glory and vict'ry in the game.*

*Fight for the honor
of winning the highest fame for our name.*

*Willowbrook High School is proud
to be cheering you to vict'ry.*

*So we want to know we'll cheer
'til we reach our goal.*

*Raise high our banner,
with colors of silver, grey and blue.*

*It stands for spirit –
the spirit to win acclaim that's our due.*

*Gridiron or classroom,
we're striving to win an ever-high score.*

*Hear us say it once more –
let's go, Roman Warriors, score!*
