Any grievance filed which alleges a violation of this Agreement may not, as a term of its requested remedy, seek a reversal of the exercise of any of the Board's aforesaid powers but may only request a declaratory decision that the Board violated the procedures enumerated herein alleged to have been violated.

ARTICLE III UNION RIGHTS

3.1 Use of Facilities and Equipment

The Union shall, upon the building principal's approval of scheduled use, have the right to use building reproduction equipment for purposes of duplicating materials used in conducting official business. There shall be no charge for the use of equipment. The Union shall pay the cost of duplication. Information distributed by the Union using mailroom facilities must bear the name of the Union. The Union shall send to the Superintendent and principals a copy of all printed material on the same day it is distributed to the staff.

The Union shall be permitted to use part of an existing bulletin board designated by the administration for Union business.

Copies of any correspondence from the Union or its elected officers to the Board and its individual members shall be provided to the Superintendent on the same day.

3.2 Board Agenda

The Union president will be furnished a copy of the agenda of each Board meeting prior to said meeting.

3.3 Union Announcements

Union meetings and other scheduled activities shall be published in the building calendar, if submitted to the building administrator in writing within seven (7) calendar days after the end of the school term. Union announcements shall be carried in faculty bulletins.

3.4 Non-Interference

The conducting of Union business shall not encroach upon the educational program of the schools.

3.5 Union Listing

A listing of Union officers shall be included in the District 88 Faculty Directory.

3.6 Check-Off

1. The School District Business Office will deduct Union dues from the regular salary paychecks of those Teacher Aides submitting properly completed Professional Organization Membership Dues Check-Off Authorization Forms.

The authorization form must be presented to the District Business Office at least fifteen (15) working days before the first payroll deduction can be made. No authorization forms for a given year will be accepted after May 1.

The Union shall notify the School District Business Office of the annual amount to be deducted by July 15 of each year. If notice is not received by July 15 in any subsequent year, the annual amount to be deducted shall remain the same.

2. The Board shall also deduct contributions for the West Suburban Committee on Political Education for any Teacher Aide who submits by November 1 a properly executed form prepared by the Union authorizing such deduction. The deduction shall be made from the second paycheck in November. The transmittal and revocation procedures described above shall be followed.

3.7 Discussion of Views

Matters encompassed in this Agreement and/or concerning Union/Board business will not be discussed by the parties or the Administration in the presence of District 88 students, nor will the parties solicit or encourage students to convey such information to parents or the public. However, this provision shall not be construed to prohibit discussion with a student relative to any pending employee or student disciplinary investigation or proceeding or administrative, civil or criminal proceeding, in which the student is directly or indirectly involved.

All TEACHER AIDES who are not members of the Union shall, , pay to the Union each month their fair share of the cost of the services rendered by the Union that are chargeable to non-members under state and federal law.

The Union shall certify to the Board the amount of the fair share fee, not to exceed the dues uniformly required of members of the Union, and shall supply the Board and the

non-members a copy of the basis of the calculation of the fee. The fair share fee payment shall be deducted by the Board from the earnings of the non-member Teacher Aides and paid to the Union.

Non-member Teacher Aides who object to the amount of the fair share fee have the right to file an unfair labor practice charge against the Union pursuant to paragraph 1714(b) (1) of the Illinois Educational Labor Relations Act. If a non-member Teacher Aide declares the right of non-association based either upon bonafide religious tenets, or teachings of a church or religious body of which such Teacher Aide is a member, or upon philosophical differences, such non-member shall be required to pay an amount equal to the Teacher Aide's proportionate fair share, as determined under this fair share agreement, to a non-religious charitable organization mutually agreed upon by the non-member and the Union from a list compiled by the Union and the Board. If the affected Teacher Aide and the Union are unable to reach an agreement on the matter, the Teacher Aide may select a charitable organization for receipt of the payment from an approved list established by the Illinois Educational Labor Relations Board.

The Union shall indemnify and hold harmless the Board, its members, officers, agents and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of or by reason of action taken by the Board for the purposes of complying with the above provisions of this Article, or in reliance on any list, notice, certification, affidavit, or assignment furnished under any of such provisions.

All Teacher Aides shall be given a duty-free unpaid lunch period as provided above. Teacher Aides working a six (6) or more hour day shall be given a ten (10) minute rest break in the morning and ten (10) minute rest break in the afternoon. With the approval of the Administration, Teacher Aides may combine these two (2) breaks into one (1) twenty (20) minute break in the morning only.

At the beginning of each school year two (2) comp days will be allocated to each full-time Teacher Aide. 5.3 Notice of Assignment

ARTICLE VI REDUCTION IN FORCE

6.1 Classifications Within Bargaining Unit

For purposes of this Agreement, each bargaining unit employee shall earn seniority rights within one of the following bargaining unit classifications:

1. Teacher Aide - Special Education
2. Teacher Aide - Science
3. Teacher Aide - Literacy (Reading, ESL, LSC/ARC)
4. Teacher Aide - Music
5. Teacher Aide - Library
6. Teacher Aide - English
7. Teacher Aide - Math
8. Teacher Aide - General
9. Teacher Aide - Vocational

6.2 Seniority List

Annually, not later than February 1, the Administration shall prepare, maintain and post a seniority list. A copy of said list shall be provided to the Union. Teacher Aides' total length of full-time service in the employ of the Board as a Teacher Aide shall be calculated for purposes of seniority provided, however, that a Teacher Aide must have worked a minimum of ninety (90) days in a given work year in order to receive seniority credit for such year.

Any district employee hired to be a Teacher Aide shall retain his/her seniority for purposes of benefits, but not for purposes of Reduction in Force, where seniority shall be determined by length of service as a Teacher Aide.

Any employee whose responsibilities are split between more than one classification will have seniority in the classification where the majority of their hours are contributed.

6.3 Reduction Procedures

If the bargaining unit member(s) is/are removed or dismissed as a result of a decision by the Board to decrease the number of bargaining unit employees or to discontinue a particular type of bargaining unit service, written notice shall be given to the employee(s) by registered mail at least sixty (60) days before the end of the school term, together with a statement of honorable dismissal and the reasons therefore.

The employee(s) with the shorter length of district seniority of those in his/her respective classification (as defined in subparagraph 6.2 above) shall be dismissed first. Ties in seniority shall be broken by lot.

When a reduction-in-force occurs due to elimination of a program or for economic reasons, the Union President shall be notified of the positions in the bargaining unit that shall be affected.

6.4 Recall Rights

If the Board has any vacancies for the following school term or within one (1) calendar year from the beginning of the following school term, the position thereby becoming available within the specific classification (as defined in subparagraph 6.1 above) shall be tendered to the employee(s) so removed or dismissed from that classification, so far as they are qualified to hold such position.

Notice of recall shall be sent by certified mail, return receipt requested, to the employee's last known address as listed with the Office of Human Resources. Failure of the employee to accept in writing the available recall position within fourteen (14) calendar days from receipt of the recall notice shall extinguish all recall, seniority and employment rights of said employee.

ARTICLE VII

GRIEVANCE PROCEDURE

"Grievance" as used in this Agreement means a complaint by an employee that there has been a violation, misinterpretation or misapplication of any specific provision(s) of this Agreement.

The Board acknowledges the right of the Union to assist a grievant at any level of the grievance procedure, and the Union acknowledges the right of any member of the Administration to receive assistance as desired in any step of the grievance procedure. Failure of any grievant or the Union to act on a grievance within the prescribed time limits will act as a bar to any further appeal, and the Administrator's failure to give a decision within the prescribed time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual consent.

A grievance involving the act of any Administrator above the building level shall initially be filed at Step 2 of the grievance procedure after the grievant first has consulted with the building level Administrator involved.

The steps shall be as follows:

- Step 1: If the grievance cannot be resolved informally, the grievant shall present the grievance in writing on a form, which is attached as Appendix A, to the Assistant Principal no later than ten (10) business days after the occurrence of the claim or complaint. The Assistant Principal will arrange for a meeting to take place within five (5) business days after receipt of the grievance. A Union representative, the aggrieved party and the immediately involved supervisor, and any person whose assistance he/she requests, may be present for the meeting. The Assistant Principal will then, within five (5) business days after the meeting, provide the grievant with a written memorandum setting forth the disposition of the grievance. Such memorandum shall contain reasons upon which the disposition of the matter was based.
- Step 2: If the grievant is not satisfied with the disposition of the grievance at Step 1, or if Step 1 time limits expire without the issuance of the Assistant Principal's memorandum, the grievant may within five (5) business days refer the grievance to the Principal and his/her designee. The Principal shall within five (5) business days conduct a meeting with the same parties being present as may be present in Step 1. Upon the conclusion of the hearing of the grievance, the Principal shall have five (5) business days in which to provide his/her written decision to the grievant.
- Step 3: If the grievant is not satisfied with the disposition of the grievance at Step 2, or if Step 2 time limits expire without the issuance of the Principal's written decision, the grievant may within five (5) business days refer the grievance to the Assistant Superintendent or his/her designee. The Assistant Superintendent shall within five (5) business days conduct a meeting with the same parties being present as may be present in Steps 1 and 2. Upon the conclusion of the hearing of the grievance, the Assistant Superintendent shall have five (5) business days in which to provide his/her written decision to the grievant.

Step 4: If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial, binding arbitration. The Union shall submit, in writing, a request to the American Arbitration Association within ten (10) business days from receipt of the Step 2 answer to proceed to Step 3. The arbitrator shall be selected from the American Arbitration Association in accordance with their Voluntary Labor Tribunal Rules.

Each party shall be entitled to representation and witnesses. The arbitrator shall have no power to alter the terms of this Agreement, or to make any award void or prohibited by law, statutory or decisional.

The cost of the arbitrator shall be borne equally by the parties. Should either party request a transcript of the proceedings, that party will bear the cost of the transcript. The arbitrator's decision shall be final and binding upon the parties. His/her decision must be based solely and only upon his or her interpretation of the meaning or application of the express, relevant language of the Agreement.

Should the investigation of any grievance require, in the judgment of the Administration, that an employee be released from his/her regular assignment, he/she shall be released without loss of pay or benefits for a period of time, determined by the Administration, necessary to complete said investigation.

The Board agrees not to take any reprisal against any person for his/her participation in the grievance process. The Union agrees to take no reprisals against any person because of his or her participation or refusal to participate in the grievance process.

ARTICLE VIII

LEAVES

8.1 Sick Leave

Sick leave shall be interpreted to mean leave due to illness, quarantine at home, or serious illness or death in the immediate family or household. The immediate family for purposes of this section shall include: parents, spouse, brothers, sisters, children, stepchildren, grandparents, grandchildren, parents-in-law, brothers-in-law, sister-in-law and legal guardians.

Teacher Aides shall be entitled to a maximum of eleven (11) days of sick leave per year. Unused sick leave days may be accumulated to a maximum of three hundred (300) days.

Any employee absent more than five (5) consecutive school days shall notify the Office of Human Resources. Certification forms will be provided to the employee for completion by a health care provider authorizing fitness to return to duty, if necessary.

During the first year of employment Teacher Aides shall accumulate sick leave as follows:

Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun
	11	10	9	8	7	6	5	4	3	2	1(days)

8.2 Personal Business Leave

Teacher Aides shall be entitled to three (3) days of leave annually for matters of personal business which cannot be accomplished on non-school days. Personal business leave for newly hired Teacher Aides shall be prorated based upon the date of hire.

Written application for such leave shall be made to the Administration on the request for pre-arranged leave form or AESOP at least forty-eight (48) hours prior to such leave, provided that, in cases where such notice is not practicable, application shall be made immediately upon the Teacher Aide's return to work.

Personal business absence will generally not be granted on the day before or following school vacation or holidays periods, Institute Days or during the first ten (10) or the last ten (10) days of the school term. An exception to this rule may be granted by a decision of the Superintendent (or designee). Exceptions will be granted on rare occasions at the discretion of the Superintendent based upon the following guidelines:

- A. The request must be submitted in writing to the Building Principal at least ten (10) calendar days before the date the Teacher Aide wants to use a personal business leave day. The written request must set forth detailed reason(s) for the exception.
- B. The Building Principal will bring the request to the Superintendent (or designee) who shall review the request and determine whether an exception should be approved.

- C. In the event that an emergency occurs within the ten (10) day time frame, and a Teacher Aide needs to request a “personal business leave day exception”, the Teacher Aide will provide a detailed written request to the Building Principal. The Building Principal will work with the Superintendent or designee to render a more immediate decision.
- D. In making the decision whether to grant a “personal business leave day exception”, the Superintendent or designee will consider the following:

No request will be approved for vacation, travel or recreational purposes or similar reasons. Determinations by the Superintendent or designee to grant or deny an exception shall not establish a practice or precedent and shall not be subject to the grievance procedure set forth in the Collective Bargaining Agreement.

- 1. The request must be for a significant one-in-a-lifetime event for which the Teacher Aide has no control over the scheduling including, but not limited to, the following examples:
- 2. Attendance at a school graduation ceremony/recognition of achievement ceremony of a Teacher Aide’s child, stepchild or member of the Teacher Aide’s immediate family; or
- 3. Attendance at a college graduation/recognition of achievement ceremony of a Teacher Aide, Teacher Aide’s spouse, child, stepchild or member of the Teacher Aide’s immediate family; or
- 4. Attendance at a military graduation ceremony or an overseas military deployment ceremony of a Teacher Aide’s spouse, child, stepchild or member of the Teacher Aide’s immediate family; or
- 5. Appearance in a court of law as a litigant when sincere but unsuccessful efforts have been made to reschedule an appearance; or
- 6. Attendance at a funeral (for situations not covered under the leave policy).

Personal business leave days shall be immediately available for use as sick leave and unused personal business leave days shall, at the end of each school year, accumulate as unused, available sick leave.

8.3 Family and Medical Leave

District 88 provides Family and Medical Leave in accordance with the Family and Medical Leave Act of 1993 as amended (“FMLA”). Employees who have been employed in a full-time capacity for at least one (1) year, *and* for at least 1,250 hours during the preceding 12-month period are eligible for family and medical leave. Such leave shall be unpaid unless accumulated sick or emergency/personal business leave is available to the employee.

Spouses employed by the district are jointly entitled to a *combined* total of 12 work weeks of family leave for the birth and care of a newborn child, for placement of a child for adoption, and to care for a parent who has a serious health condition.

Reasons for Leave

All employees who meet the applicable time of service requirements may be granted family or medical leave for a period of twelve (12) weeks (during any 12-month period) for the following reasons:

- a. The birth of a child, or placement of a child with you for adoption or foster care*
- b. Your own serious health condition*
- c. Because you are needed to care for your spouse, child or parent due to his/her serious health condition*
- d. Because of a qualifying exigency arising out of the fact that your spouse, son/daughter or parent is on active duty or call to active duty status in support of a contingency operation as a member of the National Guard or Reserves*
- e. Because you are the spouse, son/daughter, parent or next of kin of a covered service member with a serious injury or illness*

The entitlement to leave for the birth or placement of a child for adoption or foster care will expire twelve (12) months from the date of the birth or placement. For leave reasons of birth or placement of the employee's child, intermittent and reduced schedule are not permitted.

Procedure for Requesting Leave

In all cases, an employee requesting leave must complete the "Request for Leave of Absence" application and return it to the office of Human Resources. The completed application must state the reason for the leave, the duration of the leave, and the starting and ending dates of the leave.

An employee intending to take family or medical leave because of an expected birth or placement, or because of a planned medical treatment, must submit an application for leave at least thirty (30) days before the leave is to begin. If leave is to begin within thirty (30) days, an employee must give notice to the office of Human Resources as soon as the necessity for the leave arises.

In the case of a request for intermittent or reduced schedule leave, or leave for planned medical treatment, the employee shall make every reasonable effort to schedule the leave so as not to unduly disrupt the District's operations.

Medical Certification

An application for leave based on the serious health condition of the employee or the employee's spouse, child or parent must also be accompanied by a "Medical Certification Statement" completed by a health care provider. The certification must state the date on

which the health condition commenced, the probable duration of the condition, and the appropriate medical facts regarding the condition.

If the employee is needed to care for a spouse, child or parent, the certification must so state, along with an estimate of the amount of time the employee will be needed. If the employee has a serious health condition, the certification must state that the employee cannot perform the functions of his or her job.

Benefits Coverage During Leave

During a period of family or medical leave, an employee will be retained on the District's health plan under the same conditions that applied before leave commenced. To continue health coverage, the employee must continue to make any contributions that he or she made to the plan before taking leave. In addition, employees will be given a copy of the formula used to calculate how his/her salary may be prorated or otherwise affected as a result of the leave.

The continuation of benefits pursuant to this policy ends on the effective date of the notification to the office of Human Resources of the employee's intent not to return to work. Employees who fail to return to work without good cause shown, shall be required to repay the cost of all insurance benefits provided during the leave.

Restoration to Employment Following Leave

An employee returning from Family and Medical Leave will be restored to his or her old position *or* to a position with equivalent benefits, pay and other terms and conditions of employment.

8.6 Disability Leave

Illinois Mutual Retirement Fund provides two types of disability benefits:

1. **Temporary** disability benefits are paid if you are unable to perform the duties of any position which might reasonably be assigned by your current IMRF employer.
2. **Total and permanent** disability benefits are paid after temporary disability benefits have expired and if you are unable to engage in any gainful activity for any employer.

An employee is eligible for temporary disability benefits if:

1. The employee has at least twelve (12) consecutive months of IMRF service credit preceding their disability.
2. The employee is unable to perform his/her job for more than 30 days.
3. The employee receives treatment for his/her disabling condition as soon as he/she stops working, and his/her physician(s) certifies his/her disability and provides evidence of his/her disability to IMRF.

Temporary disability benefits may also be available for a disability resulting from elective surgery and pregnancy. An employee may receive benefits from worker's compensation, Social Security Disability or Social Security Retirement and outside (non-IMRF) disability insurance plans in conjunction with the benefits they receive from IMRF.

If the employee's temporary disability benefits run out and they are still disabled, an investigation will be conducted by IMRF to determine the eligibility for total and permanent disability benefits.

Teacher Aides hired after November 1 will not receive longevity credit until the next school year.
3. No newly hired Teacher Aide will be paid a starting salary which exceeds the salary of a current Teacher Aide with similar experience (Non-Teaching License; Teaching License).

9.2 Overtime

1. Assigned, approved hours worked in a similar role to the normal duties of the Teacher Aide, that exceed thirty (30) hours for a 6 hour employee or thirty-five (35) hours for a 7 hour employee, but less than forty (40) hours in a work week, shall be compensated at the Teacher Aide's straight-time rate of pay.

Assigned, approved hours worked in a similar role to the normal duties of the Teacher Aide, that exceed a forty (40) hour work week shall be compensated at a rate of one and one-half (1-1/2) times the overtime hours worked. 2. In the event overtime is required, the Administration shall solicit volunteers to fill the overtime positions. In the event no volunteers are available, or the volunteers available are unqualified, overtime may be assigned. Overtime assignments will be made on a rotational basis at each work site to Teacher Aides who normally do the work assigned. Reasonable advance notice will be given to Teacher Aides assigned overtime.
3. No more than forty (40) hours of compensatory time may be earned in a contract year. Use of compensatory time must be approved by the Teacher Aide's building administration. Requests for use of compensatory time off shall be submitted in writing to the building administration in accordance with Business Office procedures for processing payroll.

9.3 Medical Insurance

The BOARD shall make available group medical insurance at the Teacher Aide's request. For the duration of this contract the Board shall pay for the PPO and HMO plans 85% of the single employee premium and an additional 70% of the difference between the single premium and the applicable dependent premium. The Board share will be computed as follows:

Using as an example, a \$300 single premium and \$800 family premium.

Single Premium = $\$300 \times .85 = \255 board share and \$45 employee share.

Family Premium = \$800. $\$800 - \$300 = \$500 \times .70 = \350 . $\$255 + \$350 = \$605$
Board share for the family coverage and \$195 employee share.

Should the PPO premiums for the 2018-19 school year increase more than 22% over the premium rates for the 2017-18 school year, the deductible and out-of-pocket both will increase by \$100. Any premium increase of more than 22% in subsequent years will result in additional \$100 increase in the deductible.

Should the HMO premiums for the 2018-19 school year increase more than 22% over the premium rates for the 2017-18 school year, the office visit and emergency room co-pay will both increase by an additional \$10. Any premium increase of more than 22% in subsequent years will result in additional increases in the co-pay and emergency room care according to the rates established by the provider.

1. PPO Plan (add), HMO Blue Advantage and HMO Illinois Plans (amend) - establish three tier prescription co-pay with mail order option as fourth tier. Three tier will be \$10/\$20/\$40 for generic, formulary and brand. Mail order will be two and one-half times the monthly script cost.
2. PPO only plan change, add a fourth tier for pricing of employee + child(ren).

The new rates shall be published to Teacher Aides prior to the start of each of the above school terms, or as soon thereafter as available from the provider.

The PPO and HMO plans shall be provided through Blue Cross/Blue Shield of Illinois and the Blue Cross/Blue Shield HMO Illinois in accordance with the plans. After consultation with the Insurance Committee as provided in Section 9.6, the Board may change the provider and the plan benefits but only to providers and plans substantially equal to Blue Cross/Blue Shield and the plan summaries. Any such changes shall take effect only with at least 60 days' notice to Teacher Aides.

9.4 Compensation Guides

All Teacher Aides shall be paid twice a month on the 15th and the last day of the month. If a payday is a holiday, or falls on a weekend, then said payday will be the last working day preceding such holiday or weekend. The final payday shall be nine (9) days after the last day of the contractual work year.

9.5 Illinois Municipal Retirement Fund

The required Teacher Aide's contribution to IMRF will be tax-sheltered by the Board. The Union and the Teacher Aide will defend and hold harmless the Board and its agents with respect to this payment to IMRF. If the Internal Revenue Service or a court of competent jurisdiction shall hold that the Board lacks authority to make such payments, or that such payments are not excludable from income, the Board shall promptly commence withholding federal and state taxes from such payments.

9.6 Insurance Committee

A standing committee which includes (1) Teacher Aide selected by the Union shall meet annually with the Board or its designated representatives to review the insurance program, with the purpose of reviewing and suggesting improvements, additions or revisions in the existing program.

The Insurance Committee will be advisory only, but it must be consulted and given an opportunity to review and make recommendations on any potential changes in the provider and plan benefits specified in Section 9.3 at least 180 days in advance of implementation of any such change.

9.7 Worker's Compensation

A Teacher Aide who is eligible to receive Illinois Worker's Compensation temporary disability benefits for a period of absence from employment may elect whether to take sick leave benefits or Worker's Compensation benefits during the period of disability. If the Teacher Aide elects to take a paid sick leave during the period of disability, said employee shall turn over to the District the amount of Worker's Compensation benefits received. If the Teacher Aide elects to take Worker's Compensation benefits during the period of disability, he/she shall not have any reduction of sick leave credit accrued. A Teacher Aide who has exhausted his or her sick leave accumulation shall not receive a salary and shall not be required to turn over to the School District any Worker's Compensation benefits which he/she receives.

9.8 DuPage Credit Union

Teacher Aides may request payroll deductions for savings or loans to the DuPage Credit Union. Appropriate forms for payroll deductions shall be made available in the District Business Office. Participation may begin at the time of employment or at any time during the year.

Once the age of seventy (70) is reached the insurance coverage will be reduced to seventy-five percent (75%) of the insured amount. Once the age of seventy-five (75) is reached the insurance coverage will be reduced to fifty percent (50%) of the insured amount.

9.11 Flex-Spending Plan

1. The Board shall maintain a salary reduction plan which meets the requirements of Section 125 of the Internal Revenue Code and Treasury Regulations promulgated there under. If, at any time, Section 125 or related Regulations are amended, the parties shall promptly revise the plan to comply with the amendment.

2. A Teacher Aide may annually elect to participate in the salary reduction plan by choosing to receive benefits described below. The amount elected shall be deducted from the Teacher Aide's compensation. The plan year shall begin on July 1 and end on each June 30 thereafter. Prior to the beginning day of the plan year, each Teacher Aide shall, in writing, designate the dollar amount(s) elected for that year for each of the following benefits:
 - a. Premiums for group medical, dental, or other insurance, single or dependent coverage, to the extent such premiums are not paid by the Board; and/or,
 - b. Reimbursement for qualified dependent care assistance as defined and allowed under the Internal Revenue Code, up to the maximum amount allowed by law; and/or,
 - c. Reimbursement for any amount of deductibles under the group insurance described in B.1; and for any other qualified unreimbursed medical care expenses as defined and allowed under the Internal Revenue Code.
3. The amount designated may not be changed during the plan year unless there is a change in family status or other circumstances provided in Section 125 and/or Treasury Regulations promulgated there under. Any amounts designated for which valid reimbursement claims are not made on a timely basis will be forfeited and not otherwise paid to the Teacher Aide during that year or carried over to a succeeding plan year, and such amounts shall become the property of the plan. Any administrative costs relating to this plan shall be borne by the participants of the plan.
4. The dollar total of the designated benefits elected pursuant to the plan will be deducted in equal amounts from the Teacher Aide's salary payments during the plan year.
5. The Board does not guarantee or, in any way, warrant that the salary reductions are non-taxable, said determination to be made by each individual Teacher Aide.
