## Park Art Center exhibit to feature local artists

The works of local artists Tony Fitzpatrick and Kirk Kerndl will be on exhibit at Villa Park's Park Art Center from Sept. 22 through Oct. 28. The opening reception will take place from 6 to 9 p.m. on Sept. 22 at the center, which is located at 9 E. Park Blvd. Country Financial is sponsoring the reception.

Fitzpatrick, who is originally from Lombard, is one of Chicago's best-known artists. Nearly 200 of his prints are at the Art Institute of Chicago.

Fitzpatrick suggested Park Art Center pair his work with the pieces

of Kirk Kerndl, a realist painter from Lombard.

"I've always found that through my paintings I am able to find the peace and solitude that I sometimes struggle to find in everyday suburban life," said Kerndl. "My work attempts to capture the stillness and beauty of the Midwestern rural landscape."

Park Art Center's gallery hours are 11 a.m. to 5 p.m., Tuesday through Saturday.

## EISUS Fun Fest to be held Sept. 24

The fourth annual EISUS Fun Fest will take place on Sunday, Sept. 24, at Cortesi Veterans Memorial Park. The event, which will raise funds for the American Brain Tumor Association (ABTA), will run from 1 to 4 p.m. at the park, which is located at 320 E. Kenilworth Ave., Villa Park.

The festival will include raffle tickets, music, pizza, beverages and games. Entry to the event is free. The sale of raffle and game tickets generate the fundraising. All of the funds raised at the event will be donated to the ABTA.

The EISUS Fun Fest honors Susie Jurkonis, a 1994 graduate of Willowbrook High School. As a toddler, Jurkonis would sign her artistic pieces with EISUS—her first name spelled backwards.

After graduating from Willowbrook, Jurkonis attended Purdue University, where she had received a volleyball scholarship. Shortly af-

ter enrolling at Purdue, Jurkonis was diagnosed with a malignant brain tumor. She battled for over two years before she passed away in 1998 at the age of 22.

The Susan Jurkonis Memorial Foundation provides support for brain tumor research. The foundation also provides scholarships for Willowbrook students.

The EISUS Fun Fest and Susie's Smash—a badminton tournament held each May—generate funds for the foundation.

The foundation gratefully acknowledges the support and assistance of the Villa Park Parks and Recreation Department, the Kiwanis Club of Villa Park and Villa Park Veterans of Foreign Wars Post No. 2801.

For more information, or to volunteer for the event, contact the foundation at [eisus15@gmail.com](mailto:eisus15@gmail.com), or visit [susanjurkonisfoundation.org](http://susanjurkonisfoundation.org).

## Jessen carries the load in Warriors' win over Leyden

### Senior standout runs for 214 yards and three TDs in conference opener

Willowbrook's football team opened the West Suburban Gold Conference season with Friday's 20-13 win over Leyden in Northlake.

Senior Jack Jessen rushed for 214 yards on 38 carries and scored all three of his team's touchdowns to lead the Warriors to the victory. Willowbrook improved its overall record to 2-1, while Leyden dropped to 1-2.

"You don't take wins for granted," said Willowbrook coach Nick Hildreth after the win over the Eagles. "Anytime you win a football game, you're happy. It's always a battle here. We know each other so well."

The Warriors gained some revenge over the Eagles, who prevailed 21-9 in last year's meeting in Villa Park. That Week 8 win locked up the 2016 conference title for Leyden, which posted a 6-0 mark in the WSGC. Willowbrook went 4-2 in the conference before winning two post-season games and advancing to last year's IHSA Class 7A quarterfinal round.

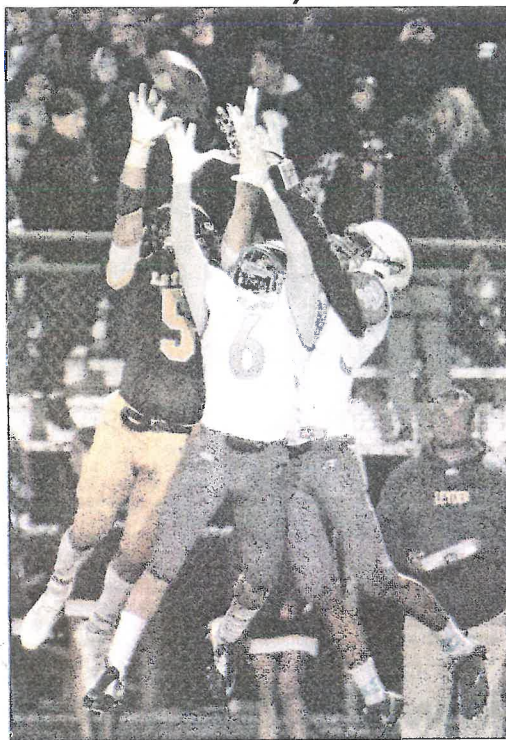

Friday's win at Leyden also helped the Warriors bounce back from their previous game—a hard-fought 27-21 loss at Hinsdale Central on Sept. 1.

The Eagles took advantage of a Willowbrook miscue to score the game's opening touchdown. The Warriors responded on the ensuing drive, with Jessen breaking a 60-yard touchdown run. Senior Betty-Ann Garrett kicked the extra point to tie the score at 7-7.

Leyden regained the lead by returning an interception for a touchdown late in the opening period. The Warriors took the lead with a second-quarter touchdown drive that ended on a short run by Jessen. Senior quarterback John Taylor set up the touchdown with a run that covered over 50 yards. Garrett's extra-point kick gave Willowbrook a 14-13 edge.

Jessen scored the only points of the second half on a short run late in the third quarter.

"We just picked each other up," said Jessen after the game. "We don't let each other get down, and that's

Brothers Sam and Scott Tumilty of the Willowbrook football team each made one interception during Friday's 20-13 win over Leyden. Sam (No. 6-above left) jumped (along with sophomore Deandre Holliday far right) to grab an interception late in the third quarter. Scott (No. 20-above right) made his interception with under five minutes to play in the fourth quarter. The Warriors improved their overall record to 2-1 with the victory over the Eagles. Willowbrook will meet District 88 rival Addison Trail in this Friday's game in Villa Park.

how we win ball games."

"He's just a fun kid to coach," said Hildreth of Jessen, who plays run-

ning back on offense and linebacker on defense. "He never wants to leave the field. He's willing to do anything to help the team."

Jessen shrugged when he was asked if he was tired by the workload of playing on both sides of the ball.

"I'm not getting tired at all," said Jessen. "My job is to run hard and get the yards for the team."

The Tumilty brothers—Scott and Sam—helped the Warriors maintain their lead during the second half by intercepting Leyden passes. Sam, a

sophomore, made a leaping catch of an Eagle pass late in the third quarter. Scott, a junior, sealed Willowbrook's victory when he picked off a pass with under five minutes to play.

Sam's interception gave the Warriors possession of the ball at their own 27-yard line. Scott's interception of

a tipped pass left Willowbrook with the ball at its own 32-yard line.

Willowbrook will try to improve to 2-0 in conference play with this Friday's home game against its District 88 rival—Addison Trail. The Blazers (2-1 overall) will begin their conference schedule this week.

## Glenbard East drops conference opener to South Elgin

### Rech fires three TD passes in a home loss

The Glenbard East football team opened the Upstate Eight Valley Conference season with Friday's 37-22 loss to South Elgin in Lombard.

The Rams, whose overall record fell to 0-3, will continue their conference schedule with this week's game at West Aurora (3-0 overall, 1-0 in the conference.)

Glenbard East scored a touchdown in the first minute of its conference opener against Storm, which improved to 3-0 overall. The Rams executed a trick play on the game's second play from scrimmage; junior quarterback Bret Bushka gave the ball to senior Gino Dalesandro, who flipped the ball to senior Jared Rech. Rech then wound up and tossed a deep pass to senior Kenny Adams, who caught the ball and raced into the end zone for a 66-yard touchdown reception. Rech then added the extra-point kick to give the Rams a 7-0 lead less than one minute into the game.

Adams finished the night with eight receptions for 140 yards.

South Elgin tied the game at 7-7 about three minutes later. The Storm

took a 14-7 lead early in the second period. Rech, who replaced Bushka at quarterback after Bushka suffered an injury, threw a 56-yard touchdown pass to senior Matt Shockey later in the second quarter. The Rams didn't convert the extra-point kick, leaving South Elgin with a 14-13 lead.

Rech drilled a 38-yard field-goal kick to give the Rams a 16-14 lead with under 30 seconds to play in the first half. South Elgin closed the half with a touchdown pass of about 50 yards. The Storm added a two-point conversion run to seize a 22-16 halftime lead.

South Elgin widened its advantage to 30-16 with a touchdown drive to open the second half.

Glenbard East scored its only second-half points on Rech's 24-yard TD pass to junior Jeremy Johnson in the third quarter.

Rech completed 12 of 16 passes for 233 yards and three touchdowns. Bushka completed eight of 16 passes for 66 yards. He picked up 33 rushing yards on 10 attempts.

Shockey finished the game with three receptions for 89 yards. Johnson provided seven receptions for 64 yards.

## Broncos post decisive home win over Fenwick

The Montini football team began its Chicago Catholic League Green Division season with Friday's 28-7 win over Fenwick in Lombard. The Broncos, who held a 21-7 halftime lead, improved their overall record to 2-1.

Senior running back Jake Karczewski scored Montini's first two touchdowns of the evening on short runs across the goal line. The Friars, who fell to 2-1 overall, scored a second-quarter touchdown to cut the Broncos' lead to 14-7.

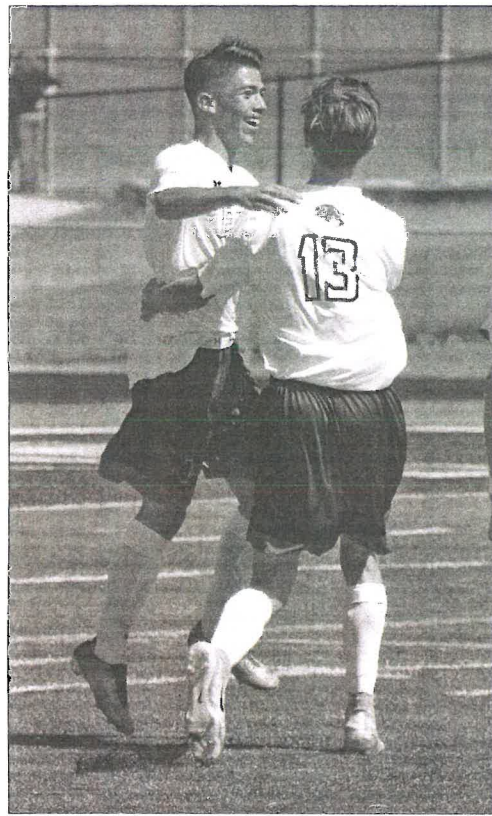

Senior quarterback Nick Orlando fired a 72-yard touchdown pass to junior Scott West later in the second quarter. Senior Michael Cooney added the extra-point kick for the 21-7 lead.

Orlando scored the Broncos' fourth touchdown of the night on a 2-yard run early in the third quarter.

In addition to hauling in a long touchdown pass on offense, West made a pair of interceptions on defense. Senior Matt Quaglia also intercepted a Fenwick pass.

The Broncos' season continues with this Friday's home game against Brother Rice (1-2).

## Rams earn their fourth straight win

Junior Ian Moran (No. 6-above) of the Glenbard East boys soccer team chases after the ball during Saturday's home match against Rockford's Boylan Central Catholic High School. The Rams beat the Titans 2-1 in Lombard. Glenbard East earned its fourth straight win and improved its overall season record to 4-2-1. "It was a good battle," said Glenbard East coach Josh Adler, who attended Boylan Central Catholic. "We need these kind of tests. That's what we want." The Titans took an early 1-0 lead when they scored about two minutes into the match. Sophomore Daniel Banuelos of the Rams evened the score at 1-1 when he boomed a kick into the net from the left wing. Banuelos is shown at left celebrating his goal with freshman Gavin Wooldridge (No. 13), who provided an assist. Junior Nick O'Brien delivered the winning goal when he netted a penalty kick about one minute into the second half. "Our second half was much better than the first half," said Adler. "Everybody was kind of locked in to what we needed to do." In their previous match, the Rams opened the Upstate Eight Valley Conference season with a 1-0 win on Sept. 5 in Lombard. Moran scored Glenbard East's goal early in the first half.

## Warriors halt losing skid with a win over the Broncos

The Willowbrook boys soccer team ended a four-match losing streak with Saturday's 4-0 victory over Montini in Villa Park.

Junior Aaron Gualpa and senior Miguel Correa scored first-half goals for the Warriors. Junior Enrique De Leon and senior Steven Cerda provided second-half goals for

Willowbrook, which improved its overall season record to 3-4.

"We've been struggling to put the ball into the back of the net," said Willowbrook coach Eddie DeLaCruz, whose team scored a total of two goals in its previous four matches. "The guys came out with a lot of energy

today."

Willowbrook, which opened the West Suburban Gold Conference season with a 3-1 loss to Proviso East on Sept. 5, has been depleted by injuries. Senior Nico Hernandez suffered a leg injury before the season started and will miss the entire campaign. Junior

goalkeeper Mario Giase was injured early in the season; his return this year is uncertain.

"The injuries have definitely piled up," said DeLaCruz.

The Warriors' season continues with this week's games against Leyden, Glenbard West and York.

#### Willowbrook boys golf

The Willowbrook boys golf team competed in two recent invitationals.

At the Willowbrook/John Hamann Scramble Invitational at Sugar Creek in Villa Park (par 64 playing the course twice), the Warriors fired a 1-under par, which was good for 10th place.

Juniors Gavin Hitzeman and Taylor Sarovich, along with sophomores Jordan Rust, Joey Zopel and freshman Andrew Rugg played for Willowbrook. Hinsdale South won the tournament with a 10-under score.

At the Fenton Bison Invitational at the par-70 White Pines East Course in Bensenville, the Warriors were 21st. Senior Buddy Martens shot 83. Sophomore Logan Rattana had an 88. Junior Joey Guthrie shot 94 and

junior Jackson Hathaway shot 100 for 18 holes.

Willowbrook also recently defeated Proviso East at Columbus Park in Chicago. The Warriors shot 161, while Proviso East had only three players and did not qualify for a team score.

Guthrie and junior Taylor Sarovich each shot 39, while Martens shot 40. Hathaway shot 43.

Willowbrook also downed Leyden in WSC Gold play at par-32 Sugar Creek by a 160-171 count.

Guthrie was the meet medalist with a 37. Martens shot 39, while Hitzeman shot 41. Josh Lata, a junior, shot 43.

Addison Trail leads series 11-6

over last 17 years.

### Addison Trail (2-1) at Willowbrook (2-1)

**When:** Friday, 7:30 p.m.

**Where:** Willowbrook High School, Villa Park

**Last week:** Willowbrook 20, Leyden 13; Glenbard West 35, Addison Trail 10

**Last year:** Willowbrook 38, Addison Trail 7

**Outlook:** This one figures to be a competitive contest with both teams playing well out of the gates to start the season. Willowbrook got its conference season off to a strong start with a win over defending conference champion Leyden last week. Addison Trail played with Glenbard West, but faded down the stretch. Addison Trail came into that game with Glenbard West having given up only a touchdown in its first two games. Willowbrook running back Jack Jessen ran for more than 200 yards and scored three touchdowns in the win against Leyden. Addison Trail is 11-6 in the series over the last 17 games.

## Scouting this weekend's football games

## The High Five

Addison Trail (2-1, 0-0) at  
Willowbrook (2-1, 1-0)

West Suburban Gold

Game time: 7:30 p.m. Friday.

Last week: Glenbard W 35, Addison Trail 10; Willowbrook 20, Leyden 13.

Last year: Willowbrook 38, Addison Trail 7.

**Outlook:** Between this game and Friday's Hinsdale South-Downers South matchup, everyone's jockeying for early title contention in the Gold. It's easy to see where the focus will be in Villa Park: the run game. Addison Trail's Nick D'Ambrose has rushed for 498 yards; Willowbrook's Jack Jessen has 594 rushing yards. Blazers defensive linemen Jack Domek, Randy Petrbok, Adal Sanabria and Michael Ruggieri must win the battle up front against Willowbrook's offensive line led by Edgar Quintas. The Warriors' defense, meanwhile, saw Sam and Scott Tumilty snare interceptions last week. Jessen is the main thrust of the run defense at linebacker, but the Tumilys and DeAndre Holliday could be key if the Blazers try balancing the offense with the pass. Speaking of which ... D'Ambrose and Jessen are obviously critical to the success of both teams, but the difference might end up being Blazers quarterback Nick Daudelin and Willowbrook counterpart John Taylor.

**Next week:** Downers Grove South at Addison Trail; Addison Trail at Hinsdale South.

## Benet (2-1, 1-0) at St. Viator (2-1, 1-0)

East Suburban Catholic Conference

Game time: 7:30 p.m. Friday.

Last week: Benet 27, Marian Central 0; St. Viator 51, Marian Catholic 14.

Last year: Benet 33, St. Viator 14.

**Outlook:** Look at the scores last week and you'll see the challenge. Can Benet's defense, fresh off its first shutout of the season, contain the Lions' surging offense? They have an experienced quarterback in Bryce Helgeth, a dual-threat athlete with big targets in the passing game. He's part of a three-pronged running attack featuring backs Jack Scislowski and Elijah Black. Last week Benet's defense showed the ability to defend the run and pass. Ben Cooney and Connor Reid each had two of the team's 5 interceptions while linebackers Mike Wymer and Devin Petersen continued to lead the run defense. Like Helgeth, Benet quarterback Matt Boyle has the ability to control the offense on the ground and in the air. And, like Helgeth, Boyle has quality targets in Nick Keyes and 6-foot-7 Jack Eschenbach. With St. Viator's defensive line featuring starters on the offensive line, expect the Redwings' offense to be extremely fast-paced.

**Next week:** Benet at Nazareth; Carmel at St. Viator.

## Brother Rice (1-2) at Montini (2-1)

Nonconference

Game time: 7:30 p.m. Friday.

Last week: Brother Rice 55, Aurora Christian 16; Montini 28, Fenwick 7. Last year: Brother Rice 42, Montini 7.

**Outlook:** It wasn't necessarily the score or running clock in last year's Brother Rice game that stuck in Montini's craw. To coach Mike Bukovsky it was more a lack of physicality and intensity. Same with the 2016 Fenwick game, and last week the Broncos exercised that demon with things like Jalen Slater's 4 sacks, Jackson Bruscinelli's third straight game of double-digit tackles and Scott West's 2 interceptions. Brother Rice, of the Chicago Catholic League Blue, may be 1-2 but took losses against state-ranked Marist and Crete-Monee. Left tackle Nick Marozas, an Indiana recruit, isn't satisfied till he takes his man to the ground. Junior quarterback John Bean may be more dangerous on foot than he is executing the Crusaders' short passing game — in that sense a little like Montini's Nick Orlando. Last week Montini improved its ground game with backs Jake Karczewski and Nick Fedanzo, and Fedanzo's 68-yard kickoff return was one of those special plays the Broncos could use here.

**Next week:** Providence at Brother Rice; Montini at Marmion.

## Lake Park (2-1, 2-0) at

## Naperville North (3-0, 2-0)

DuPage Valley Conference

Game time: 7:30 p.m. Friday.

Last week: DeKalb 20, Lake Park 17; Naperville North 43, Wheaton North 25. Last year: Naperville North 28, Lake Park 23.

**Outlook:** There's no masking the disappointment from last week's loss for the Lancers. Still 2-0 in the DVC, however, every goal remains in front of them. No one wants an offensive shootout with the Huskies, but the Lancers might be capable of keeping up. Quarterback Jackson Behles is one of the DVC's best, and five receivers have at least 4 catches. The running game is also balanced with David Kirkpatrick-Hardwick seizing the lead role with 246 rushing yards. Naperville North's defense received a huge boost last week when all-DVC linebacker Ryan Marrano saw his first action of the season. Naperville North's offense revolves around Drake Davis, who's thrown for 942 yards, and receivers Nick Calcano and Ryan Laurenzo. Brett Zdrubucky and Amel Wilbourn have been coming on in the run game. Lake Park's injury-riddled defensive line returns Kyle Holliday this week. Cornerbacks Solomon Sangobwale and Rashad Khwaja face their biggest test of the season.

**Next week:** Wheaton North at Lake Park; Naperville North at

## The Rest of the Best

## Downers North (2-1, 1-0) at Hinsdale Central (2-1, 1-0)

Game time: Noon, Saturday.

**The quick hit:** The Old Oaken Bucket is up for grabs again, something Downers North hasn't owned since 2006. Talented junior running back Tavion Thompson joins the ranks this week. Garrett Oakley and Luke Skokna center for Hinsdale Central.

## Foxton (1-2) at Walther Christian (0-3)

Game time: 1 p.m. Saturday.

**The quick hit:** Coach Matthew Lynch earned his first Bison victory in a 43-6 dismantling of Guerin. All-Metro Blue receiver-defensive back Carlos Mercado enters Melrose Park off one of his top games — a punt return touchdown, a touchdown run, 5-for-5 on PATs.

## Glenbard East (0-3, 0-1) at West Aurora (3-0, 1-0)

Game time: 7:30 p.m. Friday.

**The quick hit:** No lulls allowed against UEC Valley foe West Aurora, which has outscored opponents 133-3. Glenbard East has played a vastly superior schedule, though, and Rams linebackers Alec Wolff, Anthony Shockey and Jake Baka will certainly bring rush defense.

## Glenbard North (1-2) at McCracken (Ky.) (1-3)

Game time: 1 p.m. Saturday in Paducah, Kentucky.

**The quick hit:** The Panthers road trip with momentum off beating WW South. Linebacker Angelo Cusumano began the scoring on an interception return and tailback Jayleen Fitzpatrick ended it with 2 touchdown runs. Outrushing a foe 231-63 is playing solid football.

## Glenbard South (1-2) at Ridgewood (2-1)

Game time: 7:15 p.m. Friday.

**The quick hit:** Glenbard South comes off a huge across-the-board effort, keyed by quarterback Jack Crouch and defensive linemen Anthony Kramer and Adam Haushahn, to face the 2016 MSC Red champ. Safety Gavin Fitzpatrick will spy top receiver Marco Vitale.

## Hinsdale South (2-1, 1-0) at Downers Grove South (1-2, 1-0)

Game time: 7:30 p.m. Friday.

**The quick hit:** Primary for Downers South's defense is trying to slow electric Hinsdale South receiver Destin Talbert. The Mustangs' quarterback situation has been fluid, but expect to see a combination of Matt Greenwald and George Ross behind center.

## IC Catholic (2-1) at Chicago Christian (2-1)

Game time: 7 p.m. Friday.

**The quick hit:** Khalil Saunders accounted for 117 yards, 2 touchdowns, 1 interception in his first quarterback start before C.J. West finished a 54-0 win over Elmwood Park. Chicago Christian will get a large dose of tailback Lazzerick Eatman, who ran for 186 yards.

## Larkin (1-2) at West Chicago (1-2)

Game time: 7:30 p.m. Friday.

**The quick hit:** A fast start against a Larkin squad that did little in a big loss to St. Charles North will be key to the Wildcats' homecoming success. Returning quarterback Jeff Zajac and fullback Frank Aniello from injury lends flexibility (and a breather) to C.J. Griffin.

## Loyola (2-1) at St. Francis (1-2)

Game time: 7:30 p.m. Friday.

**The quick hit:** St. Francis coach Bob McMillen is "extremely proud" of two-way linemen Dan Skold, Alex Malachowski, Jesse Gonzalez and Connor Schmidt, mainly underclassmen. Their development will be tested by the fourth-ranked team in Class 8A.

## Metz Valley (0-3, 0-3) at Wheaton North (2-1, 1-1)

Game time: 7:30 p.m. Friday.

**The quick hit:** Metz Valley hopeful Penn State-bound tackle Bryce Effner returns from illness to add consistency to the offensive line. Running back Sam Singleton is the workhorse of Wheaton North's offense. Linebacker Bo Neidballa is the hammer of the defense.

## Nequa Valley (2-1, 2-1) at WW South (0-3, 0-3)

Game time: 7:30 p.m. Friday.

**The quick hit:** Lost in WW South's tough start has been the stellar play of offensive linemen Ramiro Ferrer and inside linebacker Brian Haw. Meanwhile, Nequa's line has rallied with center Kenny Shultz, right guard Austin Mesnard and right tackle Alex Waldinger.

## Read-Custer (0-3, 0-1) at Lisle (2-1, 1-0)

Game time: 7 p.m. Friday.

**The quick hit:** Should Jared Hunter and the Lions run for 354 yards as in their 48-0 win over Seneca they should be fine. The goal here is contain R-C quarterback Josh Loomis on the option. That's in the realm of defensive ends Aaron Cail and Ben Laning.

## Seneca (2-1, 0-1) at Westmont (2-1, 0-1)

**DAILY HERALD SUBURBAN GAME OF THE WEEK  
WILLOWBROOK 45, ADDISON TRAIL 0**

# Takeaways key to Warriors' rout

BY KEVIN SCHMIT  
Daily Herald

The District 88 trophy is staying in Villa Park.

With an exclamation point.

For the second consecutive year, Willowbrook defeated district rival Addison Trail in a one-sided result. This time, the score was 45-0 in West Suburban Gold conference game Friday in Villa Park.

After being stopped on their first drive, the Warriors scored on their final four possessions of the

first half, including a 90-yard interception return for a touchdown from Sam Tumilty.

Willowbrook forced six turnovers, including five interceptions.

Willowbrook quarterback John Taylor started the second quarter with a four-yard touchdown run. He also finished with 208 yards passing and one touchdown.

"We're a confident group and we believe in each other," Taylor said. "We know we're capable of doing this to every team. We should have

had more points, honestly."

Willowbrook running back Jack Jessen had two touchdowns and carried the ball 16 times for 75 yards.

Addison Trail running back Nick D'Ambrose finished with 17 carries for 84 yards.

But a fierce and focused defensive effort from Willowbrook was far too much for the Blazers to overcome.

"We just practice hard, and we wanted to do something good and

show everyone what we've got," said Willowbrook senior defensive back Jacob Entwistle, who had an interception and also caught a touchdown to trigger a running clock. "We wanted this all year, and we've won it two years in a row now. We wanted it bad."

Next week, Addison Trail (2-2, 0-1) hosts Downers Grove South, while Willowbrook (3-1, 2-0) visits Hinsdale South.

The District 88 trophy is staying at Willowbrook.

With an exclamation point.

The Warriors' football team topped rival Addison Trail for the second straight year, this time with a 45-0 rout in Friday's West Suburban Gold action in Villa Park.

After being stopped on their first drive, the Warriors (3-1, 2-0) scored on their final four possessions of the first half. They also got a 90-yard interception return for a touchdown from Sam Tumilty, who snared two of the team's 5 interceptions.

"We just practiced hard, and we wanted to do something good and show everyone what we've got," said Warriors senior defensive back Jacob Entwistle, who had one of the interceptions and also caught a touchdown pass to trigger a fourth-quarter running clock. "We wanted

this all year, and we've won it two years in a row now. We wanted it bad."

Willowbrook ended up forcing 6 turnovers in a matchup of teams entering the game with hopes of contending for the Gold title.

Quarterback John Taylor started the scoring with a 4-yard first-quarter touchdown run. He also finished with 208 yards through the air and a passing touchdown.

"We're a confident group and we believe in each other," Taylor said. "We know we're capable of doing this to every team."

Willowbrook running back Jack Jessen had 2 touchdown runs and carried the ball 16 times for 75 yards. Kicker BettyAnn Garrett booted a 22-yard field goal and was perfect on six extra points.

Addison Trail (2-2, 0-1) running back Nick D'Ambrose finished with 17 carries for 84 yards, but a fierce defensive effort from Willowbrook was too much to overcome. The Warriors led 24-0 after a quarter and took a 31-0 advantage to the half.

"The start was a nightmare," said Blazers coach Paul Parpet Jr. "That was the game. We were turning ball over almost every time we went out there on offense. You're not going to win any football games turning it over that many times."

Willowbrook heads to Hinsdale South (3-1, 2-0) next week in a showdown between the Gold's final two unbeaten teams. Keeping the District 88 trophy was the goal on Friday, but a new goal awaits.

# Mello takes over as Fenton coach

By JOHN LEMON  
jlemon@dailyherald.com

## Girls basketball

Dave Mello took over the Bartlett girls basketball program two years ago from Denise Sarna, the Hawks' only head coach for the school's first 17 years.

The Hawks went 22-8 in Mello's first season, winning 13 games in a row late in the year until being knocked out by Montini in the sectionals.

Bartlett had to replace nine seniors in Mello's second season, and the Hawks finished 12-18.

That also turned out to be Mello's final season at Bartlett. He recently resigned his position, taking the girls varsity job at Fenton where he has been the school's softball coach the last 11 years and is a coach in the volleyball program.

Mello does a lot of behind

the wheel driver's education work at Fenton in the evenings, which he said was the main reason for his decision. He's coached at the lower levels at Fenton since 1995 and has been doing behind the wheel work there since 2002.

Mello said Fenton's varsity position came open at end of August. The girls basketball season begins in six weeks.

"It was going to be much more conducive to my schedule to already be there at night as opposed to traveling from here (Bartlett) over there in the evenings," Mello said. "I have a couple boys getting ready to go off to college in the next year and year after so the behind the wheel money is a bonus. It was a financial move that needed to be made."

# Tiebreaker drops Neuqua to second

Daily Herald Reports

As a two-time returning team qualifier at the Class 3A boys golf tournament, Geneva has been searching all fall to regain its foothold among area programs.

Monday afternoon at Bartlett Hills, the Vikings captured their first tournament title of the season against Neuqua Valley at the Elgin Invitational.

Teegan Ebel and Jake Mills fired matching 81s for the Vikings' fourth and fifth scores in Bartlett, and the two 10-over par totals were enough to lift Geneva past Neuqua Valley on the tiebreaker after each program totaled 309 strokes.

Lake Park was third at 315, followed by Dundee-Crown (332), Bartlett (341), St. Charles North (344), South Elgin (348), Hoffman Estates (362), Larkin (396), Elgin (420) and Streamwood (no team score).

Neuqua Valley and Lake Park have a return date at Bartlett Hills for the DuPage Valley Conference championship next week.

Jimmy Mikuta and Michael Rhee were heavily relied upon for Neuqua Valley after senior leader and returning state qualifier Jack Vercauteren suited in an

"Jordan, a young junior, did a nice job," Lake Park coach Dan Batka said. "Jake, a senior who has been on our (varsity) squad since he was a freshman, pulled his weight. The big thing for us with this invitational is to use it as a practice round for the conference tournament."

## Naperville North vs. Naperville Central

On Sept. 12 the Naperville Central and Naperville North boys golf teams met with dual-team meet points on the line that can help determine where a DuPage Valley Conference team finishes in the final season standings.

On Monday the two teams met again. However, the circumstances were much more relaxed as the focus was on helping others.

The annual Naperville Central-Naperville North match play event took place at the Cress Creek Country Club in Naperville. It was again a fundraiser for the Swift Foundation

## Meet an offensive lineman

Name: Joe Kennedy School: Naperville Central

Year: Senior

**Best thing about being an offensive lineman:** Probably celebrating in the end zone with the guy who scored because of all the hard work you and everyone did.

**Worst thing about being an offensive lineman:** When the running back has a good game the offensive line gets a lot of credit. And when the running back doesn't do the offensive line gets bashed.

**Don't tell my coach that:** We say some weird things w/ communicate with each other on the line.

**If I could change one thing about football:** Not so many penalties. Sometimes it's unfair when you barely have y on a guy and you get called for holding.

**Team not on our schedule I wish we could play:** Prob private school. Either Loyola or Marist because they real good teams.

**How I'll celebrate if I score a TD:** I usually lift my runn when he scores, so I would jump in his arms and have h Twitter, Facebook, Instagram or Snapchat: Probably because I get to talk to my friends more on there.

**What I like best about my school:** Our teachers and de counselors are always there to help the students.

**Something about me that would surprise you:** A relat is in the Pro Football Hall of Fame. (Kennedy is related to St. Louis Cardinals cornerback Roger Wehrli through Joe Annette.)

**Other sports I play:** I don't play any other high school s/ shot put one year.

**Favorite actor:** Probably Tom Hanks. Growing up he wa Story character, and I liked that. He was also in Saving P Ryan, and I liked him in that.

**Favorite actress:** Emma Stone. She was good in the Spi movies.

**Favorite athlete:** (Roger Wehrli) because I really look up accomplished so much.

**Favorite musician:** Anything from Tom Petty to Kendrick and Lil Uzi Vert.

## DuPage students inducted into Golden Apple program

**BY MADDIE SPIKER**  
*Golden Apple Scholars of Illinois*

Eighteen students from DuPage County recently were inducted into the 2017 class of Golden Apple Scholars — a group of 234 aspiring teachers who have dedicated themselves to teaching in an Illinois school-of-need for five years after graduation.

The Golden Apple Scholars of Illinois is a scholarship program that identifies talented high school seniors and first- and second-year college students who have the promise and drive to be excellent teachers in high-need schools.

The DuPage County Golden Scholars are:

Alexa Menolascino, York High School, Elmhurst

Andrea Du, Naperville North High School, Naperville  
Andrea Erazo, West Aurora High School, Aurora  
Arturo Alfaro, Penton High School, Bensenville  
Breanna Graf, Glenbard South High School, Glen Ellyn  
Chelsea Lenart, Bartlett High School, Bartlett  
Halley Fogarty, Wheaton North High School, Wheaton  
Hunter Sparks, Willowbrook High School, Villa Park  
Jeremy Sechan, Addison Trail High School, Addison  
John Dugan, Glenbard West High School, Glen Ellyn  
Kaitlin E. Collins, Lake Park High School, Itasca  
Maria Perez, York High School, Elmhurst  
Maya Ross, Naperville North High School, Naperville

Molly Hill, Willowbrook High School, Villa Park  
Noor Maghrebi, Glenbard North High School, Glendale Heights  
Raelyn Erwin, Naperville Central High School, Naperville  
Simran Gogana, York Community High School, Elmhurst  
Stephanie Thomas, Metea Valley High School, Naperville  
Since its inception in 1989, the Golden Apple Scholars of Illinois program has grown to nearly 2,000 statewide participants. The program is designed to prepare future teachers to thrive in the most challenging high-need school environments where more resilient teachers are desperately needed.

The program provides tuition assistance to each future

teacher while they pursue an undergraduate education. Beginning the summer after high school graduation and continuing throughout their undergraduate years, scholars benefit from multiple teaching internships, ongoing academic and career mentoring and course work on the art of teaching delivered by Golden Apple Award-winning teachers.

Golden Apple continues to support scholars after they begin their teaching careers through ongoing mentoring and professional development. In return for the financial, academic and professional development support that Golden Apple provides, scholars agree to teach in a school-of-need in Illinois for five years following college

graduation. The scholars program has been proven to profoundly improve persistence and graduation rates among participants.

In addition, the program has been shown to have a significant impact on workforce development by helping low-income and underrepresented students gain necessary skill development for a lasting career in teaching.

The 2017 class of scholars represents a diverse group of young people from across the state of Illinois with nearly half as first-generation college students, who are the first in the families to attend a four-year college, and nearly half are from underrepresented groups.

## District 88, Addison Trail hold Sister Cities golf event

On Aug. 23, District 88 and Addison Trail staff members participated in the Village of Addison Sister Cities Golf Adventure at Links & Tees Golf Facility in Addison.

The golf outing was a fundraiser for the village's Sister Cities program with Triggiano, Italy. Through that student-exchange program, Addison hosts students from Triggiano, and AT students travel to Italy. The Village of Addison Sister Cities Committee continues to raise funds on behalf of AT students to provide scholarships for them to go to Italy.

The members of the winning golf team were Career and Technical Education (CTE) Department Chair Juliann Boudouris and CTE teacher Mike Maaske. As the winners, they received the Village of Addison Sister Cities Mayor's Trophy.

# AT senior receives several jazz music honors

When watching Alejandro Salazar perform on the drums, his passion and love for music are immediately clear. His facial expressions reflect the mood of the piece he's playing, and audience members can often be seen smiling in response to his enthusiastic movements.

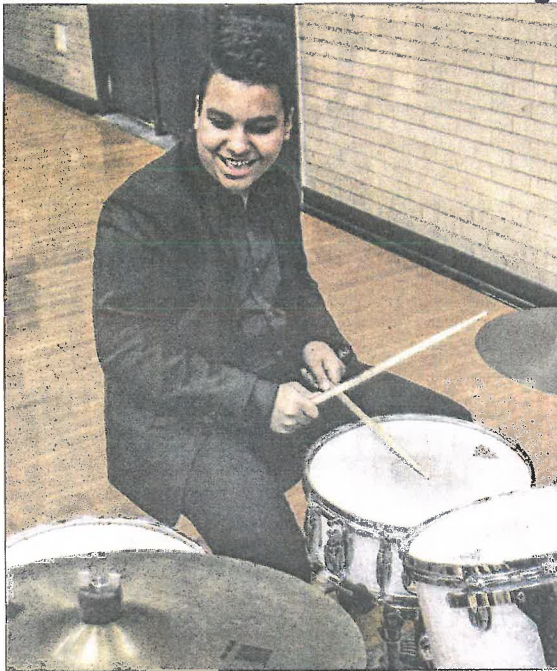

Salazar, a senior at Addison Trail, began playing the drums about eight years ago, and he also is a pianist and a recreational singer.

"Music gives me a feeling of escape and allows me to express my emotions," he said. "I couldn't imagine my life without being a musician - it's a beautiful thing to see how your performance affects people and makes them dance and smile."

Throughout his high school career, Salazar has been a staple in the music program at Addison Trail, and he can be seen in nearly every music and theatre production at the school. And his talents recently earned him several recognitions.

- **Kiewit-Wang Mentorship Award:** Salazar is one of three 2017-18 recipients of this award, which is given to high school students who show excellence in musicianship as jazz instrumentalists. Candidates who have participated in Jazz Links programs compete by auditioning, and recipients are awarded free music lessons with a Chicago jazz musician of their choice.

- **NextGenJazz Emerging Artist:** Salazar is one of three recipients of this honor, presented by Jazz Institute of Chicago. The NextGenJazz Emerging Artists Project promotes leadership, creativity and a founda-

tion for self-marketing for members of the Jazz Links Student Council; a program for students to develop musically and professionally through

exposure to live music, workshops with professional musicians and performance opportunities throughout the city.

- **Chicago Youth Symphony Orchestras (CYSO):** Salazar is the principal drummer for CYSO's Jazz Orchestra. He has been a member of that group for two years. Building on Chicago's rich history as a center of jazz music creation and innovation, CYSO's Jazz Orchestra is dedicated to the study and performance of clas-

sic and contemporary big band jazz music.

Salazar also has performed at weddings, festivals and restaurants throughout the U.S. and looks forward to being a member of the Orchestra Pit during the 2018 Illinois High School Theatre Festival All-State Production of "Big Fish" in January 2018. plans to attend college in New York to major in music performance and then pursue a career traveling the world as a fulltime professional musician.

"I'm honored to receive these recognitions, because they show my hard work is paying off and anything is possible," he said. "The world of music can be hard, but these awards and opportunities inspire me to keep going to achieve my dreams."

## ACA hosts docent coffee talk

Coffee, sweets and savories were enjoyed while listening to exhibiting artist, printmaker Ben Calvert at the docent "Coffee Talk" on a recent Saturday.

"Volunteers are such an integral part of Addison Center for the Arts," said ACA executive director Cheryl Gnadt. "We wanted to host a special event, most likely to become a regular event, to thank and educate them personally on the inner workings of an artist. Ben gave an in depth lecture on his craft and where his ideas come from."

If you have ever wanted to try printmaking, Ben will be conducting

a mini-workshop on Saturday, Sept. 16 from 10 a.m. - 12 noon. The meditative quality of relief carving and printing lends itself to introspection and interpretation. Call the gallery or visit the website for details.

Ben will be at the gallery on Saturdays to guide observers through his work and process. There will also be an artist reception on Friday, Sept. 8 from 5:30 - 8:30 p.m. The exhibit will continue through September 23. The Addison Center for the Arts is located at 213 N. Lombard Road, Door #4, Addison. The gallery is open Wednesday through Saturday from 1-4 p.m.

## Governor Rauner signs Bicycle Traffic Bill intended to improve cyclist safety

A bicycle traffic bill signed into law by Governor Rauner will allow drivers in Illinois to pass bicycles in a no-passing zone in order to improve cyclist safety and traffic flow on the road. Under certain conditions when it's safe to do so, it will be legal for drivers to cross the solid no-passing centerline into the oncoming lane in order to pass a cyclist by at least three feet, the minimum legal clearance.

The new legislation will also officially legalize bicycling on road shoulders, a common safety practice by cyclists, and allow cyclists to use a rear tail light instead of the legally required rear reflector when bicycling at night.

The bill, House Bill 1784, was proposed by Ride Illinois, a non-profit bicycle advocacy organization dedicated to improving bicycling conditions and safety throughout the state. Filed back in January, HB1784 was sponsored and led through the General Assembly by State Rep. Tim Butler of Springfield and State Sen. Heather Steans of Chicago. The legislation unanimously passed both chambers in May, and was signed by the governor on Friday. The new laws will go into effect on January 1, 2018.

"This new legislation legalizes some common motorist and bicyclist traffic practices," said Ed Barsotti, Ride Illinois' Chief Programs Officer. "The intent is to make the roads safer while improving car-bicycle interactions."

Long no-passing zones on two-lane roads commonly present a prob-

lem for drivers trying to legally pass a bicyclist with at least three feet of clearance. The travel lanes of most roads lack the width needed for drivers to safely and legally pass a cyclist with at least three feet of clearance while staying within the lane.

In this common situation, most motorists do cross solid centerlines to pass cyclists anyway. However, some drivers choose to pass the cyclist too closely to obey the no-passing zone, and in doing so, illegally squeeze by within the same, too-narrow lane - a scary maneuver sometimes leading to sideswipe crashes. For long no-passing zones, those drivers obeying both the no-passing zone and the three-foot passing law may not be able to pass a bicycle for a long time.

Under the new law, when there is sufficient distance to do so, drivers in this situation will be allowed to cross into the oncoming lane to safely pass a cyclist who is riding at less than half the posted speed limit. The driver must pass with at least three feet clearance and not exceed the speed limit.

The new legislation will also legalize bicycling on shoulders, a common safety practice of biking. Current Illinois law largely restricts vehicles driving on a shoulder, with some specified exceptions (e.g. farm tractors and equipment), and the new legislation will add bicycles to the list of exceptions. Having this legal clarity will benefit cyclists as well as road agencies desiring to sign or otherwise designate bicycle routes having paved shoulders.

## Addison Trail football team now 2-0 after defeat of York

### Blazers boys cross-country team showing promise

By Mike Miazga  
CORRESPONDENT

The Addison Trail football team made it 2-for-2 on the young 2017 season after recording a 14-7 West Suburban Conference crossover win at York.

The victory moved the Blazers to 2-0 overall.

After a scoreless first quarter, Addison Trail led 7-0 at halftime and 14-0 after three quarters. York scored its only touchdown in the fourth quarter.

Addison Trail won the game despite having the ball for only 18:15 compared to York's 29:45.

Junior quarterback Nick Daudelin went 7-for-11 for 151 yards and threw two touchdown passes with no

interceptions.

Senior running back Nick Dambrose ran 18 times for 50 yards and had a long run of 13 yards. Daudelin had six carries for 52 yards, including a long run of 42 yards. Addison Trail gained 108 yards on the ground (4.2 yards per carry).

Daudelin connected with five different receivers. Christian Cici caught a 67-yard touchdown pass. Junior Dennis Ionikov had three catches for 32 yards. Dambrose had a 29-yard reception, while Jacob Grygo caught a 13-yard pass and AJ Parnell caught a 10-yard ball.

On defense, Angelo Pahopos had an interception, while Vince Daudelin had a fumble recovery.

Addison Trail returns to action in

Week 3 with its annual WSC crossover game against Glenbard West.

#### Addison Trail boys cross country

The Addison Trail boys cross-country team is coming off a 2016 season where it placed fifth in the West Suburban Conference Gold Division.

The Blazers welcome back seniors Luis Vargas, Danny Bueno, David Reyes, Nick Czorniak and Rob Soto. Senior Alvaro Garza is a key newcomer to the group.

"This group really has some depth and I like their consistency this year at practice," said Addison Trail coach Brad Donaldson. "They are a very even-keeled group, never high

and never too low. They also are a group that likes to work. They are interested in the workouts for practice and enjoy the challenges."

Donaldson has noticed the group moving more toward the team concept of the sport. "They are starting to think about racing as a team more than just individuals out to finish a race," he said. "They have been packing up more during training runs and looking out for where their teammates are."

The coach added younger runners on the team will be a key this season. "We are going to need to have some underclassmen rise up and take on the challenge of varsity-level competition," said Donaldson. "Our freshmen are a very talented group.

They will need to challenge some of the seniors. They have the ability to push the upperclassmen. If they do, we will be able to have a great year."

Three of those freshmen include Luis Aguirre, Dylan Moran and Cole Greaves. "If they develop and stay healthy, anything can happen," said Donaldson.

Donaldson is looking for another tough conference set-up. "Our conference is really a very competitive group of schools, but Downers Grove South and Morton always are tough," he said. "I think we have the opportunity to make some noise at the conference meet this year and we would love to push the entire team into the sectional meet this year for the first time."

## Fenton football team loses on road at Shepard High School

By Mike Miazga  
CORRESPONDENT

The Fenton football team dropped a 48-12 non-conference game on the road in south-suburban Palos Heights

to Shepard High School.

The loss put the Bison at 0-2 on the young season. Fenton opened the 2017 season with a 42-9 loss to Leyden.

Fenton returns to action Friday at home against Guerin Prep in a Metro Suburban Conference crossover game.

#### Fenton girls cross country

The Fenton girls cross-country team recently placed fifth at the St. Patrick invitational.

Individually, Fenton's Jessica McCauley finished 10th to lead the way for the Bison.

McCauley is one of a number of key contributors back for the Bison this fall. That list also includes Charity Bullis, Ruth Kirkwood, Jacqueline Ponce and Alyssa Silva. All were

part of a Fenton team that advanced to sectionals a year ago.

Key newcomers to the team include freshmen Guadalupe Honorato, Angelika Gasior and Lisette Hernandez.

Fenton coach Sarah McDougal is impressed with a number of things this season, including a large influx of freshmen in the program and high participation numbers.

"We have a committed group of varsity runners that trained hard all summer," she said. "We've improved on our commitment to summer running, ambitious goal-setting and increasing our weekly mileage."

McDougal added two keys for the Bison will be staying healthy and the continued improvement of the 4-7 runners at the varsity level.

The coach also is looking for big things from McCauley and Bullis. "They are experienced seniors and are aggressive runners with their eyes on the state meet."

In terms of team goals, McDougal would like to see the Bison advance either individuals or the team to the state meet. "Another goal is an improvement of time for our top 7 runners and continuing to increase our runners' strength, speed and endurance."

Addison Trail went on the road to record a 28-0 win against Glenbard South in the opener and then shut out York into the fourth quarter of its 14-7 Week 2 win. ## Willowbrook boys soccer team looks to take next step

By Mike Miazga  
CORRESPONDENT

The Willowbrook boys soccer team gave new coach Eddie DeLaCruz a nice present recently.

The Warriors opened the season with a 3-2 non-conference victory against Elmwood Park, making the new varsity coach a winner in his debut.

"The elephant is now off my back being my first year as head varsity coach," said DeLaCruz.

DeLaCruz takes over a Willowbrook team that went 8-9 last season and 2-4 in West Suburban Conference Gold Division play (fifth-place).

Returning for Willowbrook is senior captain Miguel Correa, who earned all-conference and all-sectional honorable-mention awards last year.

"Miguel is an attacking center-mid who will lead our team in assists this year. That's what I'm hoping for," said DeLaCruz.

Senior captain Tomas Hernandez

also returns for his third varsity season. DeLaCruz said he'll hold down the defense as the team's center back.

Senior captain Patrick Florey also returns at a forward position. "Patrick will be scoring most of our goals this season and will have a big season as well," the coach predicted.

In goal for Willowbrook is returner Mario Giasse. "Mario is one of the best in our area and will be destined for a big year as well after last year starting as a sophomore," DeLaCruz pointed out. "He is destined for big things in his final two seasons. He's one of the best in the area in my opinion. The sky is the limit with this player. He has grown to 6-1 and will continue to grow academically and athletically. He is the total package as a student-athlete."

A key newcomer to the team is senior forward Efrén Gomez. "He just started and will be a great 1-2 punch at the top with Patrick," said DeLaCruz. "He has a ton of skill on the ball and

great field presence."

Depth in the midfield and forward positions will be a key strength for the Warriors. "Rotating players in and out will keep players energized and staying healthy," said DeLaCruz.

DeLaCruz said one thing he'll have to keep an eye on is depth on the defensive side. "We have great players on defense but not as much depth as my attackers," he explained. "Our two senior center backs will help out adjusting our team tactically when pressure mounts up when the other team goes off on runs."

DeLaCruz knows the WSC Gold will be competitive once again. "Our soccer conference is one of the hardest in the state," he said. "Morton can't be dethroned in the conference the last seven years. My outlook on this year is to be above .500 record-wise and we're also looking to improve on our fifth-place finish in conference."

Willowbrook has been playing in the Addison Trail tournament.

## DuPage Care Center Foundation to host 50th Annual Fall Festival

The DuPage Care Center and the DuPage Care Center Foundation will host its 50th annual Fall Festival from 10 a.m. to 4 p.m. Sept. 16, in the Center's west parking lot. The family-friendly event benefits the Care Center's Resident Recreation Fund, which helps to provide residents with quality of life programs and services.

The event features a classic car show, children's games, garage sale, book fair, craft sale, live music and a flea market. Raffle tickets will be available for purchase, offering a chance to win prizes including home-

made quilts, a barbeque basket, a foursome of golf at the 2018 DuPage Care Center Foundation Golf Outing and more. Apple slices, taffy apples and scarecrows will also be available for purchase.

Major sponsors include Stratford Dental and Tyndale House. Additional sponsorship opportunities are available. Levels begin at \$100.

The Care Center is currently seeking craft vendors and car show participants for the event. If you are interested in making a creative contribution to your community, please

call (630) 784-4495 or email fallfestival@dupageco.org.

This event is open to the public and all attendees may enjoy free admission and parking, however, donations are accepted.

The DuPage Care Center is located at 400 N. County Farm Road in Wheaton on the west side of the DuPage County Complex. For more information about the Festival or volunteer opportunities, please call (630) 784-4495, e-mail fallfestival@dupageco.org or visit dpccfoundation.org.
