

The Rest of the Best

Addison Trail (0-2) at Glenbard West (1-1)

Game time: 1:30 p.m. Saturday.

The quick hit: Not much has gone right for Addison Trail's offense, but line improvement certainly would help. Glenbard West keeps tweaking its defensive personnel, last week shifting Sean Michel to safety. Tommy Bleker and Jarred Park split time at quarterback.

Benet (2-0, 0-0) at St. Patrick (2-0, 0-0)

Game time: 7:30 p.m. Friday at Triton College in River Grove.

The quick hit: With Ben Hickey nursing an injury, expect to see linebacker Mike Wymer more at running back. To rest him on defense, look for Michael Dorociak and Patrick Challenger to step up. For a third straight week the Redwings would love to get off to a fast start.

Christ the King (0-2) at Westmont (1-1)

Game time: 7 p.m. Friday.

The quick hit: Westmont seeks momentum after beating Lake View 34-0. Isaac Lischalk got it going on a 52-yard interception return for a touchdown. Quarterback Troy Schlicher will gladly repeat last week's stats — 6 passes for 2 Michael Thompson TDs, 1 for Mason Parly.

DuKalb (2-0) at Metea Valley (0-2)

Game time: 7:30 p.m. Friday.

The quick hit: DeKalb brings in several skill players, but a Metea strength continues to be its linebacker group. Nolan Falk and Jack Belskis combined for 20 tackles last week. Quarterback Patrick Straub stood tall in the pocket and connected with tight end Austin Frederick.

Downers Grove South (0-2, 0-0) at Proviso East (1-1, 0-0)

Game time: 6 p.m. Friday.

The quick hit: The Mustangs' offense is in need of a spark, and it'll get one this week with the return from injury of quarterback George Ross, who will see his first action of the season. Kendall Burrow is stepping in at center in addition to standing out on the defensive line.

Glenbard North (0-2, 0-0) at St. Charles East (2-0, 0-0)

Game time: 7 p.m. Friday.

The quick hit: Though Glenbard North's Kobie Jamison caught 6 passes for 131 yards in Week 2's three-day extravaganza against Warren, the Panthers ground game still must get on track. That would help limit the touches of the Saints' William Crossen and Justin Jett.

Glenbard South (2-0, 2-0) at Bartlett (1-1, 1-1)

Game time: 7:30 p.m. Friday.

The quick hit: Bartlett will be the best Upstate Eight foe the Raiders have faced. It's hoped lineman John Madison returns from injury to bolster the run defense. Backs Antonio Carter and Kylen Henderson each show something different, something Elgin had trouble stopping.

Hinsdale South (1-1, 0-0) at Morton (1-1, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: Last week Hornets junior Marquese Garrett dominated on offense, rushing for 180 yards and 2 touchdowns, and throwing for 64 yards and a third score. With running back Devin Smith adding 98 rushing yards, Hinsdale South's offense is starting to come together.

Lake Park (1-1, 0-0) at Batavia (2-0, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: A tough opener for the Lancers in the DuKane Confer-

Metea Valley will host DeKalb tonight in a nonconference game in Aurora. Lake Park opens DuKane Conference play at defending Class 7A champion Batavia.

JOHN STARKS/jstarks@daillyherald.com

ence, but the defense looks ready for the defending 7A champ. Led by lineman Isaac Moore's scoop and score and tackle for a safety, the Lancers' defense last week accounted for 11 of the team's 30 points.

Leyden (0-2, 0-0) at Willowbrook (2-0, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: It's never an easy game for Willowbrook against the Eagles, but the Warriors are coming off a huge high following last week's win over Hinsdale Central. The Warriors won last year's meeting despite allowing Leyden two defensive scores.

Oak Park (1-1, 0-0) at Hinsdale Central (1-1, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: Hinsdale Central senior running back Luke Skokna is out with an injury, but the Red Devils continue to pound the ground game with fellow senior Matt Bobak. He's developed into a similar workhorse back. Last week Bobak rushed for 180 yards on 36 carries.

Proviso West (0-2, 0-0) at Downers Grove North (1-1, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: The Trojans have a new offense, but they're not shy about going with old-fashioned power. Between quarterback Drew Cassens, running backs Owen Geraghty, Griffen Liszka and Joe Passarelli, and two tight ends, they've been getting the tough yards.

St. Francis (2-0) at Fenton (1-1)

Game time: 7:15 p.m. Friday.

The quick hit: St. Francis seeks a faster start and part of that comes on defense, where Joe Lang, Sean Marren and Cala Baumgartner will cover Fenton receiver Diamon King. Fenton's positive last week was

the line play of Eric Moreno, Angelo Mendoza and Marcel Rusieck.

West Chicago (0-2, 0-2) at Glenbard East (2-0, 2-0)

Game time: 7:30 p.m. Friday.

The quick hit: West Chicago receiver Mike Wagner and Rams wideout Jeremy Johnson are hard covers. It'll test West Chicago defensive backs Omar Contreras, Marko Filipovic and Marque Phillips. Glenbard East cornerback Jason Torrevillas intercepted 2 Bartlett passes.

Wheaton North (1-1, 0-0) at St. Charles North (1-1, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: Falcons running back Antowon Tolbert missed last week's game, and he's iffy for this one. That keeps Stephen Garner in the backfield. St. Charles North quarterback Kyler Brown, in for injured Peyton Brown, threw 2 touchdowns in his first start last week.

Wheaton Warrenville South (2-0, 0-0) at Geneva (0-2, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: The Tigers' defense has been amazing through two weeks. It's forced 11 turnovers (the offense has committed none), and allowed 103 total yards. Nose man Jack Kelly already has 19 tackles on the season. Jason Haw is a strong offensive threat at tight end.

York (1-1, 0-0) at Lyons Twp. (0-2, 0-0)

Game time: 7:30 p.m. Friday.

The quick hit: York amassed 350 rushing yards last week, the bulk of it from KeVon Robinson and Nick Conroy behind an offensive line with four juniors. Bo Thomas led the defense to a shutout while quarterbacks Joe Javorek and Danny Dunn each threw touchdown passes.

IC Catholic Prep makes resounding statement

By KEVIN DRULEY

editorial@mysuburbanlife.com

ELMHURST – A familiar football platitude took a vacation during IC Catholic Prep's summer workouts.

With a surging Knights program long anticipating a Week 2 visit from traditional power Joliet Catholic, coach Bill Krefft briefly let "One week at a time" lose traction.

"Coach would put a lot of emphasis on Joliet Catholic," Knights sophomore running back Kyle Franklin said. "He said we need to focus on them. So we all united as a brotherhood and we all worked hard in practice."

ICCP aced its early season challenge Aug. 31, routing the Hilltoppers 42-0 in a resounding statement from the two-time defending Class 3A state champions.

"It was just a great team win," Knights junior linebacker/running back Kevin Cooke said. "Everyone did their job, and everybody throughout the whole week was on point, everyone was focused. Just to win it all together as a team was amazing."

The Knights (2-0) triggered the running clock against the Hilltoppers (1-1)

Karen Naess - For Shaw Media

IC Catholic Prep's Khalil Saunders on Aug. 31 carries the ball against Joliet Catholic.

with 3:17 remaining in the game. Steven Crady, who notched an earlier interception, scored the second of his two fourth-quarter touchdowns.

Crady's was far from the only dual contribution for IC Catholic. If there were no two ways about the lopsided nature of a game that was scoreless after one quarter, there certainly were numerous two-platoon efforts for the hosts.

Quarterback Khalil Saunders passed for two touchdowns and had 218 yards of offense while patrolling the secondary as a defensive back. Michael Johnson shined at offensive tackle and defensive end. Ditto for Kemon Reese at left guard and linebacker.

Hilltoppers coach Jake Jaworski lauded the Knights' toughness and execution in the trenches and beyond.

"We didn't have a good week of practice," Jaworski said. "Winning one game, you thought you arrived. And these guys were amped up. They punched us in the mouth and they kicked our butts."

Joliet Catholic opened the night as the aggressor, gaining 53 yards on its first five carries. But the Hilltoppers fumbled their sixth carry – and recovered it – before Saunders scooped up a fumble on the game's seventh play.

ICCP traveled from its 22 to inside Hilltopper territory, but Kurt Weis' interception

thwarted the Knights' momentum. The ICCP defense quickly seized it back, rallying to limit the run-first Hilltoppers to 132 yards on the ground.

"We just played harder," Cooke said. "We got more focused. We started off a little slow, but we got our rhythm going and started going."

The teams weathered a lightning delay of a little more than one hour midway through the second quarter. Warning sirens sounded moments after Franklin (16 carries, 135 yards) scored the first of his two touchdowns.

Staying active and hydrated, ICCP remained upbeat during the break.

"We just talked about how everything was going right, you know," Reese said. "Staying together, building each other up and having each others' backs."

The Knights led 29-0 at halftime, but would not allow themselves full satisfaction until the final horn sounded. In the postgame huddle, a beaming Krefft gave players his latest directive: Feel free to savor this victory for a little longer than most.

"We feel really great as a brotherhood," Franklin said. "We're just really happy right now."

FOOTBALL

Bo Thomas, York 'ecstatic' about first win under new coach

By SCOTT SCHMID

editorial@mysuburbanlife.com

The first victory of any football season is special.

But with Mike Fitzgerald in his first year at the helm for York, the 35-0 shutout over Addison Trail on Aug. 31 had a little extra meaning.

"This is a special group," said Fitzgerald, who previously had been an assistant coach at Marist and Naperville North and the head coach at St. Francis, "and they've been working extremely hard. We've got a great coaching staff, too. It's a lot of people, not just me, that's for sure. Great parents as well."

The visiting Dukes received plenty of special efforts against the Blazers, beginning with the dominant defense that posted the shutout. The Dukes' defensive line, led by Bo Thomas, Zachary Armstrong and Christopher Eck-

ard, completely controlled the line of scrimmage.

"We are ecstatic with the win and hopefully we can continue from here," said Thomas, who had a sack.

The offense was led by the running back duo of KeVon Robinson and Nicholas Conroy. Robinson scored from 80 yards out on the first offensive play and finished with 175 yards on eight rushes.

"Since his first day and his first meeting, coach Fitz has been doing a great job," Robinson said. "He is taking this York program in the right direction. I know it [his first win at York] feels great and I'm proud of him. And I don't think we've reached our max potential yet."

Conroy added 133 yards on 13 carries and a 43-yard score in the fourth quarter.

"Last year, when something bad happened, it was like here we go

again," Conroy said. "Coach Fitz just keeps telling us to keep our heads up and to keep going. I think we have a special thing going right now. I think we are a very good team."

Quarterbacks Joseph Javorek and Daniel Dunn both saw time under center and each threw a touchdown pass.

The Dukes quickly will find out how much progress they have made with a matchup against Lyons Township in Week 3, which signals the start of West Suburban Silver conference play.

"It's a special conference," Fitzgerald said. "It's a gauntlet, and every week is basically a playoff game. But that is what I like about this conference. I've been in the Chicago Catholic League and the DVC [DuPage Valley Conference] and that's what I like. If you get through there, you are definitely ready for the playoffs. You can't have an off week."

"But at the same time, I've told the

kids that we have to focus on us and how we prepare. Focus on the things that we can control, like our effort and attitude."

Glenbard East

Bret Bushka threw for 266 yards, and Jeremy Johnson caught 10 passes for 187 yards and four touchdowns for the visiting Rams (2-0, 2-0) in a 38-15 win over Bartlett.

Montini

The Broncos (2-0) beat Christ the King 42-0.

Willowbrook

Sam Tumilty's 19-yard go-ahead touchdown pass to Scotty Tumilty in the fourth quarter gave the Warriors a 21-17 win over Hinsdale Central. Scotty Tumilty earlier returned an interception 84 yards for a touchdown for Willowbrook (2-0).

That ceremony took place before the Aug. 27 District 88 Board of Education meeting. The Summer Commencement graduates pictured are (from left) Michael W. King (WB), Alexia McComb (WB), Dayanara Delgado (AT), Gabe Hernandez (AT) and Julia Bellock Soto (AT).

District 88 holds Summer Commencement

Before its Aug. 27 meeting, the District 88 Board of Education recognized Addison Trail and Willowbrook students for graduating from District 88 during its Summer Commencement celebration.

The Addison Trail graduates were Aliyan Baig, Julia Bellock Soto, Elijah Davis, Dayanara Delgado, Gabe Hernandez, Janet Mendoza, Sebastian Murillo, Jairo Rivera, Leidy Rivas and Melissa Velazquez.

The graduates from Willowbrook included: Jacob Eder, Bryan Garcia, Jnyyah Garrett, Jake Johnson, Michael W. King, Alexander Charles Marrero, Alexia McComb, Katherine M. O'Connor, Demonte A. Sharpe, Catherine D. Storck and Joseph David Vincze.

After District 88 Superintendent Dr. Scott Helton welcomed the crowd and congratulated the students, AT Principal Michael Bolden and WB Principal Dr. Daniel Krause awarded the diplomas. Board of Education President Donna Craft Cain offered closing remarks.

Addison Trail names Voinea recipient of 88's Best for August

Christopher Voinea has been named as Addison Trail's August recipient of 88's Best recognition for his outstanding academic accomplishments. Voinea, a senior, was recognized during the Aug. 27 District 88 Board of Education meeting.

An outstanding student who continues to challenge himself, Voinea has taken on a rigorous schedule every year and continues to be a leader in and out of the classroom. When he graduates, he will have taken 10 honors courses and 15 Advanced Placement (AP)/college-level courses.

"Voinea was in my sophomore honors chemistry class and junior AP physics I class," said Science Teacher Sean O'Connor. "He has the talent to learn and understand quickly. In addition to strong academics, Voinea is a classroom leader. Students in class looked to him as an expert and often sought out his help. As a leader, rather than simply give an answer, Voinea provided the how

and why to his peers' questions. It would be simple for Voinea to exist in the vacuum of his knowledge and success. Instead, he takes an active role in enhancing the Addison Trail community."

Social studies teacher Laura Magnavite agreed.

"Voinea was an absolute joy to have in class," she said. "His knowledge of AP European history BEFORE stepping into the classroom was epic. He was always the student I could rely on to get a class discussion going. His writing was superlative – so much so I used his first essay as a model sample for all of my classes (and still do). He also was fun to have in class, especially for debates, because he was so intensely devoted to winning the argument. We used to joke debates would be structured with Voinea versus the rest of the class."

Voinea said he is self-motivated, but he also is motivated by his parents, who come from Romania. He

has a strong desire to represent his family in the best way and knows he can do that by being a conscientious and hardworking student.

Outside of the classroom, Voinea has been involved with AT's Academic Team and Key Club and has worked with various community service organizations to give a hand to those in need. His primary involvement has been with AT's Science Olympiad Team, where he has been an integral part of the team since his freshman year. He demonstrates his leadership by motivating and organizing his team members. Some of his favorite memories are from Science Olympiad and the rewards gained from those competitions.

While he has not yet decided where he will attend college, Voinea is pursuing University of Illinois at Urbana-Champaign, University of Wisconsin-Madison, Yale University and The University of Chicago. He is considering a degree in biological or chemical engineering.

'Me & My Shadow' becomes a lesson for fifth graders

The fifth graders in Ms. Monreal's class at Stone School spent some time in the parking lot on Thursday, Aug. 30, learning about shadows. The students worked in teams to complete a question sheet that included items such as "Can you make your head's shadow with your hand?" "Can you make your shadow smaller?" and, "Can you hide your shadow in someone else's?" Earlier in the day, students had drawn outlines of their shadows on the asphalt surface.

SUBMITTED PHOTOS Addison Independent

Above: After studying their shadows on the ground, the 5th grade students at Stone School recorded their observations.

Right: Students reach out trying to touch the shadow of their own head. On the ground you can see the chalk line where a student traced his own shadow – not an easy task.

This young lady learns that hair can make for an interesting shadow all its own.

Willowbrook football team moves to 2-0

Warriors girls tennis team defeats Trinity and Glenbard East

By Mike Miazga
CORRESPONDENT

The Willowbrook football team's only regular-season loss last year was to Hinsdale Central.

Check that off the return-the-favor list. The Warriors moved to 2-0 on the young season with a 21-17 West Suburban Conference crossover win against Hinsdale Central in Villa Park.

The Warriors have now won 10 of their last 11 regular-season contests dating back to last season.

Willowbrook returns to action Friday when it wraps up a three-game home stand against Leyden to open West Suburban Conference Gold Division play. Willowbrook is the defending Gold Division champion.

Willowbrook boys golf

The Willowbrook boys golf team defeated Proviso East in West Suburban Conference Gold Division action

at Sugar Creek in Villa Park.

The Warriors shot 168 on the par-32 layout, but Proviso East had to forfeit because it only had three golfers.

Sophomore Andrew Rugg led the Warriors with a 39. Senior Lucas Fleege shot 41, while senior Josh Lata had a 43 and senior Ennio Poggi carded a 45.

Willowbrook also dropped a 168-189 WSC Gold decision to Hinsdale South at par-35 Carriage Greens.

Junior Utah Keehner shot 46 to lead the Warriors. Senior Jackson Hathaway had a 47, while senior Joey Guthrie and junior Joey Zopel each shot 48.

The Warriors also dropped a recent 174-178 WSC Gold match to Leyden at par-36 White Pines in Bensenville.

Zopel led the way with a 42, while Keehner and Poggi each shot 45.

Junior Logan Rattana finished with a 46.

Willowbrook girls volleyball

The Willowbrook girls volleyball team dropped a 22-25, 25-19, 25-19 non-conference decision to Riverside-Brookfield. Katie Linnig had seven assists and 11 digs. Charlotte Dewyer had five kills. Payton Ceh had three aces, two kills, 14 digs and one assist. Elizabeth Bruschuk had three aces and 11 digs. Caileigh Tuma had three kills, three digs and three aces. Kaitlyn Karcz had two kills, one block and one dig. Katelyn

McCann had four kills, one block, one ace and 10 digs. Grace Reckamp finished with five assists, five digs and one kill, while Emma Barrington had two kills and two digs.

In a 25-13, 25-12 non-conference loss to Montini, Linnig had one ace, seven assists and five digs. Ceh had one kill and nine digs, while Karcz had three kills and one block. McCann had four kills and two digs, while Barrington had two kills, two blocks and one dig.

In a 25-19, 25-22 non-conference loss to Glenbard North, Linnig had one kill, three assists and eight digs. Dewyer had three kills, one block

and three digs. Ceh had 13 digs and two kills. Bruschuk had seven digs and four aces. Tuma had two kills, two blocks, one assist, one dig and one ace. Karcz had four kills and three digs. McCann had three kills, one block and nine digs, while Reckamp had eight assists, six digs and one ace. Barrington had three kills and two digs.

Willowbrook girls tennis

The Willowbrook girls tennis team scored a recent 6-1 non-conference win against Trinity. The Warriors followed that up with a 4-3 non-conference win against Glenbard East.

Fenton girls volleyball team off to 7-0 start

Bison football team loses to Maine West

By Mike Miazga
CORRESPONDENT

The Fenton girls volleyball team is on fire.

Through late last week, the Bison had charged out to a 7-0 overall mark, which included winning their own Bison Blast-Off tournament for the first time in program history.

Fenton downed Waukegan 25-21, 15-25, 15-8 to win the title.

Fenton also defeated Proviso East 25-14, 25-13, defeated Chicago Prosser 25-8, 25-17 and North Chicago 25-8, 25-6. Other wins have come against St. Joseph (25-14, 25-10), Ridgewood (25-14, 25-12) and Proviso West (28-26, 25-14).

Through seven contests, Julia Kaspari was the team leader in kills with 29, Mackenzie Miller was tops in assists with 103 and aces with 31. Vicky Krzyszkowski was the team leader in blocks with seven and Payton Pugliese was tops in digs with 31.

"We are spreading the ball around to all our offensive weapons so teams can't just focus on one spot," said Fenton coach Kelly Kleidorfer.

Fenton has improved on the defensive end as well. "We're doing a real nice job with our passing so far this season," said Kleidorfer. "It's hard to get a feel for our blocking thus far because our opponents haven't really attacked very often."

Kleidorfer also has been impressed with the teamwork she's seen on the court. "Our communication on the court has improved," she said. "We have very few plays where the girls fail to communicate with each other."

Senior defensive specialist Isa

Lozada, Kaspari and junior Sydney Minard have played key roles of late in contributing to the Bison's success. "Isa's passing has been incredible and Julia's hitting from the outside has brought more power to our offensive attack," said Kleidorfer. "Sydney is our serving specialist. She comes in and will run off four or five points in a row."

Fenton plays Chicago Intrinsic today and heads to the West Chicago tournament on Saturday.

"It is great for the confidence level that we were able to win our own tournament and also that we have run the winning streak to seven matches," said Kleidorfer. "We had a goal of 20 wins at the beginning of the season and we look to be well on our way to that."

Fenton football

The Fenton football team dropped a recent 64-13 non-conference game at home to Maine West.

"It is great for the confidence level that we were able to win our own tournament and also that we have run the winning streak to seven matches."

— Kelly Kleidorfer,
Fenton volleyball coach

The loss put Fenton at 1-1 overall. The Bison started the season with a 42-7 win against Maine East.

Fenton returns to action Friday at home when it faces St. Francis in a Metro Suburban Conference crossover game.

Week 3 Preview

Leyden (0-2) at Willowbrook (2-0)

When: Friday, 7:30 p.m.

Where: Willowbrook High School, Villa Park

Last week: Willowbrook 21, Hinsdale Central 17; Downers North 14, Leyden 6

Last year: Willowbrook 20, Leyden 13

Outlook: Willowbrook is off to another strong start after opening the season with wins against Chicago Cune (41-0) and Hinsdale Central (21-17). The Warriors open West Suburban Conference Gold Division play against a Leyden team that has scored only 14 points in its first two games against Shepard and Downers Grove North. Willowbrook is 20-6 over the last three seasons.

Week 3 Preview

Addison Trail (0-2) at Glenbard West (1-1)

When: Saturday, 1:30 p.m.

Where: Glenbard West High School, Glen Ellyn

Last week: York 24, Addison Trail 6; Glenbard West 42, Proviso East 6

Last year: Glenbard West 35, Addison Trail 16

Outlook: Addison Trail's annual meeting with Glenbard West got moved up to Week 3 this year. The Blazers are not only looking for their first win, but their first points of the season. Addison Trail lost 7-0 to Constant in the opener and then lost 20-0 last week. Perennial power of Glenbard West lost 35-14 to Maine South, another state power, in the opener and then handled Proviso East easily by a 42-0 count last week. Addison Trail begins six straight weeks of West Suburban Conference Gold Division play next week at home against District 88 neighbor Willowbrook.

Week 3 Preview

Wheaton St. Francis (2-0) at Fenton (1-1)

When: Friday, 7:15 p.m.

Where: Fenton High School, Bensenville

Last week: Maine West 64, Fenton 13; St. Francis 35, Burlington Central 7

Last year: Did not play

Outlook: Fenton split its first two games against Maine Township schools, defeating Maine East 42-7 and then losing to Maine West by a 64-13 count. St. Francis is new to the Metro Suburban Conference and is in the opposite Blue Division. The Spartans are off to a 2-0 start after defeating Argo 26-20 in the opener and then heading north to Burlington where they won 35-7 last week.

Willowbrook girls tennis team returns strong contingent

Warriors defeat Trinity and Glenbard East

By Mike Miazga
CORRESPONDENT

Willowbrook's new girls tennis coach is no stranger to the program or the game of tennis.

Jerilyn Scardina has taken over the program from daughter, Christy Scardina. Jerilyn Scardina was an assistant in the program the last five years and prior to that coached at

Hinsdale Central for 35 years.

Scardina's team returns a host of juniors and seniors, including Grace Wachholz (No. 1 singles), Andrea Zulawski (No. 1 doubles), Bianca Galicia, Cassie Witt and April Aquino, along with juniors Maddie Brown (No. 2 singles) and Priscilla DelValle.

Sophomores Victoria Zlatkova and Lizzie Martynenko and junior Ryley Gales are up from the junior-varsity team. Ellie King, a junior, is new to the program, and freshman Penelope DelValle will play near the top of the lineup, Scardina noted.

"We have pretty good depth," she

said earlier last week. "We have some battles for positions still ongoing."

Willowbrook opened the season with non-conference dual-match wins against Montini, Trinity and Glenbard East.

"We have a cohesive group that works well together," said Scardina. "We have some young girls up on the varsity who will be there for a few years and that will help further develop the team. We also have experience and that always is important. The older girls can help mentor the

newer girls to varsity."

Scardina said she sees promise throughout the lineup. "We are a little stronger at the top of the lineup," she said. "The big thing is we have girls who want to play tennis. The new girls who are up from the JV all got to the finals in singles on JV at conference and they are playing doubles now."

Scardina said the team would like to get into that top three or four equation in the West Suburban Conference Gold Division. "We're hoping

for middle of the pack around fourth, but third would be great," she said. "It's a tough conference with Hinsdale South and Downers Grove South having more girls who play the sport year-round."

Scardina also reported Willowbrook's numbers have increased in the program. "Our numbers are the highest they ever have been," she said. "We have 36 girls in the program. That can present a problem in practice, but it's great to see the interest in the sport."

Cougars 18s baseball team Top 4 at DSP nationals

Eleven players move to college level

By Mike Miazga
CORRESPONDENT

The Elmhurst-based Cougars Baseball Club 18U team enjoyed success throughout its tournament season this year.

The Cougars went 14-7-1 overall in five tournaments. The team won the 28-team Primetime Perfect Game title, took a top-eight finish at the 28-team Bullpen Amateur Baseball Championships and wrapped up the season with a fourth-place finish at the DSP National Championships that featured a 23-team field.

"We had a bunch of good, committed kids," said Cougars 18U manager Craig Gwaltney, who had new Timothy Christian baseball coach Brian Whartnaby on his coaching staff. "They work very hard and they care. Some of these guys have been together since 15U. They've been training since October of last year, so they worked at it all winter. We had great kids who were talented and wanted to get better."

The Cougars featured Timothy Christian standouts Jimmy Allen, Connor Gwaltney and Nick Huisman along with the Addison Trail group of Matt Crandall, Trevor Fulmer, Simon Marinelli and AJ Parnell, along with Nick and Vince Daudelin.

The team has 11 players who are continuing their careers at the college level. Allen is at Western Michigan, while Crandall is at Beloit College and Fulmer is at Dominican University. Gwaltney is at Knox College and Huisman is at Lewis University. Marinelli is at College of DuPage, while Parnell also is at Beloit and Tim La (Fenwick) is at Elmhurst. Chance Roach is at Carthage (Nazareth Academy) and KJ Slepicka (Fenton) is at Rose-Hulman Institute of Technology.

Sam Byczek (Nazareth Academy), is studying at USC while Pacella (Nazareth Academy) is studying at Indiana University's Kelly School of Business.

"They all had a ton of fun together, which is the best part of it," said Gwaltney.

The squad also featured current seniors in high school Tim Bowbin (York), Nick and Vince Daudelin

"They work very hard and they care. Some of these guys have been together since 15U."

- Craig Gwaltney,
Cougars 18U manager

(Addison Trail) and Elmhurst resident Troy Siranovic (Nazareth Academy).

The Cougars started out 5-0 in pool play at DSP nationals and won their quarterfinal game. "We beat a lot of the quote-unquote top teams there," said Gwaltney. "We beat DTA's top two teams and beat Rhino's top team and beat Central Illinois Outlaws which has a lot of the Morton (downstate) kids on it that won the state championship. We lost to the Slammers in the semifinals and they had eight Division I kids."

In the quarterfinals against DTA's 17-18U team, Connor Gwaltney homered to give the Cougars the victory.

"We had no pitching left when we got to the semifinals," said Craig Gwaltney. "We had a couple guys with some injuries and we were a little down on numbers. It was a steep hill to climb, but it was a very good tournament for us."

Gwaltney noted the team had two other late-inning offensive surges that led to wins. Vince Daudelin knocked in a pair of runs with two outs against Central Illinois, while Pacella had a key triple in one of the DTA games.

"It was a neat team," he said. "A lot of guys are going on to play baseball somewhere. I couldn't be more proud of this group. We've had this group for so long and now it's great to see them being able to keep playing at the next level. I've coached my son since he was nine and that last tournament was the last time I'll be able to do that. It was a fun season."

The Cougars organization, which also features a girls softball component, was founded in 1992 with the goal of focusing on development of skills and ensuring players are ready for high-school baseball and beyond.

A colorful sky

A portion of a rainbow was visible in Villa Park on Monday afternoon after a day of heavy rain. The photo shows an eastward view toward Ardmore Avenue near Highridge Road. According to the official rainfall totals at O'Hare International Airport, nearly 1.6 inches of rain fell on Monday. The airport received more than 3 inches of rain in the period from Saturday, Sept. 1, through Monday.

Villa Park briefs

Police will hold a roadside safety check this Saturday

The Villa Park Police Department will conduct a roadside safety check on Saturday, Sept. 8. The check will run from 8:30 p.m. until 12:30 a.m. at 501 E. St. Charles Road. According to the police department, the safety check is being conducted to promote the safety and well-being of the motoring public, and to provide a deterrent for those who might violate statutes and ordinances. The check will be conducted according to guidelines set forth by the courts.

Resurfacing project under way on Roosevelt Road in Villa Park and Lombard

The Illinois Department of Transportation (IDOT) has announced that daily lane closures will take place on Roosevelt Road between Finley Road in Lombard and Ardmore Avenue in Villa Park.

According to IDOT, the daytime lane closures are necessary for a resurfacing project and pedestrian safety improvements. The scope of the project consists of resurfacing the roadway, as well as installing new pedestrian ramps compliant with the Americans with Disabilities Act (ADA). The overall project is expected to be completed by the end of October.

Motorists can expect delays and should allow extra time for trips on Roosevelt Road in Villa Park and Lombard during the project. A news release from IDOT urges drivers to pay close attention to flaggers and signs in the work zones, and to obey the posted speed limits and be on the alert for workers and equipment.

Residents 65 and older can take advantage of District 88's Senior Gold Card

If you are 65 years of age or older and live within District 88's boundaries, you are eligible to enjoy the benefits of the district's free Senior Gold Card. The card allows you to experience athletic events, concerts and more for free at Willowbrook High School and at Addison Trail High School. To sign up for your District 88 Senior Gold Card, contact Dani Brink, the district's director of community relations, at 630-530-3989, or at dbrink@dupage88.net.

Include the spelling of your first and last name, a phone number and an e-mail address, and the address where you would like the card to be sent. Your card and a calendar of upcoming events will be mailed to you.

Paws on the Path scheduled for Saturday

Villa Park's Community Pride Commission invites residents to its annual Paws on the Path pet adoption event from 10 a.m. to 2 p.m. on Saturday, Sept. 8. The event, which will feature information about adoptable animals, will take place near the Ruggard Gazebo, located near Ardmore Avenue and Park Boulevard. There will be live music, games, vendors, a children's activity tent and a pet costume contest. Attendees are invited to bring dog or cat food to donate to a drive for sheltered animals. For more information, send an e-mail to pride@invillapark.com.

Villa Park Brewfest takes place Sept. 29

The second annual Villa Park Brewfest will take place Saturday, Sept. 29, at Cortesi Veterans Memorial Park, 318 E. Kenilworth Ave. More than 100 different styles of beers will be available for sample tastings. General admission will run from 2 to 5:30 p.m. Gold Pass holders will be able to enter the fest at 1 p.m. For more information, or to purchase tickets for the festival, visit villaparkbrewfest.com.

College of DuPage event to raise funds for District 88 students

The College of DuPage (COD) Food Truck Rally and Sunset 5K event will take place on Saturday, Oct. 13. Proceeds from the race will go toward scholarships for a Willowbrook High School student and an Addison Trail student who choose to attend COD. When registering for the 5K run/walk or the 100-yard youth dash, be sure to designate the race fee to the high school of your choice. The event will take place from 2 to 8 p.m. at COD, with the race beginning at 4:30 p.m. There will also be a food truck rally featuring cuisine from 15 area food trucks. The event will also include a Touch-a-Truck and other free children's activities. For more information, or to register, visit www.cod.edu/5K.

Villa Park offers emergency notification system

Register at the village's web site—invillapark.com

CodeRED is the FREE community notification system available to Villa Park residents and property owners that will send you alerts concerning time-sensitive and/or emergency information via phone calls, text messages, emails, and social media.

Villa Park public safety officials encourage you to actively participate in emergency preparedness by remaining informed. Safety is a two-way street, so be sure to register today to receive the information you need, when it matters.

CodeRED will be used for significant incidents and events in which the timely notification of an affected population or geographic area is essential. Examples of times when the CodeRED system could be utilized: water contamination, utility outages, evacuation notices, missing person reports, fires or floods, bomb threats, hostage situations, chemical spills or gas leaks, and other emergency incidents where rapid and accurate notification is essential for life safety.

The CodeRED Emergency Notification System is a fast communication service allowing the Village of Villa Park to notify citizens of an emergency situation. This service is free to all Villa Park residents and businesses located within the village's incorporated limits.

CodeRED's high-speed telephone system allows the village to contact participants to provide information about a critical situation, what action needs to be taken, and notification that the situation has been resolved.

To receive CodeRED warnings, you must register your home phone,

cell phone or business phone number in the CodeRED database. Register your physical Villa Park address. Do not use post office boxes or out-of-town addresses. The link to register is on the village's home page at invillapark.com. To register multiple cell phone numbers to a Villa Park address, click continue at the bottom of the first registration page and add your information and additional phone numbers on the next pages.

CodeRED delivers the important messages through its high-speed telephone calling system to all phone numbers on the CodeRED database. Village staff access CodeRED via a secure portal on the web. A "call area" is marked identifying street addresses. Telephone numbers are matched up electronically to those addresses through the use of Geographical Information Systems (GIS). A pre-recorded message is sent out via the telephone with information about the incident and possibly instructions for action to be taken.

Visit invillapark.com and click on the CodeRED icon on the left side of the home page to enroll and learn more, or download the CodeRED Mobile Alert app, available in the App Store or Google Play.

For those who are hearing impaired, the sign-up form offers a TDD ONLY option for tone delivery of emergency messages. Messages delivered to phone numbers marked TDD will only be delivered in a TDD/TTY format. For those without Internet access, a computer is available at Villa Park Village Hall to allow access to registration.

New Board member installed

The District 88 Board of Education installed Tina Haralambopoulos as its newest board member during its meeting on Aug. 27. On Aug. 2, Haralambopoulos was appointed to fill a seat that opened after Timothy Gillen resigned from the board. Haralambopoulos will serve through the election of April 2, 2019. Haralambopoulos graduated from Addison Trail High School in 2002. She earned her associate degree in science from College of DuPage, her Bachelor of Arts degree in elementary education from Northern Illinois University and her Master of Arts degree in curriculum and instruction from Concordia University, where she also is pursuing her doctoral degree in organizational leadership. Haralambopoulos currently teaches English as a Second Language (ESL) at a hybrid charter school in Chicago. The other members of the District 88 Board of Education are Donna Craft Cain (president), Jay Irvin (vice president), Sharon Kucik (secretary), Thomas Edmier, Blanca Jessen and Mark Turk.

August recipient of 88's Best award

Willowbrook senior Victoria Palma was named her school's recipient of the 88's Best award for August. Palma, who is pictured with Willowbrook Principal Dan Krause (left), was honored at the District 88 Board of Education meeting on Aug. 27. The district's board and administration created the 88's Best award to honor students for their achievements in and out of the classroom. The honor is presented to one student from each of the district's two schools—Willowbrook and Addison Trail—during each month of the school year. At the end of her senior year, Palma will have completed 13 Advanced Placement (AP) college-level courses, as well as several honors courses. Palma has an academic class ranking within the top 1 percent of Willowbrook's Class of 2019. She serves as president of Willowbrook's National Honor Society and is an inductee of Civitas—the school's social studies honor society. She is also a member of the math, English and world language honor societies, as well as Tri-M (Modern Music Masters). Palma is a member of the math team, Science Olympiad, Scholastic Bowl, Student Council and Key Club. She is also a member of the girls cross country and track teams. As a junior, she qualified for the IHSA Class 3A state cross country meet. Palma plans to apply to several schools. She intends to pursue a career in chemical engineering.

VILLA PARK REVIEW**

Worth the wait, Warriors overcome the Red Devils to improve to 2-0 Tumilty brothers spark Willowbrook; game delayed by lightning

The Willowbrook football team moved to 2-0 after Friday's exciting 21-17 victory over Hinsdale Central in Villa Park. The Tumilty brothers—Scott, a senior, and Sam, a junior—both made several key plays to spark the Warriors to the win.

Scott Tumilty stood out both offensively and defensively for the Warriors. He scored the team's second touchdown of the night on an 84-yard interception return in the second quarter. He then scored what proved to be the game-winning touchdown when he hauled in a 9-yard scoring pass from his younger brother in the middle of the fourth quarter. In the game's final minute, Scott Tumilty made a tackle on a fourth-down play to end the Red Devils' drive and seal Willowbrook's victory.

Hinsdale Central (1-1) took a 7-0 lead after scoring on an 8-yard touchdown pass with about four minutes left in the first quarter. The Warriors tied the game at 7-7 in the first minute of the second quarter. A 32-yard pass play from Sam—the quarterback—to his brother, contributed to the drive. Sam finished the scoring drive with a 1-yard touchdown run on a third-down play. Senior Zoe Ericson-Staton added the extra-point kick to tie the game at 7-7.

The game was delayed by lightning for more than an hour in the second quarter. The delay came at 8:30 p.m., in the middle of the period. Shortly after the action resumed at 9:36 p.m., Hinsdale Central faced a fourth-and-nine play from the Warriors' 25-yard line. The Red Devils threw a pass, which Scott Tumilty intercepted at about the 16-yard line. Tumilty then sprinted down the field, eluding tacklers on his return into the end zone. Ericson-Staton's conversion kick gave the Warriors a 14-7 lead with about three minutes left in the first half.

"Scotty is the toughest kid on the football field," said Willowbrook coach Nick Hildreth. "I'll take him over any other football player in the state."

The Red Devils trimmed Willowbrook's lead to 14-10 with a 35-yard field goal with about three minutes left in the third quarter. Minutes later, after making a punt return of about 20 yards, Hinsdale Central began a drive inside the Warriors' 30-yard line. The drive ended with the Red Devils scoring a go-ahead touchdown on a short fourth-and-goal run. The extra-point kick gave Hinsdale Central a 17-14 lead with 10:48 to play in the fourth quarter.

Willowbrook responded with a 78-yard scoring drive that ended with Sam's 9-yard touchdown pass to Scott, who caught the ball in the middle of the end zone. Ericson-Staton's conversion kick pushed the Warriors' lead to 21-17.

"It wasn't a designed play," said Sam of the touchdown pass to his brother. "But he [Scott] saw an opening and he took it."

"I was supposed to run an out; I ran a post," said Scott of the play. "He [Sam] gave me a great ball."

Hinsdale Central had an opportunity to deliver a winning drive in the closing minutes. The Red Devils made a fourth-down stop against Willowbrook and took possession of the ball at midfield with 1:51 to play. The Red Devils' drive, and hopes for a victory, ended when Scott Tumilty stopped a receiver well short of a first down on a fourth-down pass. Willowbrook then needed just one snap on offense to run out the clock.

"It's huge," said Scott Tumilty of the significance of the victory over the Red Devils. "We had them on the ropes last year. We gave it away. I think this is a great confidence booster."

"We always have a chip on our shoulder," said Sam Tumilty of the Warriors. "We're not the biggest team, but our coaches preach heart and hustle. That's all you can ask for—to play tough and give a maximum effort for the whole game."

Both Tumilty brothers play on offense and defense. Sam mainly played

The Willowbrook football team improved to 2-0 with Friday's 21-17 win over Hinsdale Central in Villa Park. Pictured is senior lineman Tyler Walenga (No. 66) pursuing Hinsdale Central's quarterback.

comeback on defense last year. He is continuing his defensive duties this season—his first as the team's starting quarterback.

"I like playing both sides," said Sam. "Offense is fun. Defense is good because everyone's flying around. It's hard to pick one."

Hildreth tried to explain why the two Tumilty brothers frequently make big plays.

"Their instincts are better than anybody I've ever seen," said Hildreth. "They ask the best questions, and they put themselves in the best position to be successful. They are the most competitive kids around. It's a joy to coach kids like that."

The Warriors nearly beat Hinsdale Central when the two teams met one

year ago in the second week of the regular season. The Red Devils pulled out a 27-21 victory in Hinsdale. Both teams went on to make the playoffs. Willowbrook went 10-2 and advanced to the IHSA Class 6A quarterfinals. Hinsdale Central went 8-3, losing in the second round of the Class 8A post-season.

"Every team is different," said Hil-

dreth in discussing this year's Willowbrook team. "These guys have a set of expectations. They play hard, and they expect to be competitive week in and week out."

The Warriors will try to improve to 3-0 this Friday, when they will open the West Suburban Gold Conference season with a home game against Leyden (0-2).

Senior kicker Zoe Ericson-Staton (No. 96) and junior Everett Stubblefield (No. 13) after Ericson-Staton's third extra-point kick of the game.

Senior Scott Tumilty (No. 23, pictured) scored two of the Warriors' three touchdowns. He intercepted a pass and made an 84-yard return for a touchdown in the second quarter. He caught a touchdown pass from his brother—junior Sam Tumilty—in the fourth quarter.

Rams take third place

The Glenbard East girls volleyball team won four of five matches and claimed third place in a tournament that took place Friday and Saturday at Conant High School in Hoffman Estates. The Rams won all three of their tournament matches on Friday. They opened Saturday's play with a three-game loss to St. Francis. Glenbard East closed out the event with a 25-15, 25-15 win over Fremd's junior varsity team. Senior Emily Series (No. 9, pictured) handed out 15 assists in Saturday's match against St. Francis. The Spartans defeated the Rams 20-25, 25-22, 25-19. Senior Allison Hamaker provided 11 kills, three blocks and two aces in the three-game battle. Senior Sarah Elliott contributed six kills, six digs, three blocks and four aces. Junior Libby Hurlburt made 11 digs. Series added 14 assists in the victory over Fremd's junior varsity team. Series provided a total of 37 assists during Friday's three victories against Palatine, Lake Zurich and Conant's junior varsity team. Elliott bashed 20 kills in Friday's matches and added another 11 kills in Saturday's play. The Rams completed the tournament with an overall season record of 9-3. Glenbard East opened its Upstate Eight Conference season with a 25-10, 25-10 win over Elgin on Aug. 26 in Lombard. Series piled up 20 assists, while Elliott connected for eight kills.

Another big win for the Rams, who improve to 2-0

Johnson's four TD receptions lead the way against Bartlett

The Glenbard East football team moved to 2-0 by pounding Bartlett 38-15 in Friday's Upstate Eight Conference game in Bartlett. The Rams, who held a 24-7 halftime lead, built their advantage to 38-7 by the middle of the fourth quarter.

Glenbard East's senior duo of quarterback Bret Bushka and wide receiver Jeremy Johnson connected for four touchdown passes on the night. Johnson hauled in 10 receptions for 188 yards. Bushka completed 17 of 26 passes for 287 yards; he threw one interception.

The Glenbard East defense completely shut down Bartlett's passing offense. The Hawks, who dropped to 1-1 with the loss, didn't complete any of their 15 pass attempts in the game. Junior safety Jason Torrevillas of the Rams intercepted a pair of Bartlett passes. Both interceptions set up scoring drives for Glenbard East.

"We were pretty good defensively," said Glenbard East coach John Walters. "Bartlett did not make a pass completion; that says a lot about our defense. We were able to control the tempo of the game. People get excited that we put 38 points on the board, but our defense has been very fast and very physical."

Bushka and Johnson hooked up for two touchdown passes in each half. Senior Jake Netchin contributed a 5-yard first-quarter touchdown run for the Rams' opening score. Senior Dominic Tenca kicked a 25-yard field goal later in the opening period. Glenbard East held a 10-7 lead at the end of the first quarter.

Bushka fired touchdown passes of 5 and 28 yards to Johnson in the second quarter. The tandem delivered scoring strikes of 20 and 38 yards in the second half.

The game was delayed by lightning for about 50 minutes. The de-

lay came with Glenbard East holding a 24-7 lead late in the second quarter.

Johnson made a pair of touchdown receptions in Glenbard East's season opener—a 47-6 win over Elgin on Aug. 24. Through two games, he has 14 receptions for 274 yards and six touchdowns.

"He's a three-year varsity starter with a lot of experience," said Walters of Johnson. "He and Bret have been playing together forever."

The Rams will try to improve to 3-0 with this Friday's home game against West Chicago, which has been shut out by South Elgin and West Aurora in its first two games of the season.

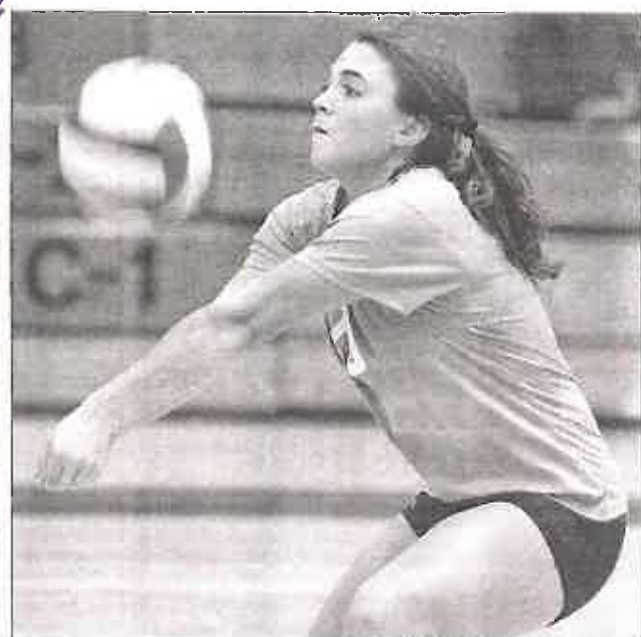

"We're two games in, and we're in a good place," said Walters of the Rams' 2-0 start to the season. "It's a marathon, not a sprint. We can enjoy the wins, but we've got to get back to work on the next opponent."

SUBMITTED PHOTO Lombardian/Villa Park Review

A big win for the Broncos

The Montini football team improved to 2-0 with Friday's 42-0 victory over Chicago's Christ the King Jesuit Prep School. The Broncos held a 42-0 halftime lead. The game in Lombard was called at halftime because of lightning in the area. Montini junior Nate Muersch (No. 21) is pictured making a touchdown catch. The Broncos opened the season with a 52-0 win over Hyde Park Academy High School on Aug. 24. Montini will play a home game against Marmion Academy this Friday.

Warriors in action

The Willowbrook girls volleyball team played in its own eight-team invitational on Friday and Saturday. The Warriors lost all three of their matches on Friday, falling to Addison Trail, Coal City and Glenbard South. The Warriors earned their first victory of the season on Saturday, when they defeated Hansberry College Prep. Willowbrook's loss to West Chicago on Saturday. The Warriors completed the

invitational with an overall season record of 1-8. Pictured during the invitational are senior Katelyn McCann (No. 12, above left) and junior Payton Ceh (above right), who is shown receiving a serve. The Warriors began the week with a 25-13, 25-12 loss at Montini on Aug. 26. One day later, they lost a 25-19, 25-22 decision at Glenbard North.

A win for the Rams

The Glenbard East boys soccer team earned its first victory of the season with last week's 1-0 Upstate Eight Conference triumph over Glenbard South in Lombard. Senior Alex Johnson (No. 2, pictured) scored the lone goal of the Aug. 29 match with about 10 minutes to play. The Rams improved to 1-1-1 overall and 1-1 in conference play. Senior goalkeeper Gerardo Galvez made five saves for the Rams in the shutout victory over the Raiders.

CHRIS FOX PHOTO Lombardian/Villa Park Review

SUBMITTED PHOTO Lombardian/Villa Park Review

Eleven straight wins for the Broncos

The Montini girls volleyball team improved its overall season record to 11-0 with three victories at Friday's Lyons Township Quad. The Broncos defeated Lyons Township (25-9, 25-23), Hinsdale Central (25-22, 22-25, 15-13) and Oswego (25-13, 25-12) at the quad. Junior Tees Noonan amassed a total of 48 assists in the three wins. Senior Joselyn Boyer piled up 42 digs. Freshman Paige Pickering (No. 18, pictured) provided 20 kills, while senior Caitlyn Meeks had 15 kills, 14 digs and nine aces. Senior Johanna Kingsfield added 10 kills and six blocks. Two days before playing at Lyons Township, the Broncos earned a 25-12, 25-15 win at Roseary in Aurora. Meeks and Pickering had nine and six kills, respectively. Boyer made 10 digs. The Broncos began their week with a 25-13, 25-12 home victory over Willowbrook on Aug. 28. Noonan passed out 17 assists and served three aces. Meeks made 10 kills, while Kingsfield provided four kills and three blocks.

Warriors vs. Rams

CHRIS FOX PHOTOS
Lombardian/Villa Park Review

The Willowbrook and Glenbard East girls tennis teams squared off in last week's dual meet in Villa Park. Willowbrook edged the Rams 4-3 in the Aug. 29 contest, which featured three singles and four doubles matches. The Warriors' winners included senior Grace Wachholz (below right), who claimed a 6-3, 6-1 win in the No. 1 singles battle. Also pictured is Willowbrook junior Priscilla DelValle (below left), who defeated Glenbard East sophomore Amber Province in No. 3 singles. The players split the first two sets and settled the match in a tiebreaker—with the first player to win 10 points (with at least a two-point lead) in the tiebreaker claiming the victory. DelValle delivered a 12-10 win in the tiebreaker. Glenbard East junior Ashley Ziemer (above left) is pictured during her victory over freshman Penelope DelValle in the No. 2 singles match, which also went to a tiebreaker. Ziemer prevailed 10-7 in the tiebreaker. One more photo shows Glenbard East junior Rose Carani (above right), who teamed with junior Serena Patel to win the No. 2 doubles match over Willowbrook seniors Bianca Gallcia and Cassie Witt. Carani and Patel won the first set 7-5. Gallcia and Witt earned a 7-5 win in the second set. Carani and Patel earned an 11-9 victory in the tiebreaker. Willowbrook's No. 1 doubles team of senior Andrea Zulewski and junior Maddie Brown secured a 6-2, 6-2 win. Willowbrook juniors Ryley Gales and Ellie King teamed up for a win in the No. 3 doubles match, which went to a tiebreaker. The Gales-King duo won a 10-8 battle in the tiebreaker. Glenbard East sophomores Chase Polyak and Brynn Rubacky earned a straight-set win in the No. 4 doubles match.

Meet an offensive lineman

Name: Luke Hallstrom

School: Naperville Central

Year: Senior

Best thing about being an offensive lineman: In games when you can run the ball and the opposing team knows that you can run the ball, and they can't stop you, I think that's my favorite thing about being an offensive lineman.

Worst thing about being an offensive lineman: Getting made fun of during conditioning, running sprints in practice. It's not getting made fun of in a bad way, it's in a joking way. We're not the fastest unit on the field.

Don't tell my coach that: I let the defensive lineman cross my face.

If I could change one thing about football: I guess, let the boys play. I know there's a lot of safety stuff going around right now, and even after watching some preseason NFL games, it's a physical game. Don't take the physicality out of the game.

Team not on our schedule I wish we could play: Maine South. That's mostly because of last year, we should have won that (Class 8A quarterfinal) game. A revenge game, I guess.

How I'll celebrate if I score a TD: If I did score a touchdown, I'd want to spike the ball, I guess, do a Rob Gronkowski spike.

Twitter, Facebook, Instagram or Snapchat: Twitter. I like to see a lot of the high school stuff; what they're doing, and there's funny stuff every now and then.

What I like best about my school: It's a great community feel.

There's 3,000 kids there, and though I don't know everyone there I just feel like it's a good community. And the community outside, the neighborhood, they always ask how I'm doing and wish me the best of luck. It's just a great community feel.

Something about me that would surprise you: If I were lighter I would be a very good receiver. I can catch quite well.

Other sports I play: I played baseball and basketball my freshman year; my sophomore and junior years I threw shot put for Central. I wish I continued to play baseball because that was just fun. High school sports is fun, making memories.

Favorite actor: Chris Pratt. He's a funny guy and he's a good actor. I like him in all his Marvel movies, like "Guardians of the Galaxy," and in "Jurassic World." He was a voice actor in those Lego movies. I'm excited to see him in more stuff coming up.

Favorite athlete: (Retired Cleveland Browns tackle) Joe Thomas. Obviously he's an offensive lineman, but he just dominated every snap of the ball. He's a dominant athlete, that's it. He would win every snap.

Favorite musician: My dad got me into 1970s rock. My favorite

"Christopher is a terrific keeper for us, he's quite athletic, and plays his position aggressively, and with a lot of confidence," said Elgin Academy head coach Kevin Meek, who came to the

The Chargers never let their guests get out of their own end during the first 10 minutes after the break — taking the lead for good with a wicked strike from Miguel Perez.

NRES Junior Alondra Estrada Passionate About Environmental Science, Research, and...Turtles!

September 11, 2018

NRES Junior Alondra Estrada.

Growing up in Addison, Illinois, Alondra Estrada, a first-generation Hispanic college student, wasn't even sure she'd be going to college. Then she came to an *Illinois* summer camp and, as a result, changed her mind about becoming a veterinarian and decided to study environmental science instead. Then, for the last two summers, she participated in the WE CAN REU, which further muddled the waters regarding her next step careerwise. Should she become an animal photographer, go to grad school in environmental science, or go for her dream job, an environmental lawyer? While she isn't sure what the future holds, she does know this: her many experiences have given her a lot of great career options.

While she hasn't always been interested in environmental science, she says she's always enjoyed being outside in the major parks near where she grew up. She started getting interested in science in middle school as a result of taking more science classes. Plus, though her high school only required a certain number of science courses, she decided to take an extra year, an AP environmental science class, which was her first real educational connection with the discipline.

Then, the summer before her junior year in high school, she came to the Ag Discovery program here at the University. It was because of that program that she switched from planning to study Veterinary Medicine to NRES (Natural Resources and Environmental Science).

A small swamp in the woods where Estrada did her research on turtles for researcher Jinelle Sperry. Just in

the center of the photo is the camera she used to video turtle predators. (Photograph courtesy of Alondra Estrada.)

The thing that intrigued her about environmental science was the material. "I liked the way everything was on the micro and macro scale, and it all interconnects in some way. It's not something that's technically made up like math or economics. It's not something that people created; it's something that we're learning from and still learning from. I just really like that idea of it."

While she visited other campuses, she also credits the Ag Discovery program with her decision to matriculate to *Illinois*. "That program just made me feel very comfortable here," she admits, "so because I already had a feel for the campus, and some of the staff, it just kind of made it an easier, more comfortable choice to make." Plus, she also likes that it's not far from home.

"It provides a lot that I never even thought possible, so I have no regrets with my decision," she says.

For instance, one really great opportunity she's had while here at *Illinois* was participating in the NSF-funded WE CAN REU (Research Experience for Undergraduates) for the last two summers. The first summer she was on campus for six weeks prior to a 4-week trip to South Africa. The second summer was conducting research.

Alondra Estrana shows off the 3-D printed "turtle" she used in her research.

While on campus during the first summer in WE CAN, participants were to explore the different kinds of research they might be interested in doing the following summer. They were tasked with meeting researchers who might be willing to serve as mentors and allow them to help with research in their labs.

Estrada says that once she met with Jinelle Sperry, however, she cancelled the other meetings she had set up, telling herself, "This is it; this is what I've been looking for."

Sperry works with amphibians and reptiles, particularly snakes and turtles, as well as birds, studying community-level ecological interactions with a focus on predator/prey dynamics.

Estrada's project was a side project to help with the analysis of her mentor's main research project about different turtles in different habitats. "My job was to figure out how predators are finding them," she explains.

While Estrada didn't ever run across a turtle as a kid, she's pretty passionate about them now. In fact, she did some work on her own time this spring, before her fellowship had even started, just swabbing the turtles: "That was fun, because I got to see all the turtles that were going to be put out in the field in Michigan," she explains.

Alondra Estrada
near the ACES
library on campus.

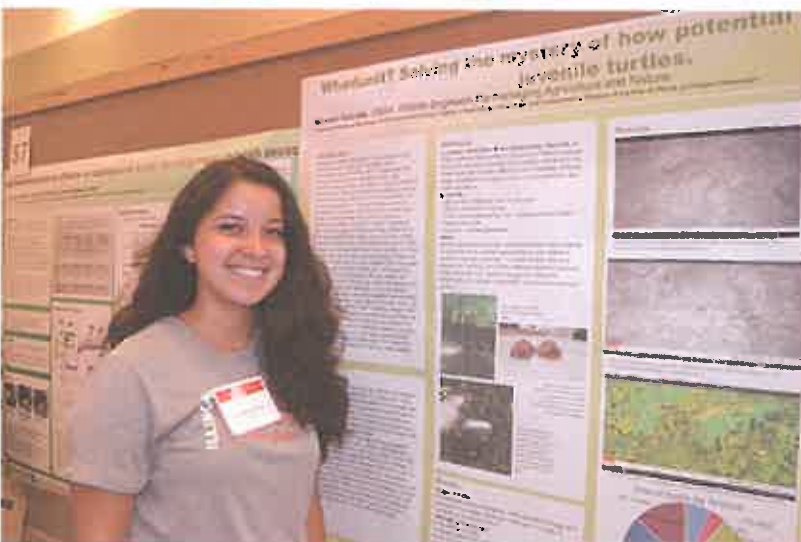

Although her WE CAN fellowship ended this summer when she presented her poster at the Illinois Summer Research Symposium, since getting back on campus, she's been "getting back into true rhythm" doing some computing in order to finish her data analysis from this summer's research.

While participating in WE CAN didn't necessarily help her decide on her career goals, Estrada says it definitely impacted her future plans. She says she had been wrestling with several different ideas regarding what she'd do after college—whether to go to grad school, or get a job, or follow her dream and go to law school. But she acknowledges that "This program really helped me plug in to a realistic perspective and really face reality that time is running out, I need to start doing all these things...I mean the next step. I've always been, 'Oh, it'll work out. I'll figure it out later.' But this program was, 'No, there's a time schedule you should work through.'"

Alondra Estrada
with her poster at
the Illinois
Summer
Research
Symposium.

In addition to a sense of urgency, the WE CAN program taught her what a career in research is like, indicating that it "definitely helped me realize how intense the science research field is."

It also opened up a world of opportunities that are available to her, making her career decision even more difficult. "But honestly, I don't know if that helped me think about if I want to go to grad school, if I want to go to law school, just because it opened up so many more opportunities for me, that I'm so torn."

Alondra Estrada (left) with her father at her presentation for her research. (Photograph courtesy of Alondra Estrada.)

Did Estrada ever think when she was a kid that she'd be doing some of this stuff? "No. Growing up, I was never sure if I would go to college, just because of being a first-generation student...so I'm very lucky to be here. I never thought I'd be doing things like this. I never thought I would go to South Africa. I never imagined meeting the people I've met so far, building some friendships with professors like from the WE CAN program." (Regarding many of these relationships she's made with professors, she intends to keep in touch. In addition to enjoying the relationships she's built, she figures that within the next couple of years, once she makes that career decision, she'll be needing some good letters of reference!)
