

PROGRESS: Basic Training CLASS OF 2023

Incoming Freshman Summer Orientation

During the **Progress** sessions, students will become acquainted with the school's surroundings, expectations and diversity. In addition, a parent meeting will be held on the evening of **Tuesday, July 30th at 7:00 p.m.**

The program will be run by a team of Willowbrook teachers from various backgrounds and disciplines, who will assist the students in making a smooth transition from junior high / middle school to high school. This transition can be difficult for many students, and with 2000+ students, 140 teachers, the size of Willowbrook alone can be intimidating.

In addition, there are policies and personnel for almost everything, so just figuring out where to go and who to see can feel like a full-time job!

Add to that a full schedule of classes, homework, pressure to earn credits for graduation and extra-curricular activities, and it is easy to see why freshmen so often feel overwhelmed.

Willowbrook Progress Program will help ease the transition and hopefully eliminate some anxious feelings either the parent or the student may have, as well as give your son or daughter the best possible start at Willowbrook High School.
