THE ADDISON PARK DISTRICT ALL STAR SUMMER COMING SOON!

Addison All Star Summer

Addison All Star Summer program is geared for children preschool to 8th grade (grade entering this Fall). Addison All Star Summer staff will facilitate recreational games, arts and crafts projects as well as other supplemental activities for participants. The program will operate in small groups which will enable participants to receive individual attention in a fun, safe environment. The Addison All Star Summer will operate weekly program sessions from June 15 - August 28 located at Community Recreation Center.

This year, we will have new social-distancing guidelines, smaller group sizes, healthy child standards, and more intense cleaning and sanitizing protocols in place. More details will be available closer to the start of the Addison All Star Summer. The State mandated Restore Illinois guidelines will determine our rollout date and further details about the new program.
