

Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT): As a result of DuPage County being in the Substantial Community Transmission level (see details above), and in the interest of the safety of our students and staff, we postponed the PSAT/NMSQT that was scheduled for Oct. 29. This optional assessment for juniors has been rescheduled to Jan. 26, 2021. All students who registered for the October test date will be rescheduled to the January test date. Students who have not yet registered can sign up for the January test (see details below).
