**A**t DuPage High School District 88, we are committed to providing multiple and flexible pathways for students to ensure they are college and career ready, and we continue to partner with colleges/universities and local businesses to expand these opportunities.

We offer a comprehensive curriculum, including credentialed career-based curricular tracks, more than 30 Advanced Placement (AP) courses and more than 50 Dual-Credit/Collegiate-Credit courses in 18 career pathway areas, along with award-winning fine arts programming.

District 88 recognizes the need to prepare students for the realities of today's evolving workforce and post-secondary landscape. The disconnect between education and employment is widening, demanding a more integrated and intentional approach to career readiness. In response, District 88 is committed to providing multiple and diverse pathways to post-secondary success, expanding access to college credits and industry-recognized certifications, and fostering strong community and business partnerships.
