

DuPage High School District 88 bond referendum

District 88 has placed a bond referendum on the Nov. 3, 2026, ballot to address facility needs at Addison Trail and Willowbrook high schools.

The bond referendum would fund safety and security upgrades and improvements to infrastructure, ADA accessibility and CTE spaces at both facilities without a net tax rate increase. This is possible because District 88 has existing referendum debt that will be paid off after levy year 2026, and the district has limited the proposal to the highest-priority needs.
